Introductions / Review Agenda / Approve Draft June 11, 2025 DRMT Meeting Notes

2:07: Ben Smith moves to approve amended notes, seconded, no objection, the motion is passed

2:10: Public Comment: John Worthington

Clallam County Comprehensive Plan Update Status- Tim Havel, Clallam County

2:14: Clallam County Comprehensive Plan Update overview

2:16: Agenda

2:17: Purpose of Comp Plans

2:18: Mandatory elements

2:20 New housing requirements

2:22: Critical Area Ordinance Update

2:25: What has been accomplished currently, what comes next

Questions

2:28: Who compiles the best available science report for the comprehensive plan?

2:28: Was Riparian Ecosystems, Volume II: Management Recommendations incorporated into the best available science report?

2:29: You're probably familiar with the Washington Association of Science's paper that says no net loss doesn't work- is there any effort to reconcile the 'why's' of it doesn't work with that we're still trying to incorporate it into the comprehensive plan?

2:30: You've mentioned many consultants that have helped compile the comprehensive plan, are these consultants mentioned or cited in the plan?

2:32: How finite is the mapping for wetlands?

2:33: Tim, did you know that the ecosystems coordination board is meeting right now?

2025 Drought Impacts/ Drought Response Updates

PUD #1, Bowen Kendrick – water conservation alerts

2:37: Bowen Kendrick: PUD Drought Response Plan update

2:38: Island View water system: stage 4 alert

2:39: Clallam Bay/ Sekiu water system: stage 3 alert, all other water systems under stage 2 drought alert. The Morse Creek surface water treatment plant has been offline for about a month and a half

Questions

2:40: How many trucks of water a day does it take to maintain the Island View Water System during stage 4 drought?

Washington Water Trust, Jason Hatch- dry year leases/ pulse flows

2:44: 2025 Dry Year Leasing Program

2:46: Dry Year Leasing Overview

2:47: Pulse flows- simulated rain event

2:48: August 23rd pulse flow, August 30th pulse flow, September 8-9: 24 hr pulse flow

2:51: 2025 Dry year leasing monitoring

Jamestown S’Klallam Tribe, Hansi Hals – fish passage/barrier riffle work

2:52: Dry year leases, pulse flows and fish passage/ barrier riffle conversation

WSU Ext, Clea Rome and Laurel Moulton- water conservation technical assistance/outreach

3:06: Small farm irrigation education program

3:09: Details of water conservation technical assistance/outreach

3:13: Clallam County WSU Extension Website

Questions
