Fairgrounds Master Plan Update & Committee

Good afternoon!

Aspen reminded me that the committee has requested that several facilities-related FAQs and Analytics be provided for the current Fair Master Plan Update effort. I am working diligently to respond to this request in time for the February FAB Meeting.

I appreciate the committee's efforts. At the same time, I need to remind the committee and probably the entire FAB that in the next two years, the county is going to seek capital budget funding/grant funding to engage a consultant with master plan development expertise to lead the FAB and County Staff in developing an entirely new comprehensive master plan. The project will take approximately a year and will require coordinated efforts of the FAB, County Staff, Fair Volunteers, Community Stakeholders, County executive leadership, and the BOCC. I strongly believe this is the most effective way to reimagine and retool our fair for the next decade(s).

At this juncture, several amendments to the existing plan are necessary to increase expenditures for judges, superintendents, and related positions. We can make strategic tweaks to other required elements as well. I am delighted to meet with the committee to discuss this in greater detail. I am available nights and weekends in addition to weekdays.

Have a pleasant evening.

CLALLAM COUNTY FAIR ADVISORY BOARD BY-LAWS

DEFINITION OF TERMS

This table of term definitions is intended to explain terms used in subsequent sections. They are meant to be somewhat generic so that as jobs change in title, ~~the Clallam County Administration Code and/or Fair Board Policy and Guidelines~~ Policy manual does not need to be changed each time.

"Board" means Clallam County Fair Advisory Board

"BOCC" means Board of Clallam County Commissioners

"Director" means the position, either department head or division manager, who by organizational chain of command is the chief administrator or manager of the "Parks Department" facilities, activities, and properties.

~~"Parks Department"~~ "Clallam County Fair & Facilities" means the Department or Division that has been established by The BOCC to manage and operate the Clallam County Parks along with their facilities, programs, and properties. It may be a stand-alone, County department or division of another County department, like Public Works.

"Special Election" means an election held to replace a vacated, elected officer Board position, due to resignation or removal for improper conduct of the office.

"Special Meeting" means unscheduled meetings called from time-to-time by the Board for a specific purpose. They usually address issues that need immediate attention or that need more time and discussion than can be handled in routine board meetings.

"Regular Committee" means an ongoing committee formed to work the year through. A member of the committee gives a report at regular fair board meetings.

"Special Committee" means a committee formed to address board concerns or issues that need more time, vetting, research, and discussion than can be handled in routine board meetings.

Hi Don,

This is to address our Fair dates in the future and the standing alignment has been the 3rd FULL weekend (which would imply) Friday, Saturday, and Sunday.

Please see this years' calendar line up for example of why the Fair is seemingly late* this year and why the dates have been discussed a few times. I'm to understand that that first week including a date in July (31) is an incorrect* August weekend.

Next year- if we apply those same rules of the 3rd full week- beginning with Fri-Sun the Fair will be August 19-22, 2027. The following 2028 Fair will be August 17-20.
