June 4, 2025

Dear City, Town, and County Officials:

Enclosed for your review is an information packet that includes the preliminary April 1, 2025, population estimates developed by the Office of Financial Management.

Preliminary population estimates are being sent to the highest elected official in all local jurisdictions, city population contact persons, county and commissioner executives, county planners and regional planning agencies. **The figures are provided for administrative review only and are subject to change. These population estimates should not be released to the public or to the press under any circumstances until they are finalized and released on OFM's website on June 30, 2025.**

Please evaluate your jurisdiction's 2025 population estimate based on housing and population changes from 2020 to 2025. When reviewing your estimate please consider that many jurisdictions experienced substantial housing growth this year driven by the demand for housing earlier this decade. While housing growth is strong, population growth has slowed, and this year's estimates reflect that change.

For questions or concerns regarding your city's estimate, please email us at pop.estimates@ofm.wa.gov or contact your OFM analyst directly. **Requests for revisions and supporting documentation must be received by close of business, June 20, 2025.** By statute, OFM must finalize and release these figures on or before July 1, 2025.

OFM will post the official April 1, 2025, population estimates on our website at <http://www.ofm.wa.gov/pop/april1>. If you do not have internet access, please email pop.estimates@ofm.wa.gov to request a paper or PDF copy.

If you have further questions, please contact me at 360-870-7974 or email me at mike.mohrman@ofm.wa.gov.

Sincerely,

Mike Mohrman, State Demographer
Forecasting and Research Division

* - State certified special census.

+ - Informal count. A population count that is considered accurate but does not meet all special census certification requirements.

- Informal census. A population and housing count that is considered accurate but does not meet all special census certification requirements.

\$ - Corrected Federal Census. Census 2020 population and housing adjusted for misallocated group quarters and annexations effective and approved by OFM from January 2, 2020 to April 1, 2020. The 2020 federal census count for Bonney Lake was corrected in 2022.

The 2020 populations are, with a few exceptions, equal to the federal census PL 94-171 counts.

With the exception of corrections or updates to the federal census counts, annual estimates in this official series are not revised on the basis of other information that becomes available after the estimate date.
