Executive summary:

Many organizations are exploring artificial intelligence (AI) as a transformative tool to enhance efficiency, streamline processes, and improve customer service. County leadership and the IT department want to conduct an open discussion on the opportunities, challenges, and risks of incorporating AI into county operations.

Budgetary impact: None at this time.

If a budget action is required, has it been submitted and a copy attached? ☐

Recommended action: Solicit feedback from department heads, elected officials, and other government organizations on the feasibility of using AI in county operations.
