Program Overview

Clallam County Juvenile and Family Services (CCJFS) was awarded a two-year grant from Washington Health Care Authority's Division of Behavioral Health and Recovery to re-fortify community coalition-led efforts to prevent underage substance use and promote youth mental health in Port Angeles. The Port Angeles Healthy Youth Coalition (PAHYC) is one of the newest additions to this state-wide Community Prevention and Wellness Initiative (CPWI), a proven model for sustaining a healthy and safe environment where young people thrive, without substance use and unaddressed mental health concerns.

Our efforts grow out of the recognition that most Port Angeles young people are healthy and safe, and still improvements can be made to prevent incidents of high-risk behaviors, like underage substance use and driving under the influence. The funding utilizes a community coalition structure to motivate collaboration between several existing youth-serving organizations, parents, and youth to determine how we can do better for our young people. In the long term, prevention has been shown to have the greatest impact in reducing harm from substance misuse and abuse and reducing the number of people experiencing addiction. Successful prevention requires the greatest amount of commitment and collaboration across all sectors of the community, over a sustained period of time to show significant results.

Proposed Key Activities

The PAHYC has been approved under the CPWI model, with direct approval from Washington Health Care Authority's Division of Behavioral Health and Recovery to implement Nurse Family Partnership. Nurse-Family Partnership is for first-time parents who are: (1) pregnant with their first child and (2) meet income requirements in Clallam County.

Nurse-Family Partnership is for first-time parents who are: (1) pregnant with their first child and (2) meet income requirements in Clallam County. A highly trained nurse meets remotely or in person with first-time parents to offer knowledge and support throughout pregnancy and until the child reaches two years of age. An NFP nurse starts working with the parent before birth to address questions and concerns, prepare the parent for childbirth, and help ensure that the delivery of a healthy baby. After the baby is delivered, the NFP nurse who helped during your pregnancy is still with the parent to offer support and answer questions about the baby, coach on child development, empower parents to believe in their ability to perform their new role as a parent successfully.

For more program information visit, www.nursefamilypartnership.org.

Timeline

Data Entry and Reporting

The PAHYC under the CPWI model, with guidance from Washington Health Care Authority's Division of Behavioral Health and Recovery is required to meet monthly reporting requirements. Reporting requirements are entered confidentially by the PAHYC Community Coalition Coordinator, Amanda Sanders into the "Minerva," a closed reporting system through Secure Access Washington.

The required pre/post survey for every participant/client is, "Managing and Monitoring for Parents of Young Children" which falls under the risk factor of "Family History of Problem Behavior" to measure "Self-efficacy of caregivers in their parenting skills" under the Minerva Survey Selection Guide.

Data entry is required by the 15th of every following month, invoicing can take place after monthly data is provided (as applicable). Data entry is completed by the PAHYC Community Coalition Coordinator, in accordance with grant compliance.

No material, labor, or facilities will be furnished by the County, unless otherwise provided for in the Agreement.
2. Accounting and Payment for Contractor Services. Payment to the Contractor for services rendered under this Agreement shall be as set forth in Attachment B. Unless specifically stated in Attachment B, the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract.

The County shall compensate the Contractor through the County voucher system for the Contractor's service pursuant to the fee schedule set forth in Attachment B.

3. Delegation and Subcontracting. Contractor's services are deemed personal and no portion of this contract may be delegated or subcontracted to any other individual, firm or entity without the express and prior written approval of the County Project Manager.
4. Independent Contractor. The Contractor's services shall be furnished by the Contractor as an independent contractor and nothing herein contained shall be construed to create a relationship of employer/employee or master/servant.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Attachment B and the Contractor is not entitled to any county benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental or other insurance benefits, or any other rights or privileges afforded to Clallam County employees. The Contractor represents that it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract with the Internal Revenue Service on a business tax schedule, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

In the event that either the state or federal government determines that an employer/employee or master/servant relationship exists rather than an independent contractor relationship such that Clallam County is deemed responsible for federal withholding, social security contributions, workers compensation and the like, the Contractor agrees to reimburse Clallam County for any payments made or required to be made by Clallam County. Notwithstanding any determination by the state or federal government that an employer/employee or master/servant relationship exists, the Contractor, its officers, employees and agents, shall not be entitled to any benefits that Clallam County provides to its employees.

5. No Guarantee of Employment. The performance of all or part of this contract by the Contractor shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Contractor or any employee of the Contractor or any subcontractor or any employee of any subcontractor by the County at the present time or in the future.
6. Regulations and Requirements. This Agreement shall be subject to all federal, state, and local laws, rules, and regulations.

7. Right to Review. This contract is subject to review by any federal or state auditor. The County shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the County Project Manager. Such review may occur with or without notice, and may include, but is not limited to, on-site inspection by County agents or employees, inspection of all records or other materials that the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for three (3) years after contract termination, and shall make them available for such review, within Clallam County, State of Washington, upon request, during reasonable business hours.
8. Modifications. Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.
9. Termination for Default. If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. Mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor agrees to bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

If a notice of termination for default has been issued and it is later determined for any reason that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the Termination for Public Convenience paragraph hereof.

10. Termination for Public Convenience. The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion that such termination is in the interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.
11. Termination Due to Insufficient Funds. If sufficient funds for payment under this contract are not appropriated or allocated or are withdrawn, reduced, or otherwise limited, the County may terminate this contract upon five (5) days written notice to the Contractor. No penalty or expense shall accrue to the County in the event this provision applies.
12. Termination Procedure. The following provisions apply in the event that this Agreement is terminated:
 - (a) The Contractor shall cease to perform any services required hereunder as of the effective date of termination and shall comply with all reasonable instructions contained in the notice of termination, if any.
 - (b) The Contractor shall provide the County with an accounting of authorized services provided through the effective date of termination.
 - (c) If the Agreement has been terminated for default, the County may withhold a sum from the final payment to the Contractor that the County determines necessary to protect itself against loss or liability.

13. Defense and Indemnity Agreement.

(a) The Contractor agrees to hold harmless, indemnify and defend the County, its officers, officials, employees and agents, from and against any and all claims, actions, suits, liability, loss, expenses, damages and judgments of any nature whatsoever, including reasonable costs and attorneys' fees in defense thereof, for injury, sickness, disability or death to persons or damage to property (including loss of use thereof) or business (including economic loss), caused by or arising out of the Contractor's acts, errors or omissions in the performance of the Contract. Provided, however, that the Contractor's obligation under this provision will not extend to injury, sickness, disability, death or damage caused by or arising out of the sole negligence of the County, its officers, officials, employees or agents.

(b) With regard to any claim against the County, its officers, officials, employees and agents by any employee of the Contractor, subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under this Section will not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts. It is clearly agreed and understood by the parties to the Contract that the Contractor expressly waives any immunity the Contractor might have had under such laws. By executing the Contract, the Contractor acknowledges that the foregoing waiver has been mutually negotiated by the parties as is required by RCW 4.24.115, and that the provisions of this Section will be incorporated, as relevant, into any contract the Contractor makes with any subcontractor or agent performing work under the Contract.

(c) The Contractor's obligations under these provisions include, but are not limited to, investigating, adjusting, and defending all claims alleging loss from action, error or omission, or breach of any common law, statutory or other delegated duty by the Contractor, the Contractor's employees, agents or subcontractors.

14. Industrial Insurance Waiver. With respect to the performance of this Agreement and as to claims against the County, its appointed and elected officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, as now or hereafter amended, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this Agreement extend to any claim brought by or on behalf of any employee of the Contractor. Along with the other provisions of this Agreement, this waiver is mutually negotiated by the parties to this Agreement.

15. Venue and Choice of Law. In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action shall be in the courts of the State of Washington in and for the County of Clallam. This Agreement shall be governed by the law of the State of Washington.

16. Withholding Payment. In the event the County Project Manager determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the County Project Manager determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than ten (10) days after it determines to withhold amounts otherwise due. A determination of the County Project Manager set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provision of the Disputes clause of this Agreement. The County may act in accordance with any determination of the County Project Manager which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following

actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to the Contractor by reason of good faith withholding by the County under this clause.

17. Rights and Remedies. The duties and obligations imposed by this Agreement and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.
18. Contractor Commitments, Warranties and Representations. Any written commitment received from the Contractor concerning this Agreement shall be binding upon the Contractor, unless otherwise specifically provided herein with reference to this paragraph. Failure of the Contractor to fulfill such a commitment shall render the Contractor liable for damages to the County. A commitment includes, but is not limited to any representation made prior to execution of this Agreement, whether or not incorporated elsewhere herein by reference, as to performance of services or equipment, prices or options for future acquisition to remain in effect for a fixed period, or warranties.
19. Patent/Copyright Infringement. Contractor will defend, indemnify and save harmless County, its appointed and elected officers, agents and employees from and against all loss or expense, including but not limited to claims, demands, actions, judgments, settlements, attorneys' fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of the Contractor's alleged infringement on any patent or copyright. The Contractor will pay those costs and damages attributable to any such claims that are finally awarded against the County, its appointed and elected officers, agents and employees in any action. Such defense and payments are conditioned upon the following:
 - (a) That Contractor shall be notified promptly in writing by County of any notice of such claim.
 - (b) Contractor shall have the right, hereunder, at its option and expense, to obtain for the County the right to continue using the information, in the event such claim of infringement, is made, provided no reduction in performance or loss results to the County.
20. Disputes:
 - (a) General. Differences between the Contractor and the County, arising under and by virtue of the contract documents shall be brought to the attention of the County at the earliest possible time in order that such matters may be settled or other appropriate action promptly taken. The records, orders, rulings, instructions, and decision of the County Project Manager shall be final and conclusive 30 days from the date of mailing unless the Contractor mails or otherwise furnishes to the County Administrator a written notice of appeal. The notice of appeal shall include facts, law, and argument as to why the conclusions of the County Project Manager are in error.

In connection with any appeal under this clause, the Contractor and County shall have the opportunity to submit written materials and argument and to offer documentary evidence in support of the appeal. Oral argument and live testimony will not be permitted. The decision of the County Administrator for the determination of such appeals shall be final and conclusive. Reviews of the appellate determination shall be brought in the Superior Court of Clallam County within 15 days of mailing of the written appellate determination. Pending final decision of the dispute, the Contractor shall proceed diligently with the performance of this Agreement and in accordance with the decision rendered.
 - (b) Notice of Potential Claims. The Contractor shall not be entitled to additional compensation or to extension of time for (1) any act or failure to act by the County Project Manager or the County, or (2) the happening of any event or occurrence, unless the

Contractor has given the County a written Notice of Potential Claim within 10 days of the commencement of the act, failure, or event giving rise to the claim, and before final payment by the County. The written Notice of Potential Claim shall set forth the reasons for which the Contractor believes additional compensation or extension of time is due, the nature of the cost involved, and insofar as possible, the amount of the potential claim. Contractor shall keep full and complete daily records of the work performed, labor and material used, and all costs and additional time claimed to be additional.

(c) Detailed Claim. The Contractor shall not be entitled to claim any such additional compensation, or extension of time, unless within 30 days of the accomplishment of the portion of the work from which the claim arose, and before final payment by the County, the Contractor has given the County a detailed written statement of each element of cost or other compensation requested and of all elements of additional time required, and copies of any supporting documents evidencing the amount or the extension of time claimed to be due.

21. Ownership of Items Produced. All writings, programs, data, art work, music, maps, charts, tables, illustrations, records or other written, graphic, analog or digital materials prepared by the Contractor and/or its consultants or subcontractors, in connection with the performance of this Agreement shall be the sole and absolute property of the County and constitute "work made for hire" as that phrase is used in federal and/or state intellectual property laws and Contractor and/or its agents shall have no ownership or use rights in the work.
22. Recovery of Payments to Contractor. The right of the Contractor to retain monies paid to it is contingent upon satisfactory performance of this Agreement, including the satisfactory completion of the project described in the Scope of Work (Attachment A). In the event that the Contractor fails, for any reason, to perform obligations required of it by this Agreement, the Contractor may, at the Director's sole discretion, be required to repay to the County all monies disbursed to the Contractor for those parts of the project that are rendered worthless in the opinion of the Director by such failure to perform.

Interest shall accrue at the rate of 12 percent (12%) per annum from the time the Director demands repayment of funds.

23. Project Approval. The extent and character of all work and services to be performed under this Agreement by the Contractor shall be subject to the review and approval of the Director or designee. For purposes of this Agreement, the Director is:

35. Survival. Without being exclusive, Paragraphs 4, 7, 13-19, 21-22 and 31-35 of these General Conditions shall survive any termination, expiration, or determination of invalidity of this Agreement in whole or in part. Any other Paragraphs of this Agreement which, by their sense and context, are intended to survive shall also survive.
36. Entire Agreement. This written contract represents the entire Agreement between the parties and supersedes any prior statements, discussions or understandings between the parties except as provided herein.

The County, its appointed and elected officials, agents and employees, shall be specifically named as additional insureds in a policy with the same company which insures the Contractor or by endorsement to an existing policy or with a separate carrier approved pursuant to RCW Title 48, as now or hereafter amended, and the following coverages shall be provided:

The third party liability coverage provided by the WCRP to Clallam County shall be non-contributory with respect to any policy of insurance the Contractor is required to obtain and maintain pursuant to this Agreement. The County shall have no obligation to report occurrences unless a claim or lawsuit is filed with it and the County has no obligation to pay any insurance premiums.

Evidence of primary insurance coverage shall be submitted to the Director or designee within 20 days of the execution of the Agreement. The Agreement shall be void ab initio if the proof of coverage is not timely supplied.

If the proof of insurance or certificate of coverage indicating the County is an "additional insured" to a policy obtained by the Consultant in order to comply with this agreement refers to an endorsement (by number, abbreviation or name) but does not provide the full text of that endorsement, then it shall be the obligation of the Consultant to obtain the full text of that endorsement and forward that full text to the County within 30 days of the execution of this Agreement.

The coverage limits identified herein shall not limit the potential liability of the Contractor and the Contractor's duty to defend, indemnify, and hold harmless shall apply to any liability beyond the scope of insurance coverage.

☐ 3. Liquidated Damages. For delays in timely completion of the work to be done or missed milestones of the work in progress, the Contractor shall be assessed _____ Dollars (\$ _____) per day as liquidated damages and not as a penalty because the County finds it impractical to calculate the actual cost of delays. Liquidated damages will not be assessed for any days for which an extension of time has been granted. No deduction or payment of liquidated damages will, in any degree, release the Contractor from further obligations and liabilities to complete the entire project.

Nurse-Family Partnership RESEARCH TRIALS AND OUTCOMES

FACT

THE GOLD STANDARD OF EVIDENCE

Nurse-Family Partnership® is an evidence-based, community health program with 45 years of research showing significant improvements in the health and lives of first-time moms and their children affected by social and economic inequality.

“ ”

IT IS NOT JUST EMPIRICAL EVIDENCE [THAT NURSE-FAMILY PARTNERSHIP HAS] THAT'S IMPORTANT; IT'S A CERTAIN TYPE OF EMPIRICAL EVIDENCE, NAMELY EVIDENCE FROM RANDOM ASSIGNMENT EXPERIMENTS. BECAUSE THAT'S THE GOLD STANDARD OF RESEARCH AND WE HAVE LEARNED OVER AND OVER AGAIN THAT ANY OTHER KIND OF STUDY IS LIKELY TO PRODUCE AN INCORRECT ANSWER. SO NOT ONLY IS THERE GOOD EVIDENCE FROM THE STUDY, BUT THE EVIDENCE IS FROM THE VERY BEST KIND OF RESEARCH.

RON HASKINS,

Senior Fellow, Economic Studies Co-Director,
Brookings Institution Center on Children and Families

TRIAL OUTCOMES

Trial outcomes demonstrate that Nurse-Family Partnership delivers against its three primary goals of better pregnancy outcomes, improved child health and development and increased economic self-sufficiency — making a measurable impact on the lives of children, families and the communities in which they live.

For example, the following outcomes have been observed among participants in at least one of the trials of the program.

- 48%** reduction in child abuse and neglect¹
- 56%** reduction in ER visits for accidents and poisonings²
- 50%** reduction in language delays of child age 21 months³
- 67%** less behavioral/intellectual problems at age 6⁴
- 32%** fewer subsequent pregnancies⁵
- 82%** increase in months employed⁶
- 61%** fewer arrests of the mother¹
- 59%** reduction in child arrests at age 15⁷

A Cornerstone of Nurse-Family Partnership Model

Nurse-Family Partnership is an evidence-based community health program that serves first-time mothers who face major barriers to accessing resources and supports needed to achieve the greatest health and wellness outcomes. Built upon the pioneering work of David Olds, Ph.D., Nurse-Family Partnership's model is based on 45 years of evidence from randomized controlled trials (RCTs).

Beginning in the early 1970s, Olds initiated the development of a nurse home visitation program for first-time mothers and their children. Over the next three decades, he and his colleagues continued to test the program in three separate RCTs (see details on next page.) The RCTs were designed to study the effects of the Nurse-Family Partnership model on maternal and child health and child development, by comparing the short- and long-term outcomes of mothers and children enrolled in the Nurse-Family Partnership program to those of a control group of mothers and children not participating in the program.

A Lasting Impact

Today, Olds and his team at the Prevention Research Center for Family and Child Health at the University of Colorado continue to study the model's long-term effects and lead research to continuously improve the Nurse-Family Partnership program model. Since 1979, 14 follow-up studies tracking program participants' outcomes across the three trials have been (and continue to be) conducted. Longitudinal studies measure the short- and long-term outcomes of the program. Although the Nurse-Family Partnership National Service Office maintains a close association with the Prevention Research Center, the two remain professionally independent.

Supporting the Nurse-Family Partnership Model

Today, Nurse-Family Partnership maintains fidelity to its model by using a web-based performance management system designed specifically to collect and report Nurse-Family Partnership family characteristics, needs, services provided and progress toward accomplishing program goals as recorded by Nurse-Family Partnership nurses. This process is fundamental to ensuring successful program implementation and beneficial outcomes that are comparable to those from the RCTs.

A Basis for Evidentiary Standards

The evidentiary foundations of the Nurse-Family Partnership model are among the strongest available for preventive programs offered with public investment. Given that the original trials were relatively large, resulted in outcomes of public health importance and were conducted in local community health settings with nearly entire populations of families living in neighborhoods where adversity was most pronounced, these findings are relevant to comparable communities throughout the U.S.

Nurse-Family Partnership's evidence began with RCTs, which is consistent with the approach promoted by evidence-based policy groups including the Urban Institute, America Forward, Results for America, Blueprints for Violence Prevention, the RAND Corporation, the Brookings Institution among others which seek to provide policymakers and practitioners with clear, actionable information on programs that work — and are demonstrated in scientifically valid studies. While RCTs remain the gold-standard in research, and particularly so when determining the efficacy of program models, rigorous quasi-experimental design studies (QEDs) are also well-regarded when evaluating the effectiveness of implementations of such previously established models in large-scale program replication or population health applications. To that end, several QEDs published in peer-reviewed journals have also found contemporary beneficial effects of Nurse-Family Partnership.

ARTICLE II. ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS

The Subrecipient shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 23EMPG Program, including, but not limited to, all criteria, restrictions, and requirements of *The Department of Homeland Security (DHS) Notice of Funding Opportunity (NOFO) Fiscal Year 2023 Emergency Management Performance Grant (EMPG) Program* document, the *Fiscal Year 2023 Preparedness Grants Manual*, FEMA Manual (FM) 207-22-0001 Version 4, 2023 (the Manual), the DHS Award Letter for the Grant, and the federal regulations commonly applicable to DHS/FEMA grants, all of which are incorporated herein by reference. The *DHS Award Letter* is incorporated in this Agreement as Attachment C.

The Subrecipient acknowledges that since this Agreement involves federal award funding, the performance period may begin prior to the availability of appropriated federal funds. The Subrecipient agrees that it will not hold the Department, the state of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:

The following requirements apply to all DHS/FEMA Preparedness Grants administered by the Department.

1. SUBAWARDS & CONTRACTS BY SUBRECIPIENT

- a. The Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 23EMPG funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.331.
- b. If the Subrecipient becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient:
 - i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of 23EMPG funds, including, but not limited to, those contained in 2 CFR 200.

- ii. The Subrecipient shall require its subrecipient(s) to comply with all applicable state and federal laws, rules, regulations, requirements, and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 23EMPG Program, including, but not limited to, all criteria, restrictions, and requirements of *The Department of Homeland Security (DHS) Notice of Funding Opportunity (NOFO) Fiscal Year 2023 Emergency Management Performance Grant (EMPG) Program* document, the Manual, the DHS Award Letter for the Grant in Attachment C, and the federal regulations commonly applicable to DHS/FEMA grants.
- iii. The Subrecipient shall be responsible to the Department for ensuring that all 23EMPG federal award funds provided to its subrecipients, and associated matching funds, are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment C of this Agreement.

2. BUDGET, REIMBURSEMENT, AND TIMELINE

- a. Within the total Grant Agreement Amount, travel, subcontracts, salaries, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis upon completion unless otherwise provided in this Agreement.
- b. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.
- c. If the Subrecipient chooses to include indirect costs within the Budget (Attachment F), additional documentation is required based on the applicable situation. As described in 2 CFR 200.414 and Appendix VII to 2 CFR 200:
 - i. If the Subrecipient receives direct funding from any Federal agency(ies), documentation of the rate must be submitted to the Department Key Personnel per the following:
 - A. More than \$35 million, the approved indirect cost rate agreement negotiated with its federal cognizant agency.
 - B. Less than \$35 million, the indirect cost proposal developed in accordance with Appendix VII of 2 CFR 200 requirements.
 - ii. If the Subrecipient does not receive direct federal funds (i.e., only receives funds as a subrecipient), the Subrecipient must either elect to charge a de minimis rate of ten percent (10%) or 10% of modified total direct costs or choose to negotiate a higher rate with the Department. If the latter is preferred, the Subrecipient must contact Department Key Personnel for approval steps.
- d. For travel costs, the Subrecipient shall comply with 2 CFR 200.475 and should consult their internal policies, state rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, and federal maximum rates set forth at <https://www.gsa.gov>, and follow the most restrictive. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without written approval by Department Key Personnel.
- e. Reimbursement requests will include a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the Department) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to Reimbursements@mil.wa.gov no later than the due dates listed within the Timeline (Attachment E).

Reimbursement request totals should be commensurate to the time spent processing by the Subrecipient and the Department.
- f. Receipts and/or backup documentation for any approved items that are authorized under this Agreement must be maintained by the Subrecipient consistent with record retention

requirements of this Agreement and be made available upon request by the Department and auditors.

- g. The Subrecipient must request **prior** written approval from Department Key Personnel to waive or extend a due date in the Timeline (Attachment E). For waived or extended reimbursement due dates, all allowable costs should be submitted on the next scheduled reimbursement due date contained in the Timeline. Waiving or missing deadlines serves as an indicator for assessing an agency's level of risk of noncompliance with the regulations, requirements, and the terms and conditions of the Agreement and may increase required monitoring activities. Any request for a waiver or extension of a due date in the Timeline will be treated as a request for Amendment of the Agreement. This request must be submitted to the Department Key Personnel sufficiently in advance of the due date to provide adequate time for Department review and consideration and may be granted or denied within the Department's sole discretion.
- h. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the Department within the time period notated in the Timeline (Attachment E) except as otherwise authorized by either (1) written amendment of this Agreement or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's project(s).
- i. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the Subrecipient, its contractor, or any non-federal entity to which the Subrecipient makes a subaward and is invoiced by the vendor.
- j. Failure to submit timely, accurate, and complete reports and reimbursement requests as required by this Agreement (including, but not limited to, those reports in the Timeline (Attachment E) will prohibit the Subrecipient from being reimbursed until such reports and reimbursement requests are submitted and the Department has had reasonable time to conduct its review.
- k. Final reimbursement requests will not be approved for payment until the Subrecipient is current with all reporting requirements contained in this Agreement.
- l. A written amendment will be required if the Subrecipient expects cumulative transfers to approved, direct budget categories, as identified in the Budget (Attachment F), to exceed ten percent (10%) of the Grant Agreement Amount. Any changes to budget category totals not in compliance with this paragraph will not be reimbursed without approval from the Department.
- m. Subrecipients shall only use federal award funds under this Agreement to supplement existing funds and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The Subrecipient may be required to demonstrate and document that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

3. REPORTING

- a. With each reimbursement request, the Subrecipient shall report how the expenditures, for which reimbursement is sought, relate to the Work Plan (Attachment D) activities in the format provided by the Department.
- b. With the final reimbursement request, the Subrecipient shall submit to the Department Key Personnel a final report (in the format provided by the Department) describing all completed activities under this Agreement, status of training course completion by individual personnel, how the match was met and documented, and progress made with NQS implementation.
- c. The Subrecipient shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the Department an Audit Certification/FFATA Form. This form is required to be completed once per calendar year, per Subrecipient, and not per agreement. The

Department's Contracts Office will request the Subrecipient submit an updated form at the beginning of each calendar year in which the Subrecipient has an active agreement.

- d. To document compliance with the National Incident Management System (NIMS), the Subrecipient shall complete the annual NIMS survey conducted by EMD staff.

4. NIMS COMPLIANCE

- a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and vocabulary for multiple agencies or jurisdictions to work together to build, sustain, and deliver the core capabilities needed to achieve a secure and resilient nation.
- b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response. NIMS empowers the components of the National Preparedness System, a requirement of Presidential Policy Directive 8, to guide activities within the public and private sector and describes the planning, organizational activities, equipping, training, and exercising needed to build and sustain the core capabilities in support of the National Preparedness Goal.
- c. In order to receive federal preparedness funding from the Department, the Subrecipient must ensure and maintain adoption and implementation of NIMS. See Agreement Attachment A, Article II section 3.c. for associated reporting requirements. The list of objectives used for progress and achievement reporting can be found at <https://www.fema.gov/emergency-managers/nims/implementation-training>.
- d. Beginning with 23EMPG, FEMA is requiring phased implementation of the National Qualification System (NQS) for EMPG subrecipients. The NQS Implementation Objectives reflect the concepts and principles contained in NQS doctrine and aim to promote consistency in NQS implementation nationwide. Subrecipients will be considered in compliance with NQS requirements as long as they are working towards implementing the NQS Implementation Objectives can be found at https://www.fema.gov/sites/default/files/documents/fema_nims-nqs-implementation-objectives_fact-sheet.pdf. Only EMPG-funded deployable personnel (determined by the Subrecipient) will be required to meet NQS certification requirements.

For 23EMPG NQS Phase I of implementation, Subrecipients must:

- i. Document the plan for implementation of NQS to include a timeline and an analysis of which positions are subject to the requirement. FEMA has created an optional template which can be found at https://www.fema.gov/sites/default/files/documents/fema_nqs-sample-implemetation-plan.pptx. All plans should be kept with Agreement documents.
- ii. Describe the status of implementation as a part of the annual NIMS survey conducted by EMD staff at the end of the calendar year.
- iii. Note within the EMPG final report which EMPG funded personnel are categorized as deployable and status of implementation, as applicable.

5. EQUIPMENT AND SUPPLY MANAGEMENT

- a. The Subrecipient and any non-federal entity to which the Subrecipient makes a subaward shall comply with 2 CFR 200.317 through 200.327, and all Washington State procurement statutes, when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
 - i. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by the Subrecipient, or a recognized non-federal entity to which the Subrecipient has made a

- subaward, for which a contract, Subrecipient grant agreement, or other means of legal transfer of ownership is in place.
- ii. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in the Subrecipient's inventory system.
 - iii. Inventory system records shall include:
 - A. Description of the property
 - B. Manufacturer's serial number, or other identification number
 - C. Funding source for the property, including the Federal Award Identification Number (FAIN) (Face Sheet, Box 11)
 - D. Assistance Listings Number (Face Sheet, Box 13)
 - E. Who holds the title
 - F. Acquisition date
 - G. Cost of the property and the percentage of federal participation in the cost
 - H. Location, use, and condition of the property at the date the information was reported
 - I. Disposition data including the date of disposal and sale price of the property.
 - iv. The Subrecipient shall take a physical inventory of the equipment, and supplies as applicable, and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Subrecipient to determine the cause of the difference. The Subrecipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
 - v. The Subrecipient shall be responsible for any and all operational and maintenance expenses and for the safe operation of the equipment and supplies including all questions of liability. The Subrecipient shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well maintained and kept in good operating condition.
 - vi. The Subrecipient shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated, and a report generated and sent to the Department's Key Personnel.
 - vii. The Subrecipient must obtain and maintain all necessary certifications and licenses for the equipment.
 - viii. If the Subrecipient is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return. For disposition, if upon termination or at the Grant Agreement End Date, when original or replacement supplies or equipment acquired under a federal award are no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Subrecipient must comply with the following procedures:
 - A. For Supplies: If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the Subrecipient must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government

for its share. The amount of compensation must be computed in the same manner as for equipment.

B. For Equipment:

- 1) Items with a current per-unit fair-market value of \$5,000 or less may be retained, sold, transferred, or otherwise disposed of with no further obligation to the federal awarding agency.
- 2) Items with a current per-unit fair-market value in excess of \$5,000 may be retained or sold. The Subrecipient shall compensate the federal awarding agency in accordance with the requirements of 2 CFR 200.313 (e) (2).

ix. Records for equipment shall be retained by the Subrecipient for a period of six years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six-year period, the records shall be retained by the Subrecipient until all litigation, claims, or audit findings involving the records have been resolved.

b. The Subrecipient shall comply with the Department's Purchase Review Process, which is incorporated by reference and made part of this Agreement. No reimbursement will be provided unless the appropriate approval has been received.

c. Allowable equipment categories for the grant program are listed on the Authorized Equipment List (AEL) located on the FEMA website at <https://www.fema.gov/grants/guidance-tools/authorized-equipment-list>. It is important that the Subrecipient and any non-federal entity to which the Subrecipient makes a subaward regard the AEL as an authorized purchasing list identifying items allowed under the specific grant program; the AEL includes items that may not be categorized as equipment according to the federal, state, local, and tribal definitions of equipment. The Subrecipient is solely responsible for ensuring and documenting purchased items under this Agreement are authorized as allowed items by the AEL at time of purchase.

If the item is not identified on the AEL as allowable under the grant program, the Subrecipient must contact the Department Key Personnel for assistance in seeking FEMA approval **prior** to acquisition.

d. Equipment purchases (those with a current per-unit fair market value in excess of \$5,000) must be identified and explained to the Department. Use, management, and disposition of such equipment is subject to requirements outlined in 2 CFR 200.313. Before making such purchases, the Subrecipient should analyze the cost benefits of purchasing versus leasing equipment, especially those subject to rapid technical advances.

e. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory state and DHS/FEMA adopted standards to be eligible for purchase using federal award funds.

f. If funding is allocated to support emergency communications activities, the Subrecipient must ensure that all projects comply with SAFECOM Guidance on Emergency Communications Grants, located at <https://www.cisa.gov/safecom/funding>, including provisions on technical standards that ensure and enhance interoperable communications.

g. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to:

- i. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

- ii. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
- iii. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

This prohibition regarding certain telecommunications and video surveillance services or equipment is mandated by section 889 of the *John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA)*, Pub. L. No. 115-232 (2018) and 2 CFR 200.216, 200.327, 200.471, and Appendix II to 2CFR200. Recipients and subrecipients may use DHS/FEMA grant funding to procure replacement equipment and services impacted by this prohibition, provided the costs are otherwise consistent with the requirements of the Manual and the NOFO.

Per subsections 889(f)(2)-(3) of the FY 2019 NDAA, and 2 CFR 200.216, covered telecommunications equipment or services means:

- iv. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);
 - v. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
 - vi. Telecommunications or video surveillance services provided by such entities or using such equipment; or
 - vii. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- h. The Subrecipient must pass through equipment and supply management requirements that meet or exceed the requirements outlined above to any non-federal entity to which the Subrecipient makes a subaward under this Agreement.

6. ENVIRONMENTAL AND HISTORICAL PRESERVATION

- a. The Subrecipient shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) program. EHP program information can be found at <https://www.fema.gov/grants/guidance-tools/environmental-historic> all of which are incorporated in and made a part of this Agreement.
- b. Projects that have historical impacts or the potential to impact the environment, **including, but not limited to**, construction of communication towers; modification or renovation of existing buildings, structures and facilities; or new construction including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to interior walls, and training or exercises occurring outside in areas not considered previously disturbed, also require a DHS/FEMA EHP review before project initiation.
- c. The EHP review process involves the submission of a detailed project description that includes the entire scope of work, including any alternatives that may be under consideration, along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.

- d. The Subrecipient agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process **must be completed and FEMA approval received by the Subrecipient before any work is started** for which reimbursement will be later requested. Expenditures for projects started before completion of the EHP review process and receipt of approval by the Subrecipient will not be reimbursed.

7. PROCUREMENT

The Subrecipient shall comply with all procurement requirements of 2 CFR Part 200.317 through 200.327 and as specified in the General Terms and Conditions (Attachment B, A.10).

- a. For all contracts expected to exceed the simplified acquisition threshold, per 2 CFR 200.1, the Subrecipient must notify the Department. The Department may request pre-procurement documents, such as request for proposals, invitations for bids and independent cost estimates. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for requesting and reviewing pre-procurement documents.
- b. For all sole source contracts expected to exceed the micro-purchase threshold per 2 CFR 200.1, the Subrecipient must submit justification to the Department for review and approval. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for reviewing and approving sole source justifications to any non-federal entity to which Subrecipient makes any award.
- c. The Subrecipient as well as its contractors and subcontractors must comply with the Build America, Buy America Act (BABAA), which was enacted as a part of the Infrastructure Investment and Jobs Act §§ 70901-70297, Pub. L. No. 117-58 (2021); and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers. BABAA requires any infrastructure project receiving federal funding must ensure:
 - i. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from initial melting stage through the application of coatings, occurred in the United States.
 - ii. All manufactured products must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States must be greater than 55% of the total cost of all minimum amount of domestic content of manufactured product, unless subject to another standard.
 - iii. All construction materials are manufactured in the United States. This means that all manufacturing processes for construction material occurred in the United States.

Additionally, applicable infrastructure projects are subject to domestic preference requirements. A domestic preference does not apply to non-infrastructure spending under an award that also includes a covered project. A domestic preference applies to an entire infrastructure project, even if it is funded by both federal and non-federal funds under one or more awards.

- i. Domestic preferences under BABAA only apply to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a domestic preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of or permanently affixed to the structure.
- ii. Infrastructure, for the purposes of BABAA, includes, at a minimum, the structures, facilities, and equipment for, in the United States, roads, highways and bridges;

public transportation; dams, ports, harbors and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property. Infrastructure includes facilities that generate, transport, and distribute energy.

- iii. The Subrecipient's contractors and their subcontractors who apply or bid for an award for an infrastructure project subject to the domestic preference requirement in the BABAA shall file a required certification to the Subrecipient with each bid or offer for an infrastructure project, unless a domestic preference requirement is waived by FEMA. Contractors and subcontractors must certify that no federal financial assistance funding for infrastructure projects will be provided unless all the iron, steel, manufactured projects, and construction materials used in the project are produced in the United States. BABAA, Pub. L. No. 117-58, §§ 70901-52. Contractors and subcontractors shall also disclose any use of federal financial assistance for infrastructure projects that does not ensure compliance with BABAA domestic preference requirement. Such disclosures shall be forwarded to the Subrecipient who will forward them to the Department who, in turn, will forward the disclosures to FEMA. The Build America, Buy America Act Self-Certification form is included herein as Attachment G.

If the Subrecipient is interested in applying for a waiver, the Subrecipient should contact the Department Key Personnel to determine the requirements. All waiver requests must include a detailed justification for the use of goods, products, or materials mined, produced, or manufactured outside the United States and a certification that there was a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with potential suppliers.

8. SUBRECIPIENT MONITORING

- a. The Department will monitor the activities of the Subrecipient from award to closeout. The goal of the Department's monitoring activities is to ensure that subrecipients receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as 2 CFR Part 200 Subpart F.
- b. To document compliance with 2 CFR Part 200 Subpart F requirements, the Subrecipient shall complete and return to the Department an Audit Certification/FFATA form. Reporting requirements are referenced in section 3.c.
- c. Monitoring activities may include, but are not limited to:
 - i. Review of financial and performance reports
 - ii. Monitoring and documenting the completion of Agreement deliverables
 - iii. Documentation of phone calls, meetings (e.g. agendas, sign-in sheets, meeting minutes), e-mails and correspondence
 - iv. Review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget, and federal requirements
 - v. Observation and documentation of Agreement related activities, such as exercises, training, events, and equipment demonstrations
 - vi. On-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.

- d. The Subrecipient is required to meet or exceed the monitoring activities, as outlined above, for any non-federal entity to which the Subrecipient makes a subaward as a pass-through entity under this Agreement.
- e. Compliance will be monitored throughout the performance period to assess risk. Concerns will be addressed through a Corrective Action Plan.

9. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)

The Subrecipient must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services, selecting language services, and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <https://www.lep.gov>.

B. EMPG PROGRAM SPECIFIC REQUIREMENTS

The Department receives EMPG funding from DHS/FEMA, to assist state, local, and tribal governments to enhance and sustain all-hazards emergency management capabilities as authorized by Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. §§ 5121 et seq.) and Section 662 of the Post Katrina Emergency Management Act (6 U.S.C. § 762).

A portion of the grant program is passed through to local jurisdictions and tribes with emergency management programs to supplement their local/tribal operating budgets to help sustain and enhance emergency management capabilities pursuant to Washington Administrative Code (WAC) 118-09.

- a. The Subrecipient shall use the EMPG funds authorized under this Agreement only to perform tasks as described in the Work Plan (Attachment D) and the Subrecipient's approved application for funding, incorporated into this Agreement.
- b. Funding may not be used to replace or supplant non-federal funding of emergency management programs.
- c. The Subrecipient shall provide a fifty percent (50%) cash match from non-federal source(s). The Federal share applied toward the EMPG budget shall not exceed fifty percent of the total budget as submitted and approved in the application and documented in the Budget (Attachment F). To meet matching requirements, the Subrecipient's cash matching contributions must be verifiable, reasonable, allowable, allocable, and necessary under the grant program and must comply with all state and Federal requirements and regulations, including, but not limited to, 2 CFR Part 200. An appropriate mechanism must be in place to capture, track, and document matching funds.
- d. The Subrecipient shall participate in the State's Stakeholder Preparedness Review (SPR), Threat and Hazard Identification and Risk Assessment (THIRA), core capabilities assessments, and data calls. Non-participation may result in withholding of funding under future grant years.
- e. Subrecipients shall participate in the State's Integrated Preparedness Planning Workshop (IPPW). Non-participation may result in withholding of funding under future grant years.
- f. If funding is allocated to non-DHS FEMA training, the Subrecipient must request **prior** written approval from the Department Key Personnel before attending the training. The Department will coordinate approval with the State Training Point of Contact. Pursuant to DHS/FEMA Grant

Programs Directorate Information Bulletin No. 432, Review and Approval Requirements for Training Courses Funded Through Preparedness Grants, https://www.fema.gov/sites/default/files/2020-04/Training_Course_Review_and_Approval_IB_Final_7_19_18.pdf, the training must fall within the FEMA mission scope and be in alignment with the Subrecipient's Emergency Operations Plan. This requirement only applies to training courses and does not include attendance at conferences. Furthermore, additional federal approvals are required for courses that relate to Countering Violent Extremism prior to attendance.

- g. All personnel funded in any part through federal award or matching funds under this Agreement shall complete and record proof of completion of:
 - i. NIMS training Independent Study (IS): IS-100, IS-200, IS-700, and IS-800, and

C. DHS TERMS AND CONDITIONS

As a Subrecipient of 23EMPG funding, the Subrecipient shall comply with all applicable DHS terms and conditions of the 23EMPG Award Letter and its incorporated documents for the Grant, which are incorporated and made a part of this Agreement as Attachment C.

**Washington State Military Department
GENERAL TERMS AND CONDITIONS
Department of Homeland Security (DHS)/
Federal Emergency Management Agency (FEMA)
Grants**

A.1 DEFINITIONS

As used throughout this Agreement, the terms will have the same meaning as defined in 2 CFR 200 Subpart A (which is incorporated herein by reference), except as otherwise set forth below:

- a. **"Agreement"** means this Grant Agreement.
- b. **"Department"** means the Washington State Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department. The Department is a recipient of a federal award directly from a federal awarding agency and is the pass-through entity making a subaward to a Subrecipient under this Agreement.
- c. **"Investment"** means the grant application submitted by the Subrecipient describing the project(s) for which federal funding is sought and provided under this Agreement. Such grant application is hereby incorporated into this Agreement by reference.
- d. **"Monitoring Activities"** means all administrative, financial, or other review activities that are conducted to ensure compliance with all state and federal laws, rules, regulations, authorities, and policies.
- e. **"Stakeholders Preparedness Report (SPR)"** The SPR is an annual three-step self-assessment of a community's capability levels based on the capability targets identified in the THIRA.
- f. **"Subrecipient"** when capitalized is primarily used throughout this Agreement in reference to the non-federal entity identified on the Face Sheet of this Agreement that has received a subaward from the Department. However, the definition of "Subrecipient" is the same as in 2 CFR 200.1 for all other purposes.
- g. **"Threat and Hazard Identification and Risk Assessment (THIRA)"** The THIRA is a three-step risk assessment. The THIRA helps communities understand their risks and determine the level of capability they need in order to address those risks. The outputs from this process lay the foundation for determining a community's capability gaps during the SPR process.

A.2 ADVANCE PAYMENTS PROHIBITED

The Department shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. Subrecipient shall not invoice the Department in advance of delivery and invoicing of such goods or services.

A.3 AMENDMENTS AND MODIFICATIONS

The Subrecipient or the Department may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the Department and the Subrecipient. No other understandings or agreements, written or oral, shall be binding on the parties.

The Agreement performance period shall only be extended by (1) written notification of DHS/FEMA approval of the Award performance period, followed up with a mutually agreed written amendment, or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's project(s).

A.4 AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, 42 U.S.C. 12101 ET SEQ. AND ITS IMPLEMENTING REGULATIONS ALSO REFERRED TO AS THE "ADA" 28 CFR Part 35.

A.5 ASSURANCES

The Department and Subrecipient agree that all activity pursuant to this Agreement will be in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.6 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY

The Subrecipient shall complete, sign, and return a *Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion* form located at <https://mil.wa.gov/requiredgrantforms>. Any such form completed by the Subrecipient for this Agreement shall be incorporated into this Agreement by reference.

Further, the Subrecipient agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Subrecipient certifies that it will ensure that potential contractors or subrecipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g., grant or cooperative agreement) that are expected to equal or exceed \$25,000, and subawards to subrecipients for any amount. With respect to covered transactions, the Subrecipient may comply with this provision by obtaining a certification statement from the potential contractor or subrecipient or by checking the System for Award Management (<https://sam.gov/SAM/>) maintained by the federal government. The Subrecipient also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries' "Debarred Contractor List" (<https://secure.lni.wa.gov/debarandstrike/ContractorDebarList.aspx>). A.7 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

As required by 44 CFR Part 18, the Subrecipient hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subrecipient to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, grant, loan, or cooperative agreement, the Subrecipient will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Subrecipient will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352.

A.8 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES

The Subrecipient and all its contractors and subrecipients shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. In the event of noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy by the Subrecipient, its contractors or subrecipients, the Department may rescind, cancel, or terminate the Agreement in whole or in part in its sole discretion. The Subrecipient is responsible for all costs or liability arising from its failure, and that of its contractors and subrecipients, to comply with applicable laws, regulations, executive orders, OMB Circulars or policies.

A.9 CONFLICT OF INTEREST

No officer or employee of the Department; no member, officer, or employee of the Subrecipient or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of the Subrecipient who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.

The Subrecipient shall incorporate, or cause to incorporate, in all such contracts or subawards, a provision prohibiting such interest pursuant to this provision.

A.10 CONTRACTING & PROCUREMENT

a. The Subrecipient shall use a competitive procurement process in the procurement and award of any contracts with contractors or subcontractors that are entered into under the original agreement award. The procurement process followed shall be in accordance with 2 CFR Part 200.318, General procurement standards, through 200.327, Contract provisions.

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the Subrecipient under this Agreement must include the following provisions, as applicable:

- 1) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- 2) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-federal entity including the manner by which it will be effected and the basis for settlement.
- 3) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, *"Equal Employment Opportunity"* (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *"Amending Executive Order 11246 Relating to Equal Employment Opportunity,"* and implementing regulations at 41 CFR part 60, *"Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."*

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 6) Rights to Inventions Made Under a Contract or Agreement. If the federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Subrecipient must comply with the requirements of 37 CFR Part 401, "*Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements*," and any implementing regulations issued by the awarding agency.

Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- 8) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "*Debarment and Suspension*." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- 9) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part

247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

- 11) Notice of federal awarding agency requirements and regulations pertaining to reporting.
- 12) Federal awarding agency requirements and regulations pertaining to copyrights and rights in data.
- 13) Access by the Department, the Subrecipient, the federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.
- 14) Retention of all required records for six (6) years after the Subrecipient has made final payments and all other pending matters are closed.

- b. The Department reserves the right to review the Subrecipient's procurement plans and documents and require the Subrecipient to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.317 through 200.327. The Subrecipient must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Subrecipient and Department to make a determination on eligibility of project costs.
- c. All contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference.

A.11 DISCLOSURE

The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Subrecipient's responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the Department or as required to comply with the state Public Records Act, other law or court order.

A.12 DISPUTES

Except as otherwise provided in this Agreement, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution board to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The board shall consist of a representative appointed by the Department, a representative appointed by the Subrecipient, and a third party mutually agreed upon by both parties. The determination of the dispute resolution board shall be final and binding on the parties hereto. Each party shall bear the cost for its member of the dispute resolution board and its attorney fees and costs and share equally the cost of the third board member.

A.13 LEGAL RELATIONS

It is understood and agreed that this Agreement is solely for the benefit of the parties to the Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.

To the extent allowed by law, the Subrecipient, its successors or assigns, will protect, save and hold harmless the Department, the state of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subrecipient, its subcontractors, subrecipients, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Agreement.

To the extent allowed by law, the Subrecipient further agrees to defend the Department and the state of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys' fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the Department, and (2) the Subrecipient, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subrecipient, or the Subrecipient's agents or employees.

Insofar as the funding source, FEMA is an agency of the Federal government, the following shall apply:

44 CFR 206.9 Non-liability. The Federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Federal government in carrying out the provisions of the Stafford Act.

A.14 LIMITATION OF AUTHORITY – AUTHORIZED SIGNATURE

The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department's Authorized Signature representative and the Authorized Signature representative of the Subrecipient or Alternate for the Subrecipient, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both parties' Authorized Signature representatives, except as provided for time extensions in Article A.3.

Further, only the Authorized Signature representative or Alternate for the Subrecipient shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.15 LOSS OR REDUCTION OF FUNDING

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the Department may unilaterally reduce the work plan and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Subrecipient an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

A.16 NONASSIGNABILITY

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Subrecipient.

A.17 NONDISCRIMINATION

During the performance of this agreement, the Subrecipient shall comply with all federal and state nondiscrimination statutes and regulations. These requirements include, but are not limited to:

- a. Nondiscrimination in Employment: The Subrecipient shall not discriminate against any employee or applicant for employment because of race, color, sex, sexual orientation, religion, national origin, creed, marital status, age, Vietnam era or disabled veterans status, or the presence of any sensory,

mental, or physical handicap. This requirement does not apply, however, to a religious corporation, association, educational institution or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution or society of its activities.

- b. The Subrecipient shall take action to ensure that employees are employed and treated during employment without discrimination because of their race, color, sex, sexual orientation religion, national origin, creed, marital status, age, Vietnam era or disabled veterans status, or the presence of any sensory, mental, or physical handicap. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment selection for training, including apprenticeships and volunteers.

A.18 NOTICES

The Subrecipient shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and regulations and shall maintain a record of this compliance.

A.19 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT (OSHA/WISHA)

The Subrecipient represents and warrants that its workplace does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subrecipient's performance under this Agreement. To the extent allowed by law, the Subrecipient further agrees to indemnify and hold harmless the Department and its employees and agents from all liability, damages and costs of any nature, including, but not limited to, costs of suits and attorneys' fees assessed against the Department, as a result of the failure of the Subrecipient to so comply.

A.20 OWNERSHIP OF PROJECT/CAPITAL FACILITIES

The Department makes no claim to any capital facilities or real property improved or constructed with funds under this Agreement, and by this subaward of funds does not and will not acquire any ownership interest or title to such property of the Subrecipient. The Subrecipient shall assume all liabilities and responsibilities arising from the ownership and operation of the project and agrees to defend, indemnify, and hold the Department, the state of Washington, and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.21 POLITICAL ACTIVITY

No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

A.22 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

The assistance provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Agreement provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.23 PUBLICITY

The Subrecipient agrees to submit to the Department prior to issuance all advertising and publicity matters relating to this Agreement wherein the Department's name is mentioned, or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Subrecipient agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department. The Subrecipient may copyright original work it develops in the course of or under this Agreement; however, pursuant to 2 CFR Part 200.315, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Agreement shall include an acknowledgement of FEMA's financial support, by the Assistance Listings Number (formerly CFDA Number), and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.24 RECAPTURE PROVISION

In the event the Subrecipient fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the Agreement, the Department reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right

of recapture shall exist for the life of the project following Agreement termination. Repayment by the Subrecipient of funds under this recapture provision shall occur within 30 days of demand. In the event the Department is required to institute legal proceedings to enforce the recapture provision, the Department shall be entitled to its costs and expenses thereof, including attorney fees from the Subrecipient.

A.25 RECORDS

- a. The Subrecipient agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Subrecipient's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").
- b. The Subrecipient's records related to this Agreement and the projects funded may be inspected and audited by the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Subrecipient with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.
- c. The records shall be made available by the Subrecipient for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subrecipient's normal working day.
- d. The Subrecipient shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) years must be followed.

A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the Department undertakes to assist the Subrecipient with the project/statement of work/work plan (project) by providing federal award funds pursuant to this Agreement, the project itself remains the sole responsibility of the Subrecipient. The Department undertakes no responsibility to the Subrecipient, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subrecipient, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subrecipient shall ensure that all applicable federal, state, and local permits and clearances are obtained, including, but not limited to, FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws, regulations, and executive orders.

The Subrecipient shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subrecipient in connection with the project. The Subrecipient shall not look to the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including, but not limited to, cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.28 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

The Subrecipient shall comply with and include the following audit requirements in any subawards.

Non-federal entities, as Subrecipients of a federal award, that expend **\$750,000** or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than **\$750,000** a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity"

means a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient.

Subrecipients that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The Subrecipient has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200.425.

The Subrecipient shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any subcontractors also maintain auditable records. The Subrecipient is responsible for any audit exceptions incurred by its own organization or that of its subcontractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Subrecipient must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Subrecipient all disallowed costs resulting from the audit.

After the single audit has been completed, and if it includes any audit findings, the Subrecipient must send a full copy of the audit and its Corrective Action Plan to the Department at the following address no later than nine (9) months after the end of the Subrecipient's fiscal year(s):

**Contracts Office
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

OR

Contracts.Office@mil.wa.gov

The Department retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient's failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.29 SUBRECIPIENT NOT EMPLOYEE

The Subrecipient, and/or employees or agents performing under this Agreement, are not employees or agents of the Department in any manner whatsoever. The Subrecipient will not be presented as nor claim to be an officer or employee of the Department or of the State of Washington by reason hereof, nor will the Subrecipient make any claim, demand, or application to or for any right, privilege or benefit applicable to an officer or employee of the Department or of the State of Washington, including, but not limited to, Workers' Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW; OFM Reg. 4.3.1.1.8.

It is understood that if the Subrecipient is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the State of Washington in their own right.

If the Subrecipient is an individual currently employed by a Washington State agency, the Department shall obtain proper approval from the employing agency or institution before entering into this contract. A statement of "no conflict of interest" shall be submitted to the Department.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the Subrecipient shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and

expenses of any other kind for the Subrecipient or its staff required by statute or regulation that are applicable to Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the Subrecipient may terminate this Agreement by providing written notice of such termination to the Department Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the Department, in its sole discretion and in the best interests of the state of Washington, may terminate this Agreement in whole or in part ten (10) business days after emailing notice. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR LOSS OF FUNDING

The Department may unilaterally terminate or suspend all or part of this Grant Agreement, or may reduce its scope of work and budget, if there is a reduction in funds by the source of those funds, and if such funds are the basis for this Grant Agreement. The Department will email the Subrecipient ten (10) business days prior to termination.

A.33 TERMINATION OR SUSPENSION FOR CAUSE

In the event the Department, in its sole discretion, determines the Subrecipient has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subrecipient unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the Department has the right to immediately suspend or terminate this Agreement in whole or in part.

The Department may notify the Subrecipient in writing of the need to take corrective action and provide a period of time in which to cure. The Department is not required to allow the Subrecipient an opportunity to cure if it is not feasible as determined solely within the Department's discretion. Any time allowed for cure shall not diminish or eliminate the Subrecipient's liability for damages or otherwise affect any other remedies available to the Department. If the Department allows the Subrecipient an opportunity to cure, the Department shall notify the Subrecipient in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the Department, or if such corrective action is deemed by the Department to be insufficient, the Agreement may be terminated in whole or in part.

The Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Subrecipient, if allowed, or pending a decision by the Department to terminate the Agreement in whole or in part.

In the event of termination, the Subrecipient shall be liable for all damages as authorized by law, including, but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Subrecipient: (1) was not in default or material breach, or (2) failure to perform was outside of the Subrecipient's control, fault or negligence, the termination shall be deemed to be a termination for convenience.

A.34 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the Department terminates this Agreement, the Subrecipient shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the Department may require the Subrecipient to deliver to the Department any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the Department shall pay to the Subrecipient as an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the Department prior to the effective date of Agreement termination, the amount agreed upon by the Subrecipient and the Department for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the Department, (iii) other work, services and/or equipment or supplies which are accepted by the Department, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the Department shall determine the extent of the liability of the Department. The Department shall have no other obligation to the Subrecipient for termination. The Department may withhold from any amounts due the Subrecipient such sum as the Department determines to be necessary to protect the Department against potential loss or liability.

The rights and remedies of the Department provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the Department in writing, the Subrecipient shall:

- a. Stop work under the Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or contracts for materials, services, supplies, equipment and/or facilities in relation to this Agreement except as may be necessary for completion of such portion of the work under the Agreement as is not terminated;
- c. Assign to the Department, in the manner, at the times, and to the extent directed by the Department, all of the rights, title, and interest of the Subrecipient under the orders and contracts so terminated, in which case the Department has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and contracts, with the approval or ratification of the Department to the extent the Department may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Department and deliver in the manner, at the times, and to the extent directed by the Department any property which, if the Agreement had been completed, would have been required to be furnished to the Department;
- f. Complete performance of such part of the work as shall not have been terminated by the Department in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the Department may require, for the protection and preservation of the property related to this Agreement which is in the possession of the Subrecipient and in which the Department has or may acquire an interest.

A.35 MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

In accordance with the legislative findings and policies set forth in Chapter 39.19 RCW, the State of Washington encourages participation in all its contracts by MWBE firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). To the extent possible, the Subrecipient will solicit and encourage minority-owned and women-owned business enterprises who are certified by the OMWBE under the state of Washington certification program to apply and compete for work under this contract. Voluntary numerical MWBE participation goals have been established, and are indicated herein: Minority Business Enterprises: (MBE's): 10% and Woman's Business Enterprises (WBE's): 6%.

A.36 VENUE

This Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by, the laws of the state of Washington. Venue of any suit between the parties arising out of this Agreement shall be the Superior Court of Thurston County, Washington. The Subrecipient, by execution of this Agreement, acknowledges the jurisdiction of the courts of the state of Washington.

A.37 WAIVERS

No conditions or provisions of this Agreement can be waived unless approved in advance by the Department in writing. The Department's failure to insist upon strict performance of any provision of the Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Agreement.

Article I - DHS Standard Terms and Conditions Generally

The Fiscal Year (FY) 2023 DHS Standard Terms and Conditions apply to all new federal financial assistance awards funded in FY 2023. These terms and conditions flow down to subrecipients unless an award term or condition specifically indicates otherwise. The United States has the right to seek judicial enforcement of these obligations. All legislation and digital resources are referenced with no digital links. The FY 2023 DHS Standard Terms and Conditions will be housed on dhs.gov at www.dhs.gov/publication/fy15-dhs-standard-terms-and-conditions.

Article II - Assurances, Administrative Requirements, Cost Principles, Representations and Certifications

I. DHS financial assistance recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances - Non-Construction Programs, or OMB Standard Form 424D Assurances - Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances as instructed by the awarding agency.

II. DHS financial assistance recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at Title 2, Code of Federal Regulations (C.F.R.) Part 200 and adopted by DHS at 2 C.F.R. Part 3002.

III. By accepting this agreement, recipients, and their executives, as defined in 2 C.F.R. section 170.315, certify that their policies are in accordance with OMB's guidance located at 2 C.F.R. Part 200, all applicable federal laws, and relevant Executive guidance.

Article III - General Acknowledgements and Assurances

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

I. Recipients must cooperate with any DHS compliance reviews or compliance investigations conducted by DHS.

II. Recipients must give DHS access to examine and copy records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities or personnel.

III. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.

IV. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law, or detailed in program guidance.

Part 200 and including recipients acting as pass-through entities) of federal financial assistance from DHS or one of its awarding component agencies must complete the DHS Civil Rights Evaluation Tool within thirty (30) days of receipt of the Notice of Award for the first award under which this term applies. Recipients of multiple awards of DHS financial assistance should only submit one completed tool for their organization, not per award. After the initial submission, recipients are required to complete the tool once every two (2) years if they have an active award, not every time an award is made. Recipients should submit the completed tool, including supporting materials, to CivilRightsEvaluation@hq.dhs.gov. This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. The evaluation tool can be found at <https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool>. In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to: ASK-GMD@fema.dhs.gov if you have any questions.

Article XLVI - Disposition of Equipment Acquired Under the Federal Award

For purposes of original or replacement equipment acquired under this award by a non-state recipient or non-state sub-recipients, when that equipment is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, you must request instructions from FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. section 200.313. State recipients and state sub-recipients must follow the disposition requirements in accordance with state laws and procedures.

Article XLVII - Prior Approval for Modification of Approved Budget

Before making any change to the FEMA approved budget for this award, you must request prior written approval from FEMA where required by 2 C.F.R. section 200.308.

For purposes of non-construction projects, FEMA is utilizing its discretion to impose an additional restriction under 2 C.F.R. section 200.308(f) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved.

For purposes of awards that support both construction and non-construction work, FEMA is utilizing its discretion under 2 C.F.R. section 200.308(h)(5) to require the recipient to obtain prior written approval from FEMA before making any fund or budget transfers between the two types of work.

You must report any deviations from your FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.

Article XLVIII - Indirect Cost Rate

2 C.F.R. section 200.211(b)(15) requires the terms of the award to include the indirect cost rate for the federal award. If applicable, the indirect cost rate for this award is stated in the budget documents or other materials approved by FEMA and included in the award file.

WORK PLAN

FY 2023 Emergency Management Performance Grant

Emergency Management Organization: Clallam County Sheriff's Office

The purpose of EMPG is to assist with the enhancement, sustainment and improvement of state, local, and tribal emergency management programs. Activities conducted using EMPG funding should relate directly to the five mission areas of the national preparedness goal of prevention, protection, response, recovery, and mitigation. Washington State does not require a specific number of activities to receive EMPG funding. However, there are required capabilities that must be sustained in order to remain eligible for EMPG funding, including but not limited to the ability to communicate and warn, educate the public, plan, train, exercise, and be NIMS compliant. The Work Plan delineates the Emergency Management Organization's emergency management program planning and priority focus for this grant cycle (to include EMPG grant and local funds).

Priority Area-Sustainment

Electrical bill for AHAB Tsunami sirens	Cellular phone service for EMD personnel	Internet Capability Subscription
Registration for Annual Conference attendance	Satellite phone service for EMD personnel	

Priority Area #1	4.8 Communications and Warning	
Primary Core Capability	Operational Communications	
Secondary Core Capability	Infrastructure Systems	
Build or Sustain	Sustaining/Maintaining	
WORK PLANNED	IDENTIFIED GAP/NEED	ANTICIPATED PROJECT IMPACT
Continue to evaluate and improve HAM radio capability across the county. Identifying gaps in communications capabilities and creating strategies to minimize their impact. Increase the effectiveness of existing repeaters and continuing to identify new locations and upgrades to equipment to increase coverage	Radio transmission is challenging due to our geology. We are forced to use relays through other stations and HAM users in order to be heard. Capability needs to keep pace with technology	Increased stability in radio transmissions and resiliency in the HAM network.
Continue to evaluate and improve alternative and redundant communications systems. Research new and developing systems to insure the highest capability and resiliency for continued internet access during active disasters.	County wide internet access remains fragile and spotty in coverage. If roads are impaired from an event, access to the EOC may be difficult or even impossible.	Improved connectivity between the EOC and WAEMD. Increased ability for volunteers and staff to work remotely during an event.

Priority Area #2	4.12 Emergency Public Information and Education	
Primary Core Capability	Community Resilience	
Secondary Core Capability	Long-term Vulnerability Reduction	
Build or Sustain	Sustaining/Maintaining	

WORK PLANNED	IDENTIFIED GAP/NEED	ANTICIPATED PROJECT IMPACT
Expand CERT and other Disaster Readiness trainings to citizens through existing community groups and connections such as service clubs, neighborhood associations and faith-based groups.	CERT programs in all but one of our Operational Areas have sparse participation. Covid hampered this even further. This created an imbalance in CERT presence throughout the county and we need to support, structure, and outfit CERT programs in all five operational areas.	Improved resilience throughout the county as there are more citizens participating in preparedness and response.
Promote county wide preparedness focused on simple tasks that increase resilience. Normalize preparedness by integrating a preparedness component into existing community groups.	Recent cultural shifts in attitudes towards seatbelts, smoke detectors, and child car seats demonstrate that proper messaging can change societal attitudes. Previous efforts to increase community preparedness have met with resistance as unnecessary or difficult to achieve.	By breaking up goals into easily accomplished tasks with clear messaging on what is needed and how to plan, more community members will realize the value of readiness outweighs the effort required. Integrating information into existing groups will help normalize the goals and create the desire to emulate readiness behavior.
Continue to reach out to lower income or other disadvantaged groups, showing that preparedness is a reasonable and attainable goal.	Marginalized groups need to be included in preparedness efforts. Programs need to be accessible to those with Access and Functional Needs, housing or food insecurity and Limited English Proficiency.	By specifically creating solutions for different sections of our population, we'll increase the number of people creating plans and emergency kits, which will increase the resiliency of our community.

Priority Area #3	3.2 Coordination	
Primary Core Capability	Operational Coordination	
Secondary Core Capability	Planning	
Build or Sustain	Sustaining/Maintaining	
WORK PLANNED	IDENTIFIED GAP/NEED	ANTICIPATED PROJECT IMPACT
Plan and coordinate multi-jurisdictional exercises for our ARES, EOC staff, and ECC teams	This is an ongoing project and we have made progress in interaction between groups, but this effort needs to be a continual program of interoperability and mutual exercise.	We have been building resource lists based on contacts formed during exercises and based on the revised ESFs in our new CEMP. Using those lists and involving representatives from all of these stakeholder agencies will create increased interoperability and coordination during emergency response and recovery.
Involve more community members, professional responders, and volunteer teams in the Operational Area meetings. Build on the connections developed during CR-22 and using those corrective actions to build collaboration between Operational Areas and agencies.	CR-22 identified gaps between needs in the Operational Areas and the ability of the State or FEMA to provide for those needs. This creates a greater responsibility for the county to build resilience in outlying areas.	Increased resilience in all five operational areas.

BUILD AMERICA, BUY AMERICA ACT SELF-CERTIFICATION

The undersigned certifies, to the best of their knowledge and belief, that:

The Build America, Buy America Act (BABAA) requires that no federal financial assistance for “infrastructure” projects is provided “unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States.” Section 70914 of Public Law No. 117-58, §§ 70901-52.

The undersigned certifies that for the Insert Project Name and Location that the iron, steel, manufactured products, and construction materials used in this contract are in full compliance with the BABAA requirements including:

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
2. All manufactured products purchased with FEMA financial assistance must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.
3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

“The [Contractor or Subcontractor], _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the [Contractor or Subcontractor] understands and agrees that the provisions of 31 U.S.C. TODD MIELKE, County Administrator

January 16, 2024

The Honorable Hilary S. Franz
Commissioner of Public Lands
Department of Natural Resources
1111 Washington Street SE
Mail Stop 47001
Olympia, WA 98504-7001

Dear Commissioner Franz,

Thank you for your letter dated December 18, 2023, indicating the identification of Units 3 and 4 of the "Power Plant" sale as candidates to be transferred out of trust status after replacement land has been identified. Our community appreciates being considered for the 2,000-acre set aside directed by the Legislature's Natural Climate Solutions proviso.

As you know we have been consistent advocates for the wide variety of junior taxing districts in our county. We understand the importance of predictable timber revenue to these districts and given the significant impact of previous habitat plans to taxing districts across this county, we are keen to avoid additional financial impacts.

Our key requirement for providing concurrence is that the revenue to be generated by the replacement land must be apportioned to the same suite of taxing districts, in the same proportions, as the original sale. Furthermore, we wish to underscore the importance of doing all that is possible to ensure that the revenue that is generated through the harvest of the other "Power Plant" units, plus whatever revenue may be generated by future sales on replacement land, flow to these junior taxing districts in a timely manner.

Additionally, since your letter is not clear about whether Units 1 and 2 are still under contract for harvest, we are seeking clarity regarding these other Units. We assume they continue to be contracted for harvest but would appreciate confirmation on the anticipated timing. We will want to fully understand how the Department is meeting its legal obligations under RCW 79.15.140; namely how the Department plans to "...substitute valuable materials from another site in exchange for any valuable materials which the department determines have become impracticable to remove under

the original contract. Any substituted valuable materials must belong to the identical trust involved in the original contract, and the substitute materials shall be determined by the department to have an appraised value that is not greater than the valuable materials remaining under the original contract.”

As additional background for the following comments, the Commissioners worked through a thorough examination of the Power Plant sale with your regional team. Given the conclusions drawn both by your own experts and by our Board upon review, this sale did NOT meet the high threshold to which we understood the program to aspire. We are struggling to understand which criteria you applied in making your decision and how these criteria were applied.

Equally important, we were deeply disappointed that the acreage which we identified for inclusion in this program was not chosen. Our Board worked for months to productively engage with the environmental advocacy community, timber interests, junior taxing districts and most importantly the regional DNR staff in order to identify what we collectively believed to be the best option for inclusion in this program, namely the “Shore Thing” sale. We understood the limited nature of this program – 2,000 acres are not many – and worked collaboratively to put forward the future sale that best met the goals of the program and that mitigated the impact to local junior taxing districts.

In fact, if meeting multiple co-benefits was the metric driving the decision-making process, then the Department’s own team and analysis indicate that the “Shore Thing” sale would be a better option. The Shore Thing sale is more remote, on steeper slopes, directly adjacent to already-protected forest with Marbled Murrelet habitat, supports local recreational uses and contains as beautiful and intact a legacy forest as exists on any DNR parcel in Clallam County. It is this sale that our community, through much conversation and hard work, identified as our top priority and it is difficult to understand why another option – much less a sale that is already under contract and that has already been approved by the Board of Natural Resources – was identified for this program. For these reasons, we would strongly request you reconsider your decision and instead support inclusion of the sale that our community identified as its top priority.

Lastly, we want to be very clear that we appreciate the recreational uses that DNR has allowed on a variety of parcels throughout our county. Our concurrence for inclusion of any sale should come with the understanding that we have no intent or interest in using recreational access that has been granted by the Department as a strategy or reason to take more working forest lands off-line. Our belief is that publicly managed working forest lands, on longer rotations, remain vital to the economic vitality of our county and to being a part of our larger strategy to mitigate climate change.

Thank you for your consideration of our requests and we look forward to participating in discussions about the future of managed forest lands in our county.

Sincerely,

BOARD OF CLALLAM COUNTY COMMISSIONERS

NOTICE OF BUDGET REVISION MEETING

Notice is hereby given Clallam County will adopt by Resolution of the Board the budget revision shown below on January 30, 2024 at 10 a.m. in the Commissioners' Meeting Room (160), Clallam County Courthouse.

DCD Planning, DCD Building, District Court I – Following adoption of the 2024 General Fund Budget, unanticipated staffing developments were identified within the General Fund's Department of DCD Planning and Building divisions which are expected to result in identified cost savings to the 2024 budget. These savings have been identified as a source of funding to potentially re-establish funding to District Court I to fill a vacant, deferred Court Clerk III position in the District Court I budget beginning April 1, 2024, a position identified as one that is contributor to the collection of legal financial obligation revenue for the County. This budget revision between General Fund departments is needed to transition sufficient funding from the DCD Planning and Building divisions based on these identified cost savings to the District Court I personnel budget to enable refilling of the vacant Court Clerk III position/\$65,891

A copy of the budget change forms may be reviewed at the office of the Board of County Commissioners from 8 a.m. to 4:30 p.m., Monday through Friday.
