Executive summary:

Clallam Transit System ("CTS") operates complimentary, American with Disability Act, mandated paratransit service within Clallam County in conjunction with its fixed-route service. This mode of service is costly in comparison to fixed-route service, but so vital and necessary to ensure the mobility needs are met for the residents with disabilities within Clallam County. CTS has been successful in applying for and awarded approximately 45 to 50 percent of the operating costs through grants available from the Washington State Department of Transportation Consolidated Grant Program. The funds have been and will continue to be a combination of Federal and State funds.

It is once again time for us to apply for the upcoming 2023-2025 and 2025-2027 biennia. If successful, our application could bring approximately \$5,250,000 of funding to CTS for paratransit operations over the upcoming four-year period. Competitive funds are available and necessary for the long-term sustainability of public transportation in our communities.

As part of the process, letters of support are required. Kevin Gallacci – General Manager Clallam Transit respectfully asks for a letter of support for this project.

Budgetary impact: (Is there a monetary impact? If so, are funds for this already allocated or is a budget change necessary? If this is a contract and a budget change is necessary, the budget change form must be submitted with the item at work session and for the regular agenda) **If a budget action is required, has it been submitted and a copy attached?** ☐
None.

RE: Washington State Department of Transportation Consolidated Grant Program 2023-2027

Dear Mr. Gallacci:

On behalf of the Clallam County Board of Commissioners, we strongly support Clallam Transit System's ("CTS") application for approximately \$5,250,000 of operating funds to support continued paratransit operation over the next two biennia. Many individuals and overburdened communities of Clallam County, including the elderly, youth, and disabled, need travel options to access work, medical appointments, education, and other purposes within the county and local public transit modes of service may be their only means of travel.

As traffic volume continues to grow in Clallam County, the need for robust and desirable public transit is so very important to support all the communities within the county. This further extends the need for those who cannot drive, cannot always access fixed-route bus service and greatly depend upon reliable paratransit service. With CTS's fixed-route service expansion plans, this will contribute to and further benefit communities with extended paratransit service availability as this service is mandated to operate in conjunction with fixed-route services.

It is my understanding that paratransit is considerably higher cost service to operate per passenger in comparison to fixed-route service. As needs continue to grow and costs inflate, it becomes even more necessary to augment a portion of this service with operating funds to provide long term sustainability for CTS, this grant will enable CTS to continue to support our many seniors, youth, residents with disabilities and folks who simply do not or who cannot drive and finding their access to jobs and basic services by removing transportation barriers.

The Clallam County Board of Commissioners supports Clallam Transit in applying for this funding opportunity in hopes to provide the best possible solutions for our public transportation and provide operating funding for paratransit service over the next several years.

Sincerely,

Clallam County Board of Commissioners

Mark Ozias, Chair

**INTER-LOCAL AGREEMENT
BETWEEN
CITY OF PORT ANGELES
AND
CLALLAM COUNTY
FOR STREAM WATER QUALITY MONITORING
2022 – 2026
PSA-2022-53**

This Inter-Local Agreement is between the City of Port Angeles (herein after referred to as “the City”) and Clallam County (herein after referred to as “the County”) for the purpose of volunteer recruitment, training and coordination for water quality monitoring, and associated data storage and reporting. Funding for this work is through the City of Port Angeles.

WHEREAS, the Inter-Local Cooperation Act, RCW 39.34, provides that any two public agencies of the state having separate authority to exercise a particular power may enter into an agreement for cooperative or joint exercise of that power; and

WHEREAS, the City is a municipal corporation of the State of Washington, and the County is a political subdivision of the State of Washington, and each party has the authority to contract for water quality monitoring services under Article XI § 11 of the Washington State Constitution; Chapter 17.10 RCW; Chapter 36.89 RCW; Chapter 85.15 RCW; and

WHEREAS, the City desires to monitor levels of bacteria, and other water quality parameters in the streams and harbor of Port Angeles, in a systematic and scientific manner; and

WHEREAS, the City would like to use the services of the County’s Streamkeepers program; and

WHEREAS, the County will benefit from the information gathered by the City’s monitoring of the above-mentioned water quality parameters in the County’s own water quality monitoring projects.

Therefore, it is mutually agreed that:

A. The County’s Responsibilities:

1. Project management: The County shall track work hours and budget of the County’s Streamkeepers program to ensure effective expenditure of funds and provide a breakdown of hours and activities on pay applications.
2. Recruit and train volunteers through the County’s Streamkeepers program to perform water-quality monitoring in the Port Angeles area.
3. Devise a sampling plan in conjunction with the City. Sample sites, parameters, and periodicity will be agreed upon by Streamkeepers and the City. Sites will have safe access. Where a sampling site is not accessible from a public road or other easement, the City will obtain the landowner’s permission for Streamkeepers’ staff and/or volunteers to access the site. Baseline sampling is expected to include monthly sampling for *Escherichia coli* (*E. coli*) bacteria in freshwater streams and *Enterococci* bacteria in marine waters. The sampling plan will depend upon funding and laboratory costs.

4. Sampling for benthic macroinvertebrates will occur in 2022 in approved locations central to each streams extent within the City limits for the following creeks: Peabody, Valley, Tumwater, & Ennis. Additional sampling events or locations must be approved by the City in advance and have funds available within the approved budget. Benthic Macroinvertebrate sampling is to occur on a 5-year interval. It is anticipated that these same sites will be sampled again in 2027 under the next ILA.
5. Conduct water quality monitoring (done by staff or volunteers), including collection of samples, in situ measurements, and installation and retrieval of continuous data loggers at designated sample sites using standard Streamkeepers protocols and quality-control measures.
6. Conduct quarterly stream flow monitoring at agreed-upon sites using standard Streamkeepers equipment, protocols, and quality-control measures. Flow monitoring data is to be included in the annual report to the City.
7. Submit samples to laboratories for analysis:
 - a. Bacterial and other water-quality samples to the County Environmental Health Lab or, when the County Environmental Health Lab is unable to perform the analysis, another state accredited lab as defined in RCW 43.21A.230 and WAC 173-50-040.
 - b. Benthic macroinvertebrate samples to professional taxonomy laboratories for identification and verification.
8. Record, confirm, and analyze all results, and report them to the City as soon as possible but no later than 30 days following collection via the standard reporting/recordkeeping formats as used by the County's Streamkeepers program. Along with providing the sampling results, produce and submit to the City each month a table of data for that month, and a brief written summary pointing out any anomalies or exceedances of State water quality standards that may warrant follow-up investigation by the City's Illicit Discharge Detection and Elimination (IDDE) response team.
9. Produce and submit to the City a yearly report compiling the collected data for the year and providing detailed graphical and statistical analysis and interpretation of results. In addition, where appropriate, annual data is to be overlain and compared against data collected during previous years. The report shall discuss trending, comparisons, anomalies, etc., and calculate and report statistical significance of results as appropriate.
10. Produce and submit to the City a comprehensive report on water quality trends in Port Angeles streams over the period 2001-2021. This comprehensive report is to be submitted to the City no later than December 31st, 2023.

B. The City's Responsibilities:

1. Provide direction as to overall sampling design, including sites, parameters, and periodicity.
2. In the instance a sampling site is not accessible from a public road or other easement, obtain landowner permission to access the site for sampling purposes.
3. Arrange with analytical laboratories for payment, as appropriate. Expected laboratory services include:

- a) Water samples for pollutant analysis. The 2022 lab fees at the Clallam County Environmental Health Laboratory are \$35.00 per sample for *E. coli* and \$40.00 per sample for *Enterococci* bacterial tests. Payment of lab fees will be based on current year sample rates as set by the Clallam County Environmental Health Laboratory. If other parameters, methods, or laboratories are used, fees will vary.
- b) Benthic macroinvertebrate samples for taxonomic analysis per the Benthic Index of Biological Integrity (B-IBI). Laboratory fees are estimated at \$430 per sample, however, rates are known to fluctuate and cannot be accurately determined in advance, but the City will use the same taxonomist(s) the County uses and will pay the same rate, including pro-rated costs for Quality Assurance laboratory analysis.
4. The City will pay for staff time and costs for the services described in "A." above at the staff billing rate set by the County, and the actual cost of incidental material. The staff billing rate will be the composite rate of the staff salary set by Clallam County. The County will invoice the City monthly, and the City will pay within 30 days. Funding Board Project Agreement

2d
8/14

Project Sponsor: Clallam County Community Development

Project Number: 16-1372R

Project Title: Lower Dungeness Floodplain Restoration

Approval Date: 6/5/2018

A. PARTIES OF THE AGREEMENT

This Funding Board Project Agreement (Agreement) is entered into between the State of Washington by and through the Salmon Recovery Funding Board (SRFB or funding board) and the Recreation and Conservation Office (RCO), P.O. Box 40917, Olympia, Washington 98504-0917 and Clallam County by and through the Clallam County Community Development (Sponsor, and primary Sponsor), 223 E 4th St Ste 5, Port Angeles, WA 98362, and shall be binding on the agents and all persons acting by or through the parties. The Sponsor's Data Universal Numbering System (DUNS) Number is 075739235.

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Per the Applicant Resolution/Authorizations submitted by all sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project, including but not limited to, full authority to: (1) sign an application to the funding board for grant assistance, (2) enter into this project agreement on behalf of the Sponsor(s) (including indemnification and waiver of sovereign immunity as provided therein), (3) enter any amendments thereto on behalf of the Sponsors, and (4) make any decisions and submissions required with respect to the project. Agreements and amendments must be signed by the Authorized Representative of all sponsors.

If a Sponsor wishes to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization, the Sponsor has the obligation to provide to RCO in writing a new Applicant Resolution/Authorization signed by its governing body. Unless a new Applicant Resolution/Authorization has been provided, RCO will be entitled to rely upon the fact that the current Authorized Representative/Agent has the authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (see Section 11. PROJECT REIMBURSEMENTS).

B. PURPOSE OF AGREEMENT

This Agreement sets out the terms and conditions by which a grant is made from the State Building Construction Account of the State of Washington. The grant is administered by the Recreation and Conservation Office (RCO) to the Sponsor for the project named above per the director's authority granted in RCW 79A.25.020.

C. DESCRIPTION OF PROJECT

This large-scale restoration project will restore approximately 112 acres of Lower Dungeness River floodplain by setting back the Army Corps of Engineers east bank levee (R.M. 1-2.7) in its new location. The goal is to reconnect the Dungeness River with its historic floodplain, improve habitat conditions and restore riverine processes and functions needed to support various salmon species included Dungeness Chinook.

Constructed by the Corps in 1963, the current levee constrains the river channel, resulting in increased channel confinement, bedload aggradation, instability, and water quality impacts that are a factor in the current local shellfish closures. Dikes on both sides of the Dungeness have disconnected the river from its floodplain and disrupted river processes which prohibits flood waters from dissipating and inhibits the river's natural ability to store excess sediment outside the channel. Levee setback and channel restoration in this reach provides floodplain and side channel habitat critically-needed by salmon for spawning, rearing and migration.

Riparian and instream habitat will also be restored. Priority species supported by these habitats are ESA-listed Puget Sound Chinook, Eastern Strait of Juan de Fuca Summer Chum, Coastal-Puget Sound Bull Trout, and Puget Sound Steelhead.

D. PERIOD OF PERFORMANCE

The period of performance begins on January 19, 2018 (project start date) and ends on June 30, 2021 (project end date). No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement or specifically provided for by WAC Title 420; or SRFB policies published in RCO manuals as of the effective date of this agreement.

The Sponsor must request extensions of the period of performance at least 60 days before the project end date.

The Sponsor has obligations beyond this period of performance as described in Section F: Long-Term Obligations.

E. STANDARD TERMS AND CONDITIONS INCORPORATED

The Standard Terms and Conditions of the Project Agreement are hereby incorporated by reference as part of this Agreement.

F. LONG-TERM OBLIGATIONS

For this restoration project, the sponsor's on-going obligations shall be for a minimum of ten (10) years, or more as specific in the Landowner Agreement, after the final payment and shall survive the completion/termination of this Project Agreement unless otherwise identified in the Agreement or as approved by the funding board.

G. PROJECT FUNDING

The total grant award provided by the funding board for this project shall not exceed \$3,000,000.00. The funding board shall not pay any amount beyond that approved for grant funding of the project and within the funding board's percentage as identified below. The Sponsor shall be responsible for all total project costs that exceed this amount. The minimum matching share provided by the Sponsor shall be as indicated below:

	Percentage	Dollar Amount	Source of Funding
SRFB - PSAR Large Capital Projects	85.71%	\$3,000,000.00	State
Project Sponsor	14.29%	\$500,000.00	
Total Project Cost	100.00%	\$3,500,000.00	

H. FEDERAL FUND INFORMATION

This Agreement is not a federal subaward. This Agreement is funded with a grant from the State of Washington.

I. RIGHTS AND OBLIGATIONS INTERPRETED IN LIGHT OF RELATED DOCUMENTS

All rights and obligations of the parties under this Agreement are further specified in and shall be interpreted in light of the Sponsor's application and the project summary and eligible scope activities under which the Agreement has been approved as well as documents produced in the course of administering the Agreement, including the eligible scope activities, the milestones report, progress reports, and the final report. Provided, to the extent that information contained in such documents is irreconcilably in conflict with this Agreement, it shall not be used to vary the terms of the Agreement, unless those terms are shown to be subject to an unintended error or omission. This "Agreement" as used here and elsewhere in this document, unless otherwise specifically stated, has the meaning set forth in the definitions of the Standard Terms and Conditions.

J. AMENDMENTS TO AGREEMENT

Except as provided herein, no amendment (including without limitation, deletions) of any of the terms or conditions of this Agreement will be effective unless provided in writing signed by all parties. Extensions of the period of performance and minor scope adjustments consented to in writing (including email) by the Sponsor need only be signed by RCO's director or designee, unless otherwise provided for in another agreement a Sponsor has with the RCO. This exception does not apply to a federal government Sponsor or a Sponsor that requests and enters into a formal amendment for extensions or minor scope adjustments.

It is the responsibility of a Sponsor to ensure that any person who signs an amendment on its behalf is duly authorized to do so, and such signature shall be binding on the Sponsor if the representative/agent signing has been authorized to do so by Applicant Resolution/Authorization provided to the RCO and such Applicant Resolution/Authorization has not been withdrawn by the governing body in a subsequent resolution.

Any amendment to this Agreement, unless otherwise expressly stated, shall be deemed to include all current federal, state, and local government laws and rules; and funding board policies applicable and active and published in RCO manuals or on the RCO Website in effect as of the effective date of the amendment, without limitation to the subject matter of the amendment. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone.

K. COMPLIANCE WITH APPLICABLE STATUTES, RULES, AND RCFB-SRFB POLICIES

This agreement is governed by, and the Sponsor shall comply with, all applicable state and federal laws and regulations, including any applicable RCFB and/or SRFB policies published in RCO manuals or on the RCO Website as exist on the effective date of this Agreement and any amendments to this Agreement. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone.

All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

SECTION 3. ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written consent of the RCO.

SECTION 4. RESPONSIBILITY FOR PROJECT

While the funding board undertakes to assist the Sponsor with the project by providing a grant pursuant to this Agreement, the project itself remains the sole responsibility of the Sponsor. The funding board undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement. The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project is Sponsored by more than one entity, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO has no responsibility for reviewing, approving, overseeing or supervising design or construction of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO will act only to confirm at a general, lay, and nontechnical level, solely for the purpose of compliance and payment and not for safety or suitability, that the project has apparently been completed as per the Agreement.

SECTION 5. INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or the negligence of the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

This provision shall be included in any agreement between Sponsor and any contractors, subcontractor and vendor, of any tier.

Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

SECTION 6. INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the funding board or RCO. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of RCO, a funding board or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06 or Section 30B.

 3. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.
 4. Adequate maintenance procedures must be developed to keep the property in good condition.
 5. If the non-Federal entity is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

D. Requirements for RTP Subawards.

1. The subrecipient (Sponsor) shall follow such policies and procedures prescribed by and allowed by the State, as well as federal law and federal rules issued by the Federal Highways Administration and 2 CFR 200.

SECTION 18. RIGHT OF INSPECTION

The Sponsor shall provide right of access to the project to RCO, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, long-term obligations, compliance, and/or quality assurance under this Agreement.

If a landowner agreement or other form of control and tenure as described in Section 23.C: Control and Tenure has been executed, it will further stipulate and define the funding board and RCO's right to inspect and access lands acquired or developed with funding board assistance.

SECTION 19. STEWARDSHIP AND MONITORING

Sponsor agrees to perform monitoring and stewardship functions as stated in funding board policy, this Agreement, or as otherwise directed by RCO consistent with existing policies. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the funding board.

SECTION 20. PREFERENCES FOR RESIDENTS

Sponsors shall not express a preference for users of grant assisted projects on the basis of residence (including preferential reservation, membership, and/or permit systems) except that reasonable differences in admission and other fees may be maintained on the basis of residence. Fees for nonresidents must not exceed twice the fee imposed on residents. Where there is no fee for residents but a fee is charged to nonresidents, the nonresident fee shall not exceed the amount that would be imposed on residents at comparable state or local public facilities.

SECTION 21. ACKNOWLEDGMENT AND SIGNS

- A. Publications.** The Sponsor shall include language which acknowledges the funding contribution of the applicable grant program to this project in any release or other publication developed or modified for, or referring to, the project during the project period and in the future.
- B. Signs.**

 1. The fund source;
 2. The percentage of the total costs of the project that is financed with federal money;

3. The dollar amount of federal funds for the project; and
4. The percentage and dollar amount of the total costs of the project that is financed by nongovernmental sources.

SECTION 22. PROVISIONS FOR BOATING PROJECT GRANTS

If requested by RCO, or required per state or federal law or rule with respect to any project or project element that supports recreational boating, Sponsor shall manage the project or project element per federal rules to include 2 C.F.R. Part 200, and place a United States Coast Guard (or other federal agency) logo and funding program information at the project site.

SECTION 23. PROVISIONS APPLYING TO DEVELOPMENT, MAINTENANCE, RENOVATION, AND RESTORATION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is for construction of land or facilities in a development, maintenance, renovation or restoration project:

- A. **Operations and Maintenance.** Properties, structures, and facilities developed, maintained, or operated with the assistance of money granted by the board and within the project area shall be built, operated, and maintained according to applicable regulations, laws, building codes, and health and public safety standards to assure a reasonably safe condition and to prevent premature deterioration (WAC 286.13.130). It is the Sponsor's sole responsibility to ensure the same are operated and maintained in a safe and operable condition. The RCO does not conduct safety inspections or employ or train staff for that purpose.
- B. **Document Review and Approval.** Prior to commencing construction or finalizing the design, the Sponsor agrees to submit one copy of all construction and restoration plans and specifications to RCO for review solely for compliance with the scope of work to be identified in the Agreement. RCO does not review for, and disclaims any responsibility to review for safety, suitability, engineering, compliance with code, or any matters other than the scope so identified. Although RCO staff may provide tentative guidance to a Sponsor on matters related to site accessibility by persons with a disability, it is the Sponsor's responsibility to confirm that all legal requirements for accessibility are met even if the RCO guidance would not meet such requirements.
 1. Change orders that impact the amount of funding or changes to the scope of the project as described to and approved by the funding board or RCO must receive prior written approval of the board or RCO.
- C. **Control and Tenure.** The Sponsor must provide documentation that shows appropriate tenure (such as landowner agreement, long-term lease, easement, or fee simple ownership) for the land proposed for construction. The documentation must meet current RCO requirements identified in the appropriate grant program policy manual as of the effective date of this Agreement and determines the long-term compliance period unless otherwise approved by the board.
- D. **Nondiscrimination.** Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project:

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."

- E. **Use of Best Management Practices.** Sponsors are encouraged to use best management practices including those developed as part of the Washington State Aquatic Habitat Guidelines (AHG) Program. AHG documents include "Integrated Streambank Protection Guidelines", 2002; "Land Use Planning for Salmon, Steelhead and Trout: A land use planner's guide to salmonid habitat protection and recovery", 2009; "Protecting Nearshore Habitat and Functions in Puget Sound", 2010; "Stream Habitat Restoration Guidelines", 2012; "Water Crossing Design Guidelines", 2013; and "Marine Shoreline Design Guidelines", 2014. These documents, along with new and updated guidance documents, and other information are available on the AHG Web site. Sponsors are also encouraged to use best management practices developed by the Washington Invasive Species Council (WISC) described in "Reducing Accidental Introductions of Invasive Species" which is available on the WISC Web site.

SECTION 24. PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force only if the project described in this Agreement is an acquisition project (including projects with any acquisition component):

- A. **Evidence of Land Value.** Before disbursement of funds by RCO as provided under this Agreement, the Sponsor agrees to supply documentation acceptable to RCO that the cost of the property rights acquired has been established according to funding board policy.
- B. **Evidence of Title.** The Sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.
- C. **Legal Description of Real Property Rights Acquired.** The legal description of the real property rights purchased with funding assistance provided through this Agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be delivered to RCO before final payment.
- D. **Conveyance of Rights to the State of Washington.** When real property rights (both fee simple and lesser interests) are acquired, the Sponsor agrees to execute an appropriate document conveying certain rights and responsibilities to RCO, on behalf of the State of Washington. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The Sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the funding board project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.
1. **Deed of Right.** The Deed of Right conveys to the people of the state of Washington the right to preserve, protect, access, and/or use the property for public purposes consistent with the funding source and project agreement. See WAC 286 or 420. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the Sponsor has acquired a perpetual easement for public purposes.
 2. **Assignment of Rights.** The Assignment of Rights document transfers certain rights to RCO and the state such as public access, access for compliance, and enforcement. Sponsors shall use this document when an easement or lease is being acquired under this Agreement. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.
 3. **Easements and Leases.** The Sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; Sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.

E. Real Property Acquisition and Relocation Assistance.

1. **Federal Acquisition Policies.** When federal funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 84 Stat. 1894 (1970)--Public Law 91-646, as amended, and applicable regulations and procedures of the federal agency implementing that Act.
2. **State Acquisition Policies.** When state funds are part of this Agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policy of the State of Washington, Chapter 8.26 RCW, and Chapter 468-100 WAC.
3. **Housing and Relocation.** In the event that housing and relocation costs, as required by federal law set out in subsection (1) above and/or state law set out in subsection (2) above, are involved in the execution of this project, the Sponsor agrees to provide any housing and relocation assistance required.

F. Buildings and Structures. In general, grant funds are to be used for outdoor recreation, conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsor must consult with RCO regarding treatment of such structures and compliance with Section 8.D Archeological and Cultural Resources.

G. Hazardous Substances.

1. **Certification.** The Sponsor shall inspect, investigate, and conduct an environmental audit of the proposed acquisition site for the presence of hazardous substances, as defined in RCW 70.105D.020(13), and certify:
 - a. No hazardous substances were found on the site, or
 - b. Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."
2. **Responsibility.** Nothing in this provision alters the Sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.
3. **Hold Harmless.** The Sponsor will defend, protect and hold harmless the State and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the Sponsor is acquiring, except to the extent, if any, that the State, its officers and agents caused or contributed to the release. The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

H. Requirements for Federal Subawards. The non-federal entity (Sponsor) must submit reports at least annually on the status of real property in which the federal government retains an interest, unless the federal interest in the real property extends 15 years or longer. In those instances where the federal interest attached is for a period of 15 years or more, the federal awarding agency or the pass-through entity (RCO), at its option, may require the Sponsor to report at various multi-year frequencies (e.g., every two years or every three years, not to exceed a five-year reporting period; or a federal awarding agency or RCO may require annual reporting for the first three years of a federal award and thereafter require reporting every five years) (2 C.F.R. § 200.329 (2013)).

SECTION 25. LONG-TERM OBLIGATIONS OF THE PROJECTS AND SPONSORS

- A. **Long-Term Obligations of RCFB Projects.** Sponsor shall comply with WAC 286-13-160, 170, and 180.
- B. **Long-Term Obligations of SRFB Projects.** Sponsor shall comply with WAC 420.
- C. **Perpetuity.** For acquisition, development, and restoration projects, or a combination thereof, unless otherwise allowed by policy, program rules, or this Agreement, or approved in writing by RCO or the funding board, RCO requires that the project area continue to function as intended after the period of performance in perpetuity.
- D. **Conversion.** The Sponsor shall not at any time convert any real property (including any interest therein) or facility acquired, developed, renovated, and/or restored pursuant to this Agreement, unless provided for in applicable statutes, rules, and policies. Conversion includes, but is not limited to, putting such property to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. Also see WAC Title 286 or 420 and applicable policies. All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policy or unless a transfer or change in use is approved by the funding board through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and/or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon this Agreement, applicable law and RCFB/SRFB policies.

For acquisition projects that are expressly term limited in the Agreement, such as one involving a lease or a term-limited restoration, renovation or development project or easement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided in this Agreement, by funding board policy, other RCO approved written documents, or required by applicable state or federal law.

When a conversion has been determined to have occurred, the Sponsor is required to remedy the conversion per established funding board policies, and the board or RCO may pursue such remedies as are allowed by law and board policies, and/or this Agreement.

SECTION 26. CONSTRUCTION, OPERATION, USE AND MAINTENANCE OF ASSISTED PROJECTS

The following provisions shall be in force only if the project described in this Agreement is an acquisition, development, maintenance, renovation, or restoration project:

 - 1. According to applicable federal, state, and local laws and regulations, including public health standards and building codes;
 - 2. In a reasonably safe condition for the project's intended use;
 - 3. Throughout its estimated useful service life so as to prevent undue deterioration;
 - 4. In compliance with all federal and state nondiscrimination laws, regulations and policies.
- B. **Open to the public.** Unless otherwise specifically provided for in the Agreement of funding board policies, and in compliance with applicable statutes, rules, and funding board policies, facilities must be open and accessible to the general public, and must:

Be constructed, maintained, and operated to meet or exceed the minimum requirements of the most current guidelines or rules, local or state codes, Uniform Federal Accessibility Standards, guidelines, or rules, including but not limited to: the International Building Code, the Americans with Disabilities Act, and the Architectural Barriers Act, as amended and updated.
2. Appear attractive and inviting to the public except for brief installation, construction, or maintenance periods.
3. Be available for appropriate use by the general public at reasonable hours and times of the year, according to the type of area or facility, unless otherwise stated in RCO manuals, by a decision of the board, or by RCO in writing. Sponsor shall notify the public of the availability for use by posting and updating that information on its website and by maintaining at entrances and/or other locations openly visible signs with such information.

SECTION 27. RECORDED NOTICE OF GRANT

At the request of RCO, Sponsor shall record a notice of grant on the property and shall submit to the RCO a recorded and registry stamped copy of such notice. The purpose of the notice of grant is to ensure that the present and future use of the facility is and shall remain subject to the terms and conditions described in this Agreement. The notice of grant shall be in a format specified by RCO.

SECTION 28. PROVISIONS RELATED TO CORPORATE (INCLUDING NONPROFIT) SPONSORS

A corporate Sponsor, including any nonprofit Sponsor, shall:

- A. Maintain corporate status with the state, including registering with the Washington Secretary of State's office, throughout the Sponsor's obligation to the project as identified in the Agreement.
- B. Notify RCO before corporate dissolution at any time during the period of performance or long-term obligations. Within 30 days of dissolution the Sponsor shall name a qualified successor that will agree in writing to assume any on-going project responsibilities, and transfer all property and assets to the successor. A qualified successor is any party eligible to apply for funds in the subject grant program and capable of complying with the terms and conditions of this Agreement. RCO will process an amendment transferring the Sponsor's obligation to the qualified successor if requirements are met.
- C. Maintain sites or facilities open to the public and may not limit access to members.

SECTION 29. PROVISIONS FOR FEDERAL SUBAWARDS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded with a federal subaward as identified in Section H: FEDERAL FUND Information:

- A. **Sub-Recipient (Sponsor)** must comply with the cost principles of 2 C.F.R. Part 200 Subpart E (2013). Unless otherwise indicated, the cost principles apply to the use of funds provided under this Agreement to include match and any in-kind matching donations. The applicability of the cost principles depends on the type of organization incurring the costs.
- B. **Binding Official.** Per 2 CFR 200.415, Sponsor certifies through its actions or those of authorized staff, at the time of a request for reimbursement, the following: "To the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4(b), in accordance with Executive Order 11246, Equal Employment Opportunity (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, Amending Executive Order 11246 Relating to Equal Employment Opportunity, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II, paragraph C.

1. **Federally Assisted Construction Contract.** The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.
2. **Construction Work.** The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity (Sponsor) must report all suspected or reported violations to the federal awarding agency identified in Section H: Federal Fund Information.

The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U. S. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- F. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of "funding agreement" under 37 C.F.R § 401.2(a) and the recipient or subrecipient (Sponsor) wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient (Sponsor) must comply with the requirements of 37 C.F.R Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency identified in Section H: Federal Fund Information and the Regional Office of the Environmental Protection Agency (EPA).
- H. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** By signing this Agreement, the Sponsor certifies (per the certification requirements of 31 U.S.C.) that none of the funds that the Sponsor has (directly or indirectly) received or will receive for this project from the United States or any agency thereof, have been used or shall be used to engage in the lobbying of the Federal Government or in litigation against the United States. Such lobbying includes any influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this project. Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- J. **Required Insurance.** The non-federal entity (Sponsor) must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with federal funds as provided to property owned by the non-federal entity. Federally-owned property need not be insured unless required by the terms and conditions of the Federal award (2 C.F.R § 200.310 (2013)).
- K. **Debarment and Suspension (Executive Orders 12549 and 12689).** The Sponsor must not award a contract to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the Office of Management and Budget (OMB) guidelines at 2 C.F.R § 180 that implement Executive Orders 12549 (3 C.F.R part 1986 Comp., p. 189) and 12689 (3 C.F.R part 1989 Comp., p. 235), "Debarment and Suspension." No one may use any part of the logo in any other manner unless the United States Fish and Wildlife Service's Assistant Director for Wildlife and Sport Fish Restoration or Regional Director approves in writing.

SECTION 31. PROVISIONS FOR FIREARMS AND ARCHERY RANGE RECREATION PROJECTS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded from the Firearms and Archery Range Recreation Account.

- A. **Liability Insurance.** The Sponsor of a firearms or archery range recreation project shall procure an endorsement, or other addition, to liability insurance it carries, or shall procure a new policy of liability insurance, in a total coverage amount the Sponsor deems adequate to ensure it will have resources to pay successful claims of people who may be killed or injured, or suffer damage to property, while present at the range facility to which this grant is related, or by reason of being in the vicinity of that facility; provided that the coverage shall be at least one million dollars (\$1,000,000) for the death of, or injury to, each person.

- E. **Government Agencies.** The requirement of Subsection A through D above shall not apply if the Sponsor is a federal, state, or municipal government which has established a program of self-insurance or a policy of self-insurance with respect to claims arising from its facilities or activities generally, including such facilities as firearms or archery ranges, when the applicant declares and describes that program or policy as a part of its application to the funding board.
- F. **Sole Duty of the Sponsor.** By this requirement, the funding board and RCO does not assume any duty to any individual person with respect to death, injury, or damage to property which that person may suffer while present at, or in the vicinity of, the facility to which this grant relates. Any such person, or any other person making claims based on such death, injury, or damage, must look to the Sponsor, or others, for any and all remedies that may be available by law.

SECTION 32. PROVISIONS FOR LAND AND WATER CONSERVATION FUND PROJECTS ONLY

If the project has been approved by the National Park Service, US Department of the Interior, for funding assistance from the federal Land and Water Conservation Fund (LWCF), the "LWCF Grant Agreement General Provisions" are made part of this Agreement and incorporated herein. The Sponsor shall abide by these LWCF General Provisions, in addition to this Agreement, as they now exist or are hereafter amended. Further, the Sponsor agrees to provide RCO with reports or documents needed to meet the requirements of the LWCF General Provisions.

The following sections will not apply to Farmland and Forestland Preservation Projects if covered separately in a recorded RCO approved Agricultural Conservation Easement, or Forest Conservation Easement (or other method):

- A. Section 15 - Income and Income Use;
- B. Section 19 - Stewardship and Monitoring;
- C. Section 21 - Acknowledgement and Signs;
- D. Section 24 -- Provisions Applying To Acquisition Projects, Sub-sections D, F, and G;
- E. Section 25C -Perpetuity; and

SECTION 34. PROVISIONS FOR SALMON RECOVERY FUNDING BOARD PROJECTS ONLY

For habitat restoration projects funded in part or whole with federal funds administered by the SRFB the Sponsor shall not commence with clearing of riparian trees or in-water work unless either the Sponsor has complied with 50 C.F.R. § 223.203 (b)(8) (2000), limit 8 or until an Endangered Species Act consultation is finalized in writing by the National Oceanic and Atmospheric Administration. Violation of this requirement may be grounds for terminating this Agreement. This section shall not be the basis for any enforcement responsibility by RCO.

SECTION 35. PROVISIONS FOR PUGET SOUND ACQUISITION AND RESTORATION PROJECTS ONLY

The following provisions shall be in force only if the project described in this Agreement is funded in part or wholly from the Puget Sound Acquisition and Restoration program.

The Sponsor agrees to the following terms and conditions:

- A. Cost Principles/Indirect Costs For State Agencies.** GRANT RECIPIENT agrees to comply with the cost principles of 2 CFR 200 Subpart E as appropriate to the award. In addition to the US Environmental Protection Agency's General Terms and Conditions "Indirect Cost Rate Agreements," if the recipient does not have a previously established indirect cost rate, it agrees to prepare and submit its indirect cost rate proposal in accordance with 2 CFR 200 Appendix VII.
- B. Credit and Acknowledgement.** In addition to Section 21: Acknowledgement and Signs, materials produced must display both the Environmental Protection Agency (EPA) and Puget Sound Partnership (PSP) logos and the following credit line: "This project has been funded wholly or in part by the United States Environmental Protection Agency. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use." This requirement is for the life of the product, whether during or after the Agreement period of performance.
- C. Hotel Motel Fire Safety Act.** Sponsor agrees to ensure that all conference, meeting, convention, or training space funded in whole or part with federal funds, complies with the federal Hotel and Motel Fire Safety Act (PL 101-391, as amended). Sponsors may search the Hotel-Motel National Master List @ <http://www.usfa.dhs.gov/applications/hotel> to see if a property is in compliance or to find other information about the Act.
- D. Drug Free Workplace Certification.** Sub-recipient (Sponsor) shall make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in 2 C.F.R. Part 1536 Subpart B. Additionally, in accordance with these regulations, the recipient organization shall identify all known workplaces under its federal awards, and keep this information on file during the performance of the award. Sponsors who are individuals must comply with the drug-free provisions set forth in 2 C.F.R. Part 1536 Subpart C. The consequences for violating this condition are detailed under 2 C.F.R. Part 1536 Subpart E.
- E. Management Fees.** Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to the expenses added to direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities or for other similar costs that are not allowable. Management fees or similar charges may not be used to improve or expand the project funded under this Agreement, except for the extent authorized as a direct cost of carrying out the scope of work.
- F. Trafficking in Persons and Trafficking Victim Protection Act of 2000 (TVPA).** This provision applies only to a sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor), if any. Sub-recipient (Sponsor) shall include the following statement in all sub-awards made to any private entity under this Agreement.

"You as the sub-recipient, your employees, sub-awardees under this award, and sub-awardees' employees may not engage in severe forms of trafficking in persons during the period of time that the award is in effect; procure a commercial sex act during the period of time that the award is in effect; or use forced labor in the performance of the award or sub-awards under this Award."

The sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor) must inform RCO immediately of any information you receive from any source alleging a violation of this prohibition during the award term.

The federal agency funding this Agreement may unilaterally terminate, without penalty, the funding award if this prohibition is violated, Section 106 of the Trafficking Victims Protection Act of 2000, as amended.

- G. Lobbying.** The chief executive officer of this recipient agency (Sponsor) shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States, unless authorized under existing law. The recipient (Sponsor) shall abide by its respective Cost Principles (OMB Circulars A-21, A-87, and A-122), which generally prohibits the use of federal grant funds for litigation against the United States, or for lobbying or other political activities.

The Sponsor agrees to comply with 40 C.F.R. Part 34, New Restrictions on Lobbying. Sponsor shall include the language of this provision in award documents for all sub-awards exceeding \$100,000, and require that sub-awardees submit certification and disclosure forms accordingly.

In accordance with the Byrd Anti-Lobbying Amendment, any Sponsor who makes a prohibited expenditure under 40 C.F.R. Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each expenditure.

All contracts awarded by Sponsor shall contain, when applicable, the anti-lobbying provisions as stipulated in the Appendix at 40 C.F.R. Part 30.

Pursuant to Section 18 of the Lobbying Disclosure Act, Sponsor affirms that it is not a non-profit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986; or that it is a non-profit organization described in Section 501(c)(4) of the code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act.

- H. Reimbursement Limitation.** If the Sponsor expends more than the amount of RCO funding in this Agreement in anticipation of receiving additional funds from the RCO, it does so at its own risk. RCO is not legally obligated to reimburse the Sponsor for costs incurred in excess of the RCO approved budget.
- I. Disadvantaged Business Enterprise Requirements.** The Sponsor agrees to comply with the requirements of EPA's Utilization of Small, Minority and Women's Business Enterprises in procurements made under this award.
- J. Minority and Women's Business Participation.** Sponsor agrees to solicit and recruit, to the maximum extent possible, certified minority owned (MBE) and women owned (WBE) businesses in purchases and contracts initiated after the effective date of this Agreement.

These goals are expressed as a percentage of the total dollars available for purchase or agreement and are as follows:

Purchased Goods 8% MBE 4% WBE

Purchased Services 10% MBE 4% WBE

Professional Services 10% MBE 4% WBE

Meeting these goals is voluntary and no agreement award or rejection shall be made based on achievement or non-achievement of the goals. Achievement of the goals is encouraged, however, and Sponsor and ALL prospective bidders or people submitting qualifications shall take the following affirmative steps in any procurement initiated after the effective date of this Agreement:

1. Include qualified minority and women's businesses on solicitation lists.
2. Assure that qualified minority and women's business are solicited whenever they are potential sources of services or supplies.

3. Divide the total requirements, when economically feasible, into smaller tasks or quantities, to permit maximum participation by qualified minority and women's businesses.
4. Establish delivery schedules, where work requirements permit, which will encourage participation of qualified minority and women's businesses.
5. Use the services and assistance of the State Office of Minority and Women's Business Enterprises (OMWBE) and the Office of Minority Business Enterprises of the U.S. Department of Commerce, as appropriate.

K. MBE/WBE Reporting. In accordance with the deviation from 40 C.F.R. §33.502, signed November 8, 2013, DBE reporting is limited to annual reports and only required for assistance agreements where one or more the following conditions are met:

1. There are any funds budgeted in the contractual/services, equipment or construction lines of the award;
2. \$3,000 or more is included for supplies; or
3. There are funds budgeted for subawards or loans in which the expected budget(s) meet the conditions as
4. Described in items (a) and (b).

When completing the form, recipients (Sponsors) should disregard the quarterly and semi-annual boxes in the reporting period Section 1B of the form. For annual submissions, the reports are due by October 30th of each year or 90 days after the end of the project period, whichever comes first.

The reporting requirement is based on planned procurements. Recipients (Sponsors) with funds budgeted for non-supply procurement and/or \$3,000 or more in supplies are required to report annually whether the planned procurements take place during the reporting period or not. If no procurements take place during the reporting period, the recipient should check the box in Section 5B when completing the form.

MBE/WBE reports should be sent to the DBE Coordinator in the Sponsor's region. Contact information can be found at <http://www.epa.gov/osbp/contactpage.htm>. The coordinators also can answer any questions.

Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. To be in compliance with regulations, the Sponsor must submit a final MBE/WBE report. Non-compliance may impact future competitive grant proposals. The current EPA Form 5700-52A can be found at the EPA Office of Small Business Program's Home Page at http://www.epa.gov/osbp/dbe_reporting.htm.

L. Procurement involving an EPA Financial Assistance Agreement. Pursuant to 40 C.F.R. § 33.301, the Sponsor agrees to make the following six good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to require that sub-recipients (Sponsors), and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

1. Ensure Disadvantaged Business Enterprise (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government Sponsors, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.

2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government Sponsors, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when an agreement is too large for one of these firms to handle individually.
5. Use the services and assistance of the Small Business Administration (SBA) and the Minority Business Development of the Department of Commerce.
6. If the Sponsor awards subcontracts, require the Sponsor to take the steps in paragraphs (a) through (e) of this section.

M. Lobbying & Litigation. By signing this Agreement, the Sponsor certifies that none of the funds received from this Agreement shall be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

The chief executive officer of this Sponsor agency shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. The Sponsor shall abide by its respective Attachment in 2 C.F.R. Part 200, which prohibits the use of federal grant funds for litigation against the United States or for lobbying or other political activities.

For subawards exceeding \$100,000, EPA requires the following certification and disclosure forms:

1. Certification Regarding Lobbying, EPA Form 6600-06:
http://www.epa.gov/ogd/AppKit/form/Lobbying_sec.pdf
2. Disclosure of Lobbying Activities, SF LLL: http://www.epa.gov/ogd/AppKit/form/sfillin_sec.pdf
3. Legal expenses required in the administration of Federal programs are allowable. Legal expenses for prosecution of claims against the Federal Government are unallowable.

N. Payment to Consultants. EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by recipients (Sponsors) or by a recipients' (Sponsor's) contractors or subcontractors shall be limited to the maximum daily rate for Level IV of the Executive Schedule (formerly GS-18), to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed (the recipient will pay these in accordance with his/her normal travel reimbursement practices).

Subagreements with firms for services that are awarded using the procurement requirements in 40 C.F.R. Parts 30 or 31, are not affected by this limitation unless the terms of the contract provide the recipient (Sponsor) with responsibility for the selection, direction and control of the individual who will be providing services under the contract at an hourly or daily rate of compensation. See 40 C.F.R. § 30.27(b) or 40 C.F.R. § 31.369(j), as applicable, for additional information.

As of January 1, 2014, the limit is \$602.24 per day \$75.28 per hour.

- O. **Peer Review.** Where appropriate, prior to finalizing any significant technical products the Principal Investigator (PI) of this project must solicit advice, review, and feedback from a technical review or advisory group consisting of relevant subject matter specialists. A record of comments and a brief description of how respective comments are addressed by the PI will be provided to the Project Monitor prior to releasing any final reports or products resulting from the funded study.
- P. **International Travel (Including Canada).** All International Travel must be approved by the US Environmental Protection Agency's Office of International and Tribal Affairs (OITA) BEFORE travel occurs. Even a brief trip to a foreign country, for example to attend a conference, requires OITA approval. Please contact your Partnership Project manager as soon as possible if travel is planned out of the country, including Canada and/or Mexico, so that they can submit a request to the EPA Project Officer if they approve of such travel.
- Q. **Unliquidated Obligations (ULO).** Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

SECTION 36. ORDER OF PRECEDENCE

This Agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the Agreement shall be construed to conform to those laws. In the event of a direct and irreconcilable conflict between the terms of this Agreement and any applicable statute, rule, or policy or procedure, the conflict shall be resolved by giving precedence in the following order:

1. Federal law and binding executive orders;
2. Code of federal regulations;
3. Terms and conditions of a grant award to the state from the federal government;
4. Federal grant program policies and procedures adopted by a federal agency that are required to be applied by federal law;
5. State law (constitution, statute);
6. Washington Administrative Code;
7. Funding board or RCO policies.

SECTION 37. LIMITATION OF AUTHORITY

Only RCO's Director or RCO's delegate by writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

SECTION 38. WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

SECTION 39. APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH

The funding board and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SECTION 40. SPECIFIC PERFORMANCE

The funding board and RCO may enforce this Agreement by the remedy of specific performance, which usually will mean completion of the project as described in this Agreement and/or enforcement of long-term obligations. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the funding board or RCO shall be deemed exclusive. The funding board or RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

SECTION 41. TERMINATION AND SUSPENSION

The funding board and RCO will require strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules and all funding board and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by the funding board. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

1. The funding board or the director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a. If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b. If the Sponsor fails to make progress satisfactory to the funding board or director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c. If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
2. Prior to termination, the RCO or the funding board shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director or board approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
3. RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

1. The Sponsor was not in default; or
2. Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights of Remedies of the RCO.

1. The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
2. In the event this Agreement is terminated by the funding board or director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the funding board or director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

1. **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

SECTION 42. DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the funding board, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the third person shall be chosen by the funding board's chair.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the decision of the disputes panel, unless the remedy directed by that panel shall be without the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

SECTION 43. ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

SECTION 44. GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington . In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.

SECTION 45. PROVISIONS APPLICABLE ONLY IF FEDERALLY RECOGNIZED INDIAN TRIBE IS THE SPONSOR

In the cases where this Agreement is between the funding board (which includes the State of Washington for purposes of this Agreement) and a federally recognized Indian Tribe, the following terms and conditions apply, but only between those parties:

- A. Notwithstanding the above venue provision, if the State of Washington intends to initiate legal action against a federally recognized Indian tribe relating to the performance, breach, or enforcement of this Agreement, it shall so notify the Tribe. If the Tribe believes that a good faith basis exists for subject matter jurisdiction of such an action in federal court, the Tribe shall so notify the State within five days of receipt of such notice and state the basis for such jurisdiction. If the Tribe so notifies the State, the State shall bring such action in federal court, otherwise the State may sue the Tribe in the Thurston County Superior Court, or such other superior court where venue is proper, if not proper in Thurston County. Interpretation of the Agreement shall be according to applicable State law, except to the extent preempted by federal law. In the event suit is brought in federal court and the federal court determines that it lacks subject matter jurisdiction to resolve the dispute between the State and Tribal Party, then the State may bring suit in Thurston County Superior Court or such other superior court where venue is proper, if not proper in Thurston County.
- B. Any judicial award, determination, order, decree or other relief, whether in law or equity or otherwise, resulting from such actions under subsection A above, shall be binding and enforceable on the parties. Any money judgment or award against a Tribe, tribal officers, or employees, or the State of Washington, its agencies, or its officers and employees may exceed the amount of funding awarded under this Agreement.
- C. As requested by RCO, the Tribe shall provide to RCO its governing requirements and procedures for entering into Agreement with RCO and waiving its sovereign immunity . In addition, the tribe shall provide to RCO all authorizations the Tribe requires to authorize the person (s) signing the Agreement on the Tribe's behalf to bind the Tribe and waive the Tribe's sovereign immunity as provided herein .

- D. The Tribe hereby waives its sovereign immunity for suit in federal and state court for the limited purposes of allowing the State to bring and prosecute to completion such actions relating to the performance, breach, or enforcement of this Agreement as provided in subsection A above, and to bring actions to enforce any judgment arising from such actions. This waiver is not for the benefit of any third party and shall not be enforceable by any third party or by any assignee of the parties. In any enforcement action, the parties shall bear their own enforcement costs, including attorneys' fees.

For purposes of this provision, the State includes the funding board, the RCO, and any other state agencies as the term "agency" is broadly understood to include, but not be limited to, departments, commissions, boards, divisions, bureaus, committees, offices, councils, societies, etc.

SECTION 46. SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

19. TERMINATION PROCEDURES

Upon termination of this contract, COMMERCE, in addition to any other rights provided in this contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Title to other property, the cost of which is reimbursable to the Contractor under this contract, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

 - Local law enforcement agencies for this purpose includes city, county, and tribal agencies.
 - Aggregated cash contributions from jurisdictions not large enough to fully dedicate individual officers, sufficient to support 90% of the full cost of a dedicated officer, may count as participation by local law enforcement agency for each officer so supported.

Budget

GENERAL:

The total budget awarded under this Agreement shall be the amount specified in Block 5 of this Agreement's Face Sheet.

The total Federal funds awarded under this Agreement shall be the amount specified in Block 9 of this Agreement's Face Sheet.

Allocation of funds between categories of expense shall be:

Budget	Total
Salaries	\$108,823.00
Benefits	\$36,010.00
Overtime	\$1,000.00
Goods and Services	\$66,652.00
Equipment	\$13,078.00
Indirect	\$1,000.00
Total	\$226,563.00

The Contractor may vary from the approved distribution of funds by shifting up to ten percent (10%) of the total awarded funds between categories of expense. Contractor must notify Commerce Contract Manager prior to submitting an invoice where funds are shifted. This authority to shift funds is limited by the following: grant funds may not be shifted into zero budgeted categories of expense except Benefits, and any shifts made may not constitute a significant change to the Scope of Work (Attachment A).

PERFORMANCE BASED INCENTIVES AND CONSEQUENCES:

1. Delay and Disallowance of Reimbursement Requests Due to Late Performance Reporting

Performance reports are due the 20th of the month following the reporting quarter. Past due performance reports will result in withholding of requested reimbursements until the reports are received. Should a report be received after the due date, but not in sufficient time for enclosure in the corresponding federal quarterly report, the report will be rejected and no payment will be authorized for the missed quarter. For the first three quarters of this award, missed data and the corresponding expenditures may be submitted during the following quarter. However, lack of timely submission of the fourth quarter's activity report will result in loss of all funds not previously reimbursed; and if disbursement of funds to reimburse expenditures incurred during the unreported quarter has been made, repayment shall be required.

2. Delay and Disallowance of Reimbursement Requests Due to Non-Compliance with Federal Pre-Requisites to Receive Funding

During any period in which the Contractor is non-compliant with essential federal pre-requisites to receive federal funds, all expenditures will be disallowed. Eligibility of expenditures for reimbursement will resume on the date that the Contractor is deemed to be fully compliant with the essential federal pre-requisites as specified below:

- UEI (Unique Entity ID) number is registered in the Central Contract Registry portion of Grants.Gov (www.grants.gov), and the registration is current.

Budget

- An Equal Employment Opportunity Plan The Contractor has been prepared and signed into effect within the last two years, and a copy has been forwarded to COMMERCE, and if appropriate to the Office of Civil Rights, U.S. Department of Justice.
- Center of Task Force Leadership and Integrity Training through the www.ctfli.org website has been completed by all personnel dedicated to the task force not later than 120 days of being dedicated to the task force, but in any case within two years of the effective date of this Agreement. Dedicated personnel includes personnel assigned as investigative personnel, acting in supervisory and/or executive management, administrative, analytical or prosecutorial support of the task force,
- Responsive to audit, monitoring or evaluation findings by the specified response date
- **Compliance with the Task Force Staffing and Participation Model:**

Reporting staffing and/or "local" agency participation below that specified by the Task Force Model on any Periodic Activity Report shall cause the maximum amount that may be reimbursed for that quarter to be reduced in accordance with the Task Force Model summarized below.

Compliance Level	% of Base Allocation	Dedicated Personnel		Participating 'Local' Agencies ^{*4,5}
Full Compliance	100%	4.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		3 Agencies
Low 'Local' Agency Participation	88%	4.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		2 Agencies
Low 'Local' Personnel Dedication	75%	3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		3 Agencies
Low in both 'Local' Agency Participation and 'Local' Personnel Dedication	63%	3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		2 Agencies
Too Low – Not Eligible for Funding	0%	Any level below: 3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}	or	1 Agency

^{*1} Staffing standard for commissioned law enforcement personnel is four 100% dedicated officers

^{*2} Staffing standard for Prosecutors/Deputy Prosecutors is one 100% dedicated prosecutor, or demonstration that no task force generated case is declined due to staffing – any staffing below this level is considered "Low Local Personnel Dedication"

^{*3} Staffing standard for task force administrative/support staff is one half-time individual – any staffing below this is considered "Low Local Personnel Dedication"

^{*4} Washington State Patrol may count as a 'Local' agency for those task forces considered as 'Rural' or 'Urban' in the "Counties Like Us" reporting grouping

Federal agency assigned personnel may count as 'Local' provided they report first to the task force's management structure and that they have standing authority to participate in any case selected for investigation by the task force.

^{*5} Aggregated cash contributions from jurisdictions not large enough to fully dedicate individual officers, but which are sufficient to support 90% of the full cost of a dedicated officer, may count as participation by a 'Local' Agency for each officer so supported

For this purpose the maximum amount which may be reimbursed for one quarter is one-fourth of the total award (as specified in Block 5 of this Agreement's Face Sheet) reduced in accordance with the above

Budget

table. The Non-compliance penalty is lost to the Contractor during the balance of this Agreement's duration.

In the event that the Contractor has already been reimbursed beyond the reimbursable amount authorized for the quarter as calculated above, the corresponding expenditure is disallowed. Any funds so disallowed may be applied against authorized expenditures of the next quarter, if the quarter for which the disallowance is made is not the last calendar quarter of this Agreement. Should any funds be disallowed for the last calendar quarter of this Agreement, disallowed funds must be returned to COMMERCE.

COMMERCE reserves the right to waive this reduction/disallowance in event the reported non-compliance is considered a brief and minor anomaly not materially affecting task force operations or safety. Such a waiver is at the sole discretion of COMMERCE.

INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

Clallam County Sheriff's Office

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and Clallam County Sheriff's Office, hereinafter referred to as "SUB-RECIPIENT."

In FFY2023, the Washington Traffic Safety Commission has delegated the management and oversight of this project to the Washington Association of Sheriffs and Police Chiefs (WASPC) by contractual agreement. WASPC will act as WTSC's agent in the management and oversight of this project. WTSC will establish agreements with all participating agencies before transferring responsibility to WASPC. WTSC reserves the right to contact participating agencies regarding any elements of this contract.

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the Parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listings Catalog of Federal Domestic Assistance (CFDA) number 20.600 for traffic safety grant project **2023-HVE-4683-Region 1 Target Zero Task Force**, specifically to provide funding for the law enforcement agencies in WTSC Region 1 to conduct straight time or overtime enforcement activities (traffic safety emphasis patrols) as outlined in the Statement of Work (SOW), in support of Target Zero priorities. The Target Zero Manager (TSM) and/or the Law Enforcement Liaison (LEL) shall coordinate the SOW with the SUB-RECIPIENT with the goal of reducing traffic crashes.

Grant **2023-HVE-4683-Region 1 Target Zero Task Force** was awarded to the **Region 1** to support collaborative efforts to conduct HVE activities. By signing this agreement, the SUB-RECIPIENT can seek reimbursement for straight time or overtime for approved law enforcement activity expenses incurred as a participant in the region's HVE grant.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both Parties, but not earlier than October 1, 2022, and remain in effect until September 30, 2023, unless terminated sooner, as provided herein.

3. SCOPE OF WORK

Problem and Opportunity Statement

The main causes of serious injury and fatality collisions on Washington's roadways are driver impairment through drug and/or alcohol use, and distracted driving. In addition, nearly one in every three fatal crashes between 2016 and 2020 involved speeding as a contributing factor. Despite an increased seat belt use rate in 2021, the number of unrestrained fatalities and serious injuries have increased to the highest number since before 2010. Since 2019, unrestrained fatalities have increased over 30 percent and serious injuries have increased 58 percent. Motorcyclists also represent a high number of injured and killed because of unsafe and poorly trained riders and the challenges vehicle drivers face in observing motorcycles on the road.

In 2020, Washington experienced a 40 percent reduction in proactive traffic safety enforcement across the state.

Region 1 (Clallam and Jefferson Counties) had 56 fatal vehicle crashes with 63 deaths over the last five years (2017-2021). The average number of annual incidents was 11.2, and the average number of annual deaths was 12.6. With a populace estimated in 2021 of approximately 78,000 residents, the death rate from collisions was approximately 1.6 per capita. Among these, impairment was the risk factor with the highest prevalence, followed by (on average) speed, unrestrained occupants, and then distraction. Specifically, the percentage of risk factor representation in fatal crashes, **averaged** over the last five years, was as follows (charts attached):

- Impaired driver = 50.8%
- Speed = 32.8%
- Unrestrained occupant = 29.8%
- Distraction = 19.5%

However, when viewed from year to year, the change in risk factor prevalence is significant. Impairment had a fairly steady rate of representation, but speed and unrestrained occupants had a 50% and 35% increase (respectively) between 2017 and 2019. Speed dropped and leveled off at two-thirds of incidents for 2020 and 2021, while unrestrained occupants held steady between 38% and 41% of incidents for 2020 and 2021 (respectively). Distraction had begun with representation in a quarter of fatal events in 2017, dropped to 0% amidst the low number of fatal events in 2019, and then climbed up to 33% in 2021. Thus the **2021 percentages** were:

- Impaired driver = 50%

- Unrestrained occupant = 41.7%
- Speed = 33%
- Distraction = 33.3%

While impairment is a high priority, the other factors following suit at a common pace with each other. Considering the patrol resources available, those who have ARIDE training, and those likely to participate in the variety of HVE opportunities, a nearly even distribution of funds is requested for impairment, seat belt, speed, and distracted driver mitigation.

Project Purpose and Strategy:

This project will fund High Visibility Enforcement (HVE) and Traffic Safety Enforcement Program (TSEP) patrols to prevent impaired driving, distracted driving, seat belt use, speeding, and motorcycle safety.

High Visibility Enforcement (HVE) and Traffic Safety Enforcement Program (TSEP) patrols are designed to create deterrence by increasing the expectation of a citation/fine/arrest. Officers may also remove high risk (impaired) drivers when encountered. So together, this countermeasure works by preventing dangerous driving behaviors and stopping those who still decide to engage in those behaviors.

Funding and events will be organized by local TZMs, LELs, and their local Target Zero Task Force. Task forces will use local data and professional judgement to determine enforcement priorities for their jurisdictions and will schedule and plan enforcement and outreach activities. Regional participation in the following National Campaigns is mandatory:

- Impaired driving enforcement during the Holiday DUI campaign (December 14, 2022 – January 1, 2023).
- Distracted driving enforcement during the Distracted Driving campaign (April 3 – 10, 2023).
- Seat belt enforcement during the Click It or Ticket campaign (May 15 – June 4, 2023).
- Impaired driving enforcement during the Summer DUI campaign (August 16 – September 4, 2023).

These patrols will also be coordinated with the Washington State Patrol (WSP). Target Zero Managers will establish or strengthen relationships with key WSP district personnel to improve interagency coordination with the WSP.

Goal

Prevent traffic crashes to reduce traffic related deaths and serious injuries through active, visible, consistent, and targeted traffic law enforcement. Law enforcement can have a profound effect on traffic safety and this project aims to increase participation to accomplish that.

Requirements for National Mobilizations and Traffic Safety Enforcement Program (TSEP)

1. HVE events will be data informed; based on crash data, anecdotal evidence, and the professional judgement of task force members. WTSC strongly believes in the expertise of local officers to understand the highest priority areas in their communities to focus their efforts.
2. The SUB-RECIPIENT will ensure that all officers participating in these patrols are BAC certified and have received and passed the SFST refresher training.
3. SUB-RECIPIENT will ensure all officers participating in Impaired Driving patrols have also received Advanced Roadside Impaired Driving Enforcement (ARIDE) training.
4. SUB-RECIPIENT shall ensure all participating personnel will use the WEMS system provided by the WTSC to record all activities in digital activity logs conducted by their commissioned officers pursuant to the HVE events. Participating officers will fill out all applicable fields of the digital activity log and use the comments field to provide details on an irregularities, challenges or other details that would help explain what was encountered during their shift. SUB-RECIPIENT will also ensure all supervisors and fiscal staff have the ability to review and edit those activity logs.
5. Activity conducted outside of the quarterly task force operational plans will not be reimbursed.

Project Intent and Best Practice

1. SUB-RECIPIENT is encouraged to help their Region Task Force fulfill the requirement to participate in the four mandatory National Campaigns. (Holiday DUI campaign in December 2022, Distracted Driving campaign in April 2023, Click It or Ticket campaign in May 2023, and Summer DUI campaign in August 2023).
NOTE: Agencies must participate in speed or impaired driving enforcement under this agreement to be eligible to receive funding under the WASPC equipment grant.
2. SUB-RECIPIENT is strongly encouraged to participate in their task force to plan and execute enforcement events.
3. Regional task force will be submitting quarterly operational plans and SUB-RECIPIENT is encouraged to participate to the fullest extent possible. Quarterly operational plans are due October 15, December 15, March 15, and June 15.
4. Participating officers should maximize their contacts during their patrols so that their activity contributes to the goals of the event.
5. SUB-RECIPIENT should promote patrol events through all earned, owned and, if funded, paid media that is available so that the public is made aware of the event before, during, and after the enforcement takes place. It is a best practice to translate messages as needed and invite local media involvement in the effort to reach communities in which HVE will occur.
6. SUB-RECIPIENT should strive to actively enforce traffic safety laws focused on collision causing behaviors in priority areas throughout the year outside of HVE events.

7. When participating in motorcycle patrols SUB-RECIPIENT should focus on the illegal and unsafe driving actions of all motor vehicles interacting with motorcycles. This includes speeding, failure to yield to a motorcycle, following too closely to a motorcycle, distracted driving, etc.
8. When participating in motorcycle patrols SUB-RECIPIENT should ensure that enforcement will focus on the illegal and unsafe driving actions of motorcycles that are known to cause serious and fatal crashes. This includes impaired driving, speeding, and following too closely.
9. Mentorship for Impaired driving:
The Task Force may engage a DUI mentorship program to train additional officers for DUI related activities. Best practice for DUI mentorship includes 16 hours of instructions to an officer wanting to engage further in DUI emphasis activities. Up to 16 hours of overtime or straight time will be approved to both mentor/mentees. The mentor should be a DRE when possible, or a highly effective DUI emphasis patrol officer with a minimum of ARIDE training. Mentor/mentee activities will be pre-approved by the TZM or LEL after the mentee submits their interest.

3.1. NATIONAL AND STATE-WIDE MOBILIZATIONS

Not all agencies are required to participate in all of these, however the region has committed to participate as a region in all of these.

Mobilization	Dates
Holiday DUI	December 15, 2022 – January 1, 2023
U Drive. U Text. U Pay.	April 3 – 10, 2023
Click It or Ticket	May 15 – June 4, 2023
It's a Fine Line (optional if funded)	July 7 – 23, 2023
DUI Drive Sober or Get Pulled Over	August 16 – September 4, 2023

3.2. COMPENSATION

3.2.1. Compensation for the straight time or overtime work provided in accordance with this Agreement has been established under the terms of RCW 39.34. The cost of accomplishing the work described in the SOW will not exceed dollar total from amounts listed below. Payment for satisfactory performance shall not exceed this amount unless the WTSC and SUB-RECIPIENT mutually agree to a higher amount in a written Amendment to this Agreement executed by both the WTSC and SUB-RECIPIENT. Comp-time is not considered overtime and will not be approved for payment. All law enforcement agencies who are active members of the Region's traffic safety task force with a fully executed grant agreement are eligible to participate in this grant.

3.2.2. WTSC will reimburse for personnel straight time or overtime expenses at 150 percent of the officer's normal salary rate plus SUB-RECIPIENT's contributions to employee benefits, limited to the following:

- 10. FICA
- 11. Medicare
- 12. Any portion of L & I that is paid by the employer (SUB-RECIPIENT)
- 13. Retirement contributions paid by the employer (SUB-RECIPIENT) can be included if the contribution is based on a percentage of their hours worked

Health insurance, or any other benefits not listed above, are not eligible for reimbursement.

The SUB-RECIPIENT will provide law enforcement officers with appropriate equipment (e.g., vehicles, radars, portable breath testers, etc.) to participate in the emphasis patrols.

3.2.3. Funding alterations are permitted as follows: Upon agreement by the regional TZM and all other parties impacted by a proposed budget alteration, the budget category amounts may be increased or decreased without amending this agreement, so long as the total grant award amount does not increase. HVE grant funds should be managed collaboratively by the SUB-RECIPIENT and the TZM.

These alterations must be requested through email communication between the regional TZM and assigned WTSC Program Manager. This communication shall include details of the requested budget modifications and a description of why these changes are needed. The TZM will also send an updated quarterly Operations Plan to the WASPC representative monitoring the project if the budget modification will result in changes to the previously submitted plan.

3.2.4. These funds, designated for salaries and benefits, are intended to pay for the hourly straight time or overtime costs and proportional amounts of fringe benefits of commissioned staff pursuing the activities described in the statement of work. These funds may not be used for any other purpose for example any work required to maintain a law enforcement commission including recertification trainings like firearm qualification.

3.2.5. Dispatch: WTSC will reimburse communications officers/dispatch personnel for work on this project providing SUB-RECIPIENT has received prior approval from their region's TZM. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.

3.2.6. Transport Officers: WTSC will reimburse transport officers for their work on this project providing SUB-RECIPIENT has received approval from their regions TZM. The TZM will work with the regional LEL to determine if need is warranted for the type of HVE activity. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.

3.2.7. The law enforcement agency involved will not schedule individual officer overtime shifts for longer than eight hours. WTSC understands there may be instances when more than eight hours are billed due to DUI processing or other reasons and an explanation should be provided on the WEMS Officer Activity Log.

3.2.8. The law enforcement agency involved will ensure that any reserve officer for whom reimbursement is claimed has exceeded his/her normal weekly working hours when participating in an emphasis patrol and is authorized to be paid at the amount requested. Reserve officers may only be paid at the normal hourly rate and not at the 150 percent overtime rate.

3.3. SUMMARY OF PROJECT COSTS

The WTSC has awarded **\$27,000** to the **Region 1 Traffic Safety Task Force** for the purpose of conducting coordinated overtime HVE activities. By signing this agreement, the SUB-RECIPIENT can seek reimbursement for approved straight time or overtime expenses incurred as a participant in this grant. All activity must be coordinated by the region's traffic safety task force and TZM to be eligible for reimbursement.

The funding (Section 402, CFDA 20.600) for **Region 1** is as follows:

The SUB-RECIPIENT shall provide the WTSC a copy of all third-party contracts and agreements entered into for purposes of fulfilling the SOW. Such third-party contracts and agreements must follow applicable federal, state, and local law, including but not limited to procurement law, rules, and procedures. If any of the funds provided under this Agreement include funds from NHTSA, such third-party contracts and agreements must include the federal provisions set forth in this Agreement in sections 34 through 42.

9. ATTORNEYS' FEES

In the event of litigation or other action brought to enforce the Agreement terms, each Party agrees to bear its own attorney fees and costs.

10. BILLING PROCEDURE

All invoices for reimbursement of HVE activities will be done using the WTSC's grant management system, WEMS. WEMS Officer Activity logs will be attached to invoices, directly linking the cost of the activity to the invoice. Because the activity, approval, and invoicing are all done within WEMS, no back up documentation is required in most cases.

Once submitted by the SUB-RECIPIENT, invoices are routed to the regional TZM for review and approval. The TZM will submit all approved invoices to the WTSC via WEMS within 10 days of receipt.

Payment to the SUB-RECIPIENT for approved and completed work will be made by warrant or account transfer by WTSC within 30 days of receipt of such properly documented invoices acceptable to WTSC. Upon expiration of the Agreement, any claim for payment not already made shall be submitted within 45 days after the expiration date of this Agreement. All invoices for goods received or services performed on or prior to June 30, 2023, **must be received by WTSC no later than August 10, 2023**. All invoices for goods received or services performed between July 1, 2023 and September 30, 2023, **must be received by WTSC no later than November 15, 2023**.

11. CONFIDENTIALITY/SAFEGUARDING OF INFORMATION

The SUB-RECIPIENT shall not use or disclose any information concerning the WTSC, or information which may be classified as confidential, for any purpose not directly connected with the administration of this Agreement, except with prior written consent of the WTSC, or as may be required by law.

12. COST PRINCIPLES

Costs incurred under this Agreement shall adhere to provisions of 2 CFR Part 200 Subpart E.

13. COVENANT AGAINST CONTINGENT FEES

The SUB-RECIPIENT warrants that it has not paid, and agrees not to pay, any bonus, commission, brokerage, or contingent fee to solicit or secure this Agreement or to obtain approval of any application for federal financial assistance for this Agreement. The WTSC shall have the right, in the event of breach of this section by the SUB-RECIPIENT, to annul this Agreement without liability.

14. DISPUTES

14.1. Disputes arising in the performance of this Agreement, which are not resolved by agreement of the Parties, shall be decided in writing by the WTSC Deputy Director or designee. This decision shall be final and conclusive, unless within 10 days from the date of the SUB-RECIPIENT's receipt of WTSC's written decision, the SUB-RECIPIENT furnishes a written appeal to the WTSC Director. The SUB-RECIPIENT's appeal shall be decided in writing by the Director or designee within 30 days of receipt of the appeal by the Director. The decision shall be binding upon the SUB-RECIPIENT and the SUB-RECIPIENT shall abide by the decision.

14.2. Performance During Dispute. Unless otherwise directed by WTSC, the SUB-RECIPIENT shall continue performance under this Agreement while matters in dispute are being resolved.

15. GOVERNANCE

15.1. This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.

15.2. In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

15.2.1. Applicable federal and state statutes and rules

15.2.2. Terms and Conditions of this Agreement

15.2.3. Any Amendment executed under this Agreement

15.2.4. Any SOW executed under this Agreement

15.2.5. Any other provisions of the Agreement, including materials incorporated by reference

16. INCOME

Any income earned by the SUB-RECIPIENT from the conduct of the SOW (e.g., sale of publications, registration fees, or service charges) must be accounted for, and that income must be applied to project purposes or used to reduce project costs.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the WTSC, its officers, employees, or agents.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

18. INDEPENDENT CAPACITY

The employees or agents of each Party who are engaged in the performance of this Agreement shall continue to be employees or agents of that Party and shall not be considered for any purpose to be employees or agents of the other Party.

19. INSURANCE COVERAGE

19.1. The SUB-RECIPIENT shall comply with the provisions of Title 51 RCW, Industrial Insurance, if required by law.

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one Party to this Agreement to the other Party, will remain the property of the furnishing Party, unless otherwise agreed. The receiving Party will not disclose or make available this material to any third Parties without first giving notice to the furnishing Party and giving them a reasonable opportunity to respond. Each Party will utilize reasonable security procedures and protections to assure that records and documents provided by the other Party are not erroneously disclosed to third Parties.

22. RIGHT OF INSPECTION

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or

revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30-day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. If the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either Party may terminate this Agreement, without cause or reason, with 30 days written notice to the other Party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT, or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

31. WAIVER

A failure by either Party to exercise its rights under this Agreement shall not preclude that Party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 35.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

34. THE DRUG-FREE WORKPLACE ACT OF 1988 (41 U.S.C. 8103)

34.1. The SUB-RECIPIENT shall:

34.1.1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and shall specify the actions that will be taken against employees for violation of such prohibition.

34.1.2. Establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace; the SUB-RECIPIENT's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed upon employees for drug violations occurring in the workplace.

34.1.3. Make it a requirement that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph 36.1.1. of this section.

34.1.4. Notify the employee in the statement required by paragraph 36.1.1. of this section that, as a condition of employment under the grant, the employee will abide by the terms of the statement, notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction, and notify the WTSC within 10 days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 36.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

In accordance with FFATA, the SUB-RECIPIENT shall, upon request, provide WTSC the names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in federal awards, received \$25,000,000 or more in annual gross revenues from federal awards, and if the

public does not have access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.

36. FEDERAL LOBBYING

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

36.1.2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

36.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grant, loans, and cooperative agreements), and that all sub-recipients shall certify and disclose accordingly.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

37.1.2. Not to participate directly or indirectly in the discrimination prohibited by any federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR Part 21 and herein.

37.1.3. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA.

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

37.1.5. To insert this clause, including all paragraphs, in every sub-contract and sub-agreement and in every solicitation for a sub-contract or sub-agreement that receives federal funds under this program.

38. POLITICAL ACTIVITY (HATCH ACT)

The SUB-RECIPIENT will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

39. PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

The SUB-RECIPIENT will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists. This Agreement does not include any aspects or elements of helmet usage or checkpoints, and so fully complies with this requirement.

40. STATE LOBBYING

None of the funds under this Agreement will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any state or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

Executive summary:

We are requesting an amendment to the Scope of Work and Compensation for Robinson Noble for the Carlsborg UGA water right project. Robinson Noble, a hydrogeologic and engineering consultant, has been assisting the County and PUD #1 of Clallam County to obtain Ecology's approval for water right application G2-30364 (water for the Carlsborg UGA) since September 2017. Project costs have grown due to 1) delays in the project beyond Robinson Noble, Clallam County, and PUD #1 of Clallam County's control, requiring a time extension, 2) increased workload due to presentations, questions, and answers to the Dungeness River Management Team's Water Resources Technical Group and the Jamestown Tribe, 3) additional work for the Record of Examination (ROE) for the Cost Reimbursement Agreement (CRA) with Ecology, and 4) change to the 2022 fee schedule from the 2016 fee schedule. This additional work results in budget and schedule increases for Subtask 2D, Task 3, and Task 4.

Budgetary impact: (Is there a monetary impact? If so, are funds for this already allocated or is a budget change necessary? If this is a contract and a budget change is necessary, the budget change form must be submitted with the item at work session and for the regular agenda) **If a budget action is required, has it been submitted and a copy attached?** ☐

This is an increase in the budget of Subtask 2D, Task 3, and Task 4. Subtask 2D, Support Documentation Preparation, budget costs increased by \$11,009. Task 3, Mitigation Analysis and Mitigation Plan, increased by \$19,659 and Task 4, Project Management, increased by \$14,860. Total increase to the budget is \$45,528.

Recommended action: (Does the Board need to act? If so, what is the department's recommendation?)

SCOPE OF WORK

Recent work to address stakeholder issues and to prepare for and make a presentation to the DRMT-WRTG (and Ecology) goes beyond the scope of work for Task 3 as envisioned in the previous contract amendment. Those efforts included research of issues, and response to mitigation plan comments from stakeholders, and discussions within our technical team (Clallam County, Clallam PUD, and Robinson Noble). The efforts culminated in a Power Point presentation on June 17, 2022. During and after that presentation, it was made clear that additional work was expected by both the Dungeness River Management Team (DRMT) group, Jamestown Tribe, and Ecology. The Jamestown S'Klallam Tribe has hired a hydrogeologist to provide a technical review of the proposed mitigation plan. It is expected that an iterative exchange of questions and answers between DRMT and the County team and also between the Tribe and County team will occur.

Further, Mike Gallagher, with Ecology, indicated the processing of the PUD's water right application would be through a Cost Reimbursement Agreement (CRA) with Ecology. The arrangement in 2017 reiterated in 2019 was that the Ecology intended to process the application internally with Ecology personnel. The CRA approach presumes additional work by Robinson Noble that was not part of the original scope for the contract. This work should be addressed by amendment of Task 2D scope and budget.

Additionally, Robinson Noble is still charging under our 2016 fee schedule which was used as the basis for the hourly rates listed in Attachment B of the original contract. Considering recent inflation, and the fact their standard fee schedule has been increased six times since 2016, Robinson Noble request the hourly rates on their current July 2022 fee schedule be amended to the contract for all work completed after September 1, 2022.

The requested contract amendment to address these issues are discussed specifically below.

Task 2D – Support Documentation Preparation

The original Task 2D scope envisioned preparing a brief report that could be used by Ecology as the basis for writing a Report of Examination (ROE). Now, Ecology stated the ROE should be prepared under a CRA. Robinson Noble, as part of Ecology's Water Resources Consulting Pool, is eligible for preparing a draft ROE under the CRA process. The additional work on Task 2D is anticipated to be the writing of the draft ROE by Robinson Noble and related research and discussion between Robinson Noble, Ecology, Clallam County, and the Clallam PUD to assure acceptable language. It is assumed that the mitigation plan will have been accepted by Ecology substantially as it currently exists (and any modifications to the mitigation plan occur under Task 3 rather than Task 2D). Further, it is assumed that the process will progress in a straightforward manner without contention following acceptance of the mitigation plan.

The draft ROE prepared by Robinson Noble will include all the elements of the originally planned report document. In addition, the draft ROE will detail additional required elements. Specifically, the draft ROE will include the following:

1. Cover Sheet, incorporating:
 - a. Priority date,
 - b. Rates authorized,
 - c. Associated water rights,
 - d. Purpose and place of use,
 - e. Source location,
 - f. Proposed water system,
 - g. Development schedule,
 - h. Provisions (including the mitigation), and
 - i. Findings of fact
2. Investigators Report, including:

- a. Background and summary of water right request;
- b. Water Right Investigation with:
 - i. Site and water system description,
 - ii. History of water use,
 - iii. Discussion of proposed use,
 - iv. Other rights associated with the place of use, and
 - v. Hydrogeologic evaluation;
- c. Analysis with discussions on:
 - i. Physical availability,
 - ii. Legal availability,
 - iii. Impairment,
 - iv. Beneficial use,
 - v. Public interest,
 - vi. Comments from Department of Fish and Wildlife,
 - vii. SEPA consideration,
 - viii. Public notice,
 - ix. Consideration of protests,
 - x. Other public interest concerns; and
- d. Recommendations

Robinson Noble will work with Ecology on the preparation of the draft ROE, and it is assumed several rounds of commenting and editing will be required before a final draft ROE is prepared and posted on Ecology's website. The task also includes other coordination with Clallam County, Clallam PUD, and Ecology.

Publication of the public notice of the water right application is required prior to processing the application (if publication occurred when the water right application was first made in 2006, Ecology will likely require it to be re-published because of the time since the original publication). Clallam PUD will be responsible for publication of the public notice. There will be a protest period following publication and a second protest period following the posting of the draft ROE on Ecology's website. As part of this task, Robinson Noble will address any protests received. However, because of the stakeholder involvement in the project to date, it is expected that any received protests to be minor and time is budgeted accordingly (no more than ten hours of time).

The additional work under this task is estimated at approximately \$21,690. Due to \$10,681 left in its original budget for this task, a budget increase of \$11,009 is required, bringing the total task budget to \$23,509.

Task 3 – Mitigation Analysis and Mitigation Plan

The expansion of scope for Task 3 falls into two categories: work already accomplished and estimated additional work that might be required to achieve acceptance of the mitigation plan by Ecology. The work involved in addressing stakeholder issues and in dealing directly with the DRMT and its Water Resources Technical Group (WRTG) has resulted in \$6,035.48 of unforeseen work in June. This was invoiced to the limit of the existing budget, leaving \$4,289.23 to be covered by this amendment.

Currently, the mitigation plan is being reviewed by a hydrogeologic consultant for the Jamestown S'Klallam Tribe. Presumably, the Tribe's consultant will write a report concerning the mitigation plan. Review of this report, discussion of the report with the County and Clallam PUD, preparation of a response to the report, and attendance at a virtual meeting with the Tribe is added to the Task 3 scope.

The results of the Jamestown Tribe's technical review effort is expected in September. It is assumed three iterations of communication of issues/questions and response by the County's team will be required. This

will likely take place over at least four to six weeks. Internal discussion between Clallam County, Clallam PUD, and Robinson Noble will occur within each of these iterations before a response is presented.

The amount of work involved in the future is speculative and depends upon the result of the Tribe's and DRMT's technical reviews. At this point everything indicates that the mitigation plan seems acceptable to the DRMT and the WRTG, but that they need independent verification of the technical elements of the plan. Acceptance by the Tribe is less certain. Presuming the entities providing the technical reviews accept the fundamental reasoning behind the plan, Robinson Noble may be asked to clarify the methods and the data behind it. If there is a fundamental challenge to the plan, unforeseen complications could arise that cannot be identified at this time.

It is estimated that \$15,370 will be required for Robinson Noble to respond to the Tribe's and DRMT's reviews of the mitigation plan, including necessary internal team discussions before a response is offered, as well as interface with Ecology concerning the mitigation plan prior to acceptance by Ecology.

The overall budget amendment requested for Task 3 is \$19,659 (estimated future work plus the current Task 3 cost overrun). This brings the total Task 3 budget to \$58,751.

Task 4 –Project Management

The additional work described for Task 2D and Task 3 imposes additional project management on the project as well, both for the extra work and the time extension required. Given the review period for the draft ROE (30 days) and the final Ecology decision (45 days), the extended work is expected to carry into mid-2023 but could extend into late 2023. This presumes that no substantial challenge to either the draft ROE or the final decision by Ecology occurs. It is also presumed that the Task 2D work in generating the draft ROE can begin before the mitigation plan issues are resolved.

Additionally, Robinson Noble may need to attend two previously unscoped meetings to present results; one to the Clallam County Commissioners and the other to Clallam County PUD.

An additional \$14,860 is estimated to accommodate the anticipated additional project management during the extension of the contract schedule and prepare for and attend two meetings with County and PUD officials. This brings the total Task 4 budget to \$56,911.50.

The total change with the additions for Task 2 (Subtask 2D), Task 3 and Task 4 is an increase of \$45,528 to the project budget listed in Contract 334.18.007 to a Total of \$248,396.00.

This amendment also allows residential customers to receive more than one award; not to exceed the existing cumulative total of \$4,000.

These two changes were requested by Clallam County PUD in recognition that many of their residential customers continue to be negatively impacted by ongoing, lingering, or multiple COVID-19 infections.

All of the other terms and conditions of the original agreement are unchanged.

Paragraph 1, page 2, is amended to read as follows:

Paragraph 2, page 2, is amended to read as follows:

“ARPA Funds. The County agrees to provide the Subrecipient a total sum not to exceed \$350,000 to be used for provision of residential and commercial utility assistance, conditioned on the requirement that such funds will be disbursed via an account credit to eligible utility account holders of Subrecipient for utility costs incurred during the COVID-19 public health emergency during the period of March 17, 2021 through December 31, 2023 based on eligibility criteria outlined in Attachment D.”

Attachment D, Scope of Work, is amended to read as follows:

ATTACHMENT D**SCOPE OF WORK**

The Board of Commissioners is directing up to \$350,000 to residential and commercial utility assistance for residents, small businesses, and nonprofits of Clallam County who are utility customers of Clallam County PUD (“CCPUD”) using federal ARPA funding. These funds must be fully distributed by December 31, 2023. The intent of this grant is to provide utility assistance to Clallam County residents, small businesses, and nonprofits who have been severely adversely impacted financially by the COVID-19 public health emergency due to job loss, layoff, reduction of work hours, reduced revenues or other negative economic impacts or circumstances resulting from the COVID-19 emergency that need utility payment assistance to avoid utility disconnect, and who meet the eligibility criteria outlined below.

CCPUD will be responsible for overseeing the program based upon the eligibility criteria, funding uses and process and deadline for distribution shown below.

1. Eligible Recipients

Individuals seeking ARPA funding through this program must:

- Be a Clallam County resident, small business, or nonprofit;

- Be a Clallam PUD residential or commercial utility account holder in either an active or inactive customer status that has a currently past due account balance at the time of application;
- For residents classified as having low to moderate household income based on household size in accordance with HUD Income Limits for Clallam County; OR for residents not classified as low to moderate income who have incurred a financial hardship due to the COVID public health emergency, such as a job loss, reduced work hours, lay off, or experienced food or housing insecurity, illness or other circumstance leading to a significant reduction in household income;
- For small businesses and nonprofits, have incurred a financial hardship due to the COVID public health emergency, resulting in a significant reduction in revenue, business disruption, and/or increased operating costs;
- Consent to disclosure and release by Clallam PUD to Clallam County of all information gathered during the application process and details of award granted under this program;
- Grant limitations: One or more utility assistance grants may be awarded per Household, in an amount not to exceed a cumulative total of \$4,000 for residential utility account holders. One utility assistance grant will be awarded per small business or Non-Profit in an amount not to exceed \$10,000 for commercial utility account holders;

2. Program Funding and Award Amount

The County shall make \$350,000 of ARPA funds available to the program that will be paid to CCPUD following receipt and approval of monthly A-19 equivalent reimbursement requests submitted by CCPUD detailing the utility assistance grants to be disbursed by CCPUD based on eligible applications received, reviewed and certified by the Subrecipient as meeting the eligibility requirements herein until such ARPA funds are depleted. The maximum cumulative amount of utility assistance grant funding awarded is limited to \$4,000 per residential utility account holder and \$10,000 per commercial utility account holder.

Eligible recipients will be awarded utility assistance grant(s) in the form of credits applied to their utilities account with CCPUD under each application or disconnect risk event. Utility assistance grants may only be applied to past due balances existing as of March 1, 2020 or later, and will be subject to reduction on a dollar-for-dollar basis for the total amount of any pending assistance from other sources.

All funds are to be disbursed no later than December 31, 2023.

3. Application, Review and Distribution Process:

- a. Solicitation—CCPUD will promote this utility assistance program on its website, through OlyCAP or other local agencies, and through social or other media.
- b. Application Submission--Applicants can apply by using the "American Relief Plan Assistance Program Application" form available on CCPUD's website and submit that form by mail, at one of CCPUD's drop boxes, email or fax, or alternatively by calling CCPUD's Customer Service center at 360-452-9771, extension 2. As part of the application form, all Applicants are required to self-certify, under penalty of perjury, as to the following:
 1. That the household income and household size indicated in the Application is accurate;
 2. Because of the loss of income, increase in expense or other financial hardship as indicated within the application, the household, business, or non-profit organization cannot pay the utilities without jeopardizing the Applicant's ability to pay for rent, food, medical and related expenses, health insurance premiums, child care, job-related transportation expenses or other organization operating costs vital to its continued operations;
 3. For residents not qualified as low to moderate income, businesses and nonprofits, the non-payment of utilities due is caused by a financial impact from the COVID-19 public health emergency;
 4. The household, business or non-profit organization has paid partial utilities, to the extent possible, considering the financial hardships incurred; and
 5. The information provided in the application is a true and accurate statement of the financial hardship the household, business or non-profit organization has experienced related to the COVID-19 public health emergency.
- c. Review Process--Applications will be reviewed by CCPUD's Customer Service Department. The Customer Service Department will review the application, gather any additional documentation as needed, and make a determination whether the applicant is eligible for ARPA Act Funding.
- d. Award and Disbursement—Based on review of the application, the Customer Service Department will determine the amount of the award based on the need up to the maximum allowed award. Awards will be disbursed via direct bill assistance handled by transactions created from the Customer Service Department, with award payments applied as credits to the Applicant's utility account.
- e. If CCPUD believes an applicant is eligible for additional assistance from another agency above that available under this utility assistance program, CCPUD will provide the necessary referral of that applicant as applicable.

4. Reporting

CCPUD shall submit a monthly report on applications received, and provide an A-19 equivalent report and signed certification detailing funds disbursed to each applicant outlining the applicant account number, applicant's city, type of award (residential or commercial utility assistance), brief description of applicant's COVID-19 related financial hardship (i.e. job loss,

reduction in work hours, layoff, significant decrease in revenue, etc), amount awarded, and award disbursement date.

CCPUD shall maintain all documentation regarding the disbursement of grant funds under this program through the contract period and will provide those materials to Clallam County electronically for future audit or other use.

All other terms or conditions of the original Agreement, as previously amended, not described or mentioned here remain unchanged and continue to have their full force and effect.

CLASSIFICATION, WORK HOURS, AND COMPENSATION

.1 CLASSIFICATION

1.1 Preparation of Classifications

A classification plan inventorying the duties and responsibilities of all jobs in County service has been developed and implemented. The class plan groups jobs into categories that are basically similar in difficulty and responsibility of work performed and in education, training, and experience requirements. The plan was developed after consultation with County Officials and other persons technically familiar with the character of the work. The Human Resources Director is the designated individual with responsibility of overseeing the continual maintenance and administration of the plan. No County Official shall be granted authority to alter classification without prior approval of the County Administrator with appeal to the Board of County Commissioners, except as otherwise granted by the Charter or this policy.

1.2 Allocation of Positions

A classification title and description shall identify each class. Every position shall be allocated to a classification within the adopted plan. In cases where more than one position exists in a classification, a position description shall further clarify job duties specific to each job. When the classification contains a single position, the classification and position description is combined. Each newly created position will be assigned to the approved classification and shall be clearly defined in the classification description. Employees shall be notified of the assignment of their positions and the class title as it appears on the class description. Positions that are part of a career track will be designated in the classification description.

When a new position is proposed the County Official shall immediately transmit a comprehensive statement of the proposed duties and responsibilities and the rationale for the new position to the Human Resources Director. The Human Resources Director shall investigate the proposal and assign the position to the appropriate class in the classification plan.

All changed or newly created positions shall be presented to the County Administrator for approval of allocation and preliminary budget prior to initial filling and appointment. Positions will not be created without a defined revenue source.

1.3 Classification and Position Description Specifications

Class and Position specifications have the following definition and scope:

- a. They are explanatory only and not restrictive.
- b. In determining the assignment of any position to a class, the specifications shall be considered as a whole, comparing general duties, responsibilities, minimum

- qualifications and relationships to other positions in order to obtain an inclusive picture of the position and place it in the class which embraces it.
- c. The outline of principal duties of work performed shall mean general duties or tasks. It is not intended to prescribe the specific duties of a given position nor to limit the ability of the County Official to modify or alter the detailed tasks involved in the duties, so long as they remain within the general definition of the class.
 - d. The minimum qualification defines the class to which the position shall be allocated by outlining the least acceptable qualifications required to effectively perform the work.
 - e. The class specifications may include additional requirements that are determined to be necessary for the maximum performance of the particular class. These requirements may include possession of a Washington motor vehicle operator's license, physical condition, or any other bona fide qualification pertinent to the position covered by the class specifications.
 - f. Nothing in the class specification is to be interpreted as restricting a supervisor in assigning an employee of one class to perform some of the duties of a higher class for a limited period of time. Such assignment to perform work of a higher class for a limited period comes within the requirements of work in all classes. When an employee is assigned to perform the entire job function of a higher classification for a period of more than two weeks, the employee may be paid at the higher range, assuring that the employee will be compensated a minimum of 5 percent over their current rate.

1.4 Description Changes

Class and position descriptions are treated as living documents with the specific intent that as the duties of the job change, those changes will be reflected in the descriptions. The Human Resources Department maintains the original descriptions for all County jobs, including those under the jurisdiction of Elected Officials and the Civil Service. Prior to any modification, classification and/or position description changes shall first be reviewed by the Director and approved by the Administrator as detailed in this chapter.

1.5 Use of Class Titles

The class title shall be the official title of every position assigned to the class for the purpose of personnel action and shall be used on all payroll, budget estimates, and official records and reports relating to that position. Position titles may be authorized by the Director and used for the purposes of internal administration or in contacts with the public when more than one position exists within a classification.

1.6 Consolidated Classification List

The Director is responsible for maintaining a listing of all classifications and positions in the County, including County Officials and employees. The list shall also contain, at a minimum, the salary range, union status, essential worker status, bloodborne risk, and recurring training requirements of each position. The consolidated list shall serve as the

official classification and position list under the classification plan. The list is contained in section 100 of this policy.

.2 RECLASSIFICATION

Unless previously approved by the County Administrator, it shall be the responsibility of the County Official to require employees to work within their assigned classifications, except in situations where an employee may occasionally or intermittently work out of classification. County Officials are not authorized to re-organize job functions which will require reclassification of existing employees without the approval of the County Administrator.

The Board of Commissioners considers the collective bargaining process as the proper venue for adjustments of salary and benefits for classifications and/or groups of employees. Reclassifications may be considered for individual positions that meet the following criteria.

The following factors may be considered as evidence of possible eligibility for reclassification:

- a. A majority of job duties have changed to the extent they are more accurately reflected in another existing classification description;
- b. A majority of job duties have changed to the extent the job entails a different skill set, which requires increased education or experience in order to perform essential job functions.

The following circumstances are not factors to be considered reasons for reclassification:

- a. Increased volume of the same level of work;
- b. Added duties of a similar nature already covered by the current classification or requiring similar skills, education, or experience;
- c. Duties within a current classification that have not been previously assigned;
- d. Additional assigned duties in a higher classification unless those duties become a majority of the current position;
- e. Enhanced technological tools to perform current duties;
- f. Salary differences for similar jobs in other jurisdictions;
- g. Reclassifications which occur in other departments.

2.1 Procedures for County Official to Request Reclassification

A County Official may request a classification change to meet business needs. Prior to classification or reclassification, the following steps shall be documented in writing and submitted to the Human Resources Director.

(1) County Official Evaluates Need to Change Classification

First, the County Official will evaluate:

- a. Recruitment or retention problems
- b. Service delivery changes or enhancements

- c. Value of the position to the department
- d. Internal equity
- e. Availability of funds
- f. Level of duties assigned to an existing position
- g. Reorganization opportunities due to vacancy

(2) County Official Considers Alternatives

Prior to requesting reclassification, the County Official will consider the following alternatives:

- a. Can work be accomplished within current classification?
- b. Is higher-level work short-term or can a specific project be addressed with out-of-class pay?

(3) County Official Submits Request with Budget

If the County Official decides to proceed with a reclassification request, they will normally submit the request as part of the department's budget submittal. When business needs require an immediate classification change and funding is available within current year's budget, a County Official may submit a request outside the budget process.

2.2 Employee May Request Reclassification

In the event the County Official does not submit a request for reclassification and the employee believes their current assigned duties meet the eligibility criteria as established above, the employee may submit a request for reclassification directly to the Human Resource Director and the County Official. The request will be processed by the Director in the normal course of work priority.

2.3 Human Resources Reviews All Reclassification Requests

When the duties and responsibilities of an existing position are so changed or proposed to be changed, meeting the criteria above, the County Official may request the Human Resources Director conduct a reclassification analysis. All reclassification requests shall be presented in writing accompanied with supporting documentation. The Human Resources Department shall prepare recommendations to the County Administrator.

2.4 County Administrator to Approve

Upon receipt of the recommendations from the Human Resource Director, the County Administrator shall review the results and take action to approve or deny the request.

2.5 Funding and Budget Impacts

The Board of Commissioners may limit consideration of reclassifications based upon financial condition of the County and establish a minimum amount the wage must be under-compensated in order for a reclassification to be considered.

It is the policy of the Board to consider reclassifications that are in excess of 20 percent lower than the established market for the position. The Board may modify the percentage at the time of adoption of the annual countywide budget.

2.6 Determination of Established Market

It is the County's goal to set top step compensation at the average wage for benchmark jobs using a combined market of Western Washington Counties within a population range and assessed evaluation of 60 percent larger and 60 percent smaller than Clallam County. For jobs where there is insufficient market data available within the established comps, the Director may recommend using such other relevant compensation data as may be appropriate and/or a point factor matrix that measures the job complexity and responsibility in relation to other established positions within the County's classification system.

2.7 Notice to the Union

Prior to implementation of reclassification, the Director will notify the Union in writing of the County's intent to reclassify the position. The Union may request a meeting for the purpose of reviewing the data and recommendations. In the event the Union fails to respond within 10-days, the County will commence implementation.

2.8 Implementation of Reclassification Recommendation

Unless otherwise approved by the Administrator, the employee subject to the reclassification will be placed at step 1 of the new range, or, the step of the new range that is approximately 5 percent higher than the employee's current salary, whichever is greater. The step increase date will be modified to reflect the first day of the month following one year from the reclassification date.

2.9 Status of Employees Affected by Reclassification

The status of employees affected by reclassification occurring in the administration of the classification plan shall be resolved in the following manner:

An employee whose position is reclassified to a higher level than the class in which the employee has regular status shall be considered to be a temporary appointee to the higher class. As such, the employee shall be eligible to compete on a promotional basis for the reclassified position; provided, however, that such promotional examination shall be given, or notice of such examination shall be published, within 60 calendar days of the effective date of reclassification. Only those employees who successfully pass the

examination for the position shall be considered for the position. Employees so promoted shall serve a probationary status in the new class.

If the employee is not appointed as the result of the examination, with County Official approval, the employee may be transferred to a vacant position in the same classification as that in which the employee has regular status. If no vacancy exists, the employee shall be laid off and entitled to bumping rights as specified in the applicable labor agreement.

OR;

When reclassification occurs and the position that has been reclassified contains only one employee, the employee occupying the affected position may be retained in the position without examination provided that:

- a. The Director determines that the reclassification results from an official recognition of a change in duties and responsibilities that has already occurred;
- b. The County Official determines that the performance of the duties and responsibilities of the incumbent has been satisfactory;
- c. The incumbent possesses the minimum qualifications for the new class; and
- d. Such other factors as are relevant and appropriate to the establishment of salaries for each position, in the context of the County's total compensation system.

The above conditions are included as a means of encouraging proper classification and organization without jeopardizing the status of employees. If all of the above conditions cannot be met, the County Official and the Human Resources Director shall be guided by other appropriate provisions of these rules.

Lead workers may be either regular positions or, a temporary assignment in the absence of the regularly assigned supervisor. Lead workers have authority to direct the day-to-day activities of personnel assigned to them. They are not granted the supervisory responsibilities and authorities listed above.

.20 COMPENSATION

The employee's anniversary date shall be changed to reflect the date of the promotion.~~

Whenever an employee is promoted, the employee shall be hired into the new range/step of the appropriate pay schedule as a rate no less than five percent high than the employee's salary prior to the promotion. A County Official who believes that a salary increase of more than five percent should be offered shall present a request for a higher rate and a justification to the Human Resources Director in writing. The Human Resources Director has the authority to approved or deny the request up to Step 5 of the appropriate pay schedule. Requests for appointment beyond Step 5 or requests that require a budget change must be approved by the County Administrator.

20.13 Step Placement on Demotion

When a demotion occurs, the County Official shall recommend to the Director a salary for the demoted employee within the salary range of the lower classification which may be less than or equal to the employee's present salary. If a new anniversary date is established, the new anniversary date shall be noted at the time of the demotion on the personnel action documentation.

20.14 Step Placement upon Recall

Unless approved by the Administrator, the employee shall not be returned at a wage higher than at the time of lay off, or at a step higher than that approved in the budget. Adjusted Date of Hire and Adjusted Date of Classification shall be modified to reflect the layoff period.

(3) Hiring after the Recall Period has Expired

A previous employee re-hired through the competitive process after their time on the recall list has expired is hired as a new employee. Seniority, benefit accrual, and salary are as if the employee had not previously been employed by the County.

.30 HOURS OF WORK

All County positions are designated as either "exempt" or "non-exempt" according to the Fair Labor Standards Act ("FLSA") and Washington Minimum Wage Act regulations.

It is the policy of the County to establish a workweek of 40 hours with a 7-day workweek. Alternate workweeks of 40, 37.5, and 35 hours may only be established by the Administrator based upon business necessity. The workweek runs 12:01 a.m. Monday through Sunday 12 midnight.

The County recognizes that County Officials are responsible to perform their work functions without regard to a set number of hours in the workday or workweek. It is also recognized that each County Official requires one employee to be a confidential employee, available to work when necessary to accomplish essential tasks. The County Charter requires Elected County Officials to designate one individual as exempt from the Personnel System to serve as their chief deputy or administrative assistant. It is the policy of the County that each Elected and Appointed County Official may designate a 40-hour workweek for one individual in their office.

For law enforcement, corrections, and detention employees, the established work period may be subject to C.F.R. 29, Section 207(k), (referred to as 7k). Employees are responsible for accurately reporting all hours worked according to these policies. Sheriff's Department and Juvenile Department employees work schedules may be established based upon 24-hour operation. Workweek for employees, other than those scheduled on a 24-hour operation, shall be four or five consecutive days, evenly divided according to the assigned work hours, but may be varied depending upon business necessity.

Employees shall be assigned to work either a standard or alternate/flex workweek. The workday and workweek shall be established by the County Official of each department and kept

on file with the payroll clerk for that department. The workday and workweek may be changed to accommodate the efficient operation of the department.

30.1 Limitations for Temporary, Extra Help, and Seasonal Workers

Work hours of extra help employees shall be restricted to 69 hours per calendar month. The work hours for temporary and seasonal workers whether skilled, semi-skilled, or unskilled shall be limited by the County Official so as not to qualify the employee for any benefits, including retirement, unless specifically approved by the Director. County Officials are required to be familiar with Department of Retirement Systems' rules, labor contracts, and other regulations that affect employee benefit eligibility.

30.2 Meal Period

All employees shall be granted a meal period of one-half hour or one hour as determined by the County Official. Meal periods shall be taken at a non-public location away from the workstation.

30.3 Rest Periods

All employee work schedules shall provide for a 15-minute rest period during each one-half shift. An additional rest period may be granted for each additional 2-hour increment that an employee is required to work beyond the normal shift. Rest periods may be required to be taken at the workstation.

30.4 Break Time for Nursing Mothers

A nursing mother shall be entitled to unpaid breaks for up to one year after the birth of her child. Such breaks must consist of a "reasonable" amount of time for expressing milk as frequently as needed by the nursing mother.

The County provides a space that is shielded from view and free from intrusion from coworkers and the public. Upon request, an eligible nursing mother will be issued a key to the designated space.

35 OVERTIME

County Officials are responsible to schedule employees in order to provide adequate service while minimizing overtime. Overtime shall only be authorized for business necessity and only within budgeted funds. No overtime shall be authorized for employee convenience.

35.1 Authorization for Overtime

All overtime shall be approved in advance by the employee's supervisor; however, in the case of emergency, the employee shall notify the supervisor as soon as possible of the need to work overtime.

35.2 Definition of Overtime

Unless otherwise specified in a labor agreement, overtime shall be considered as time worked in excess of 40 for the workweek. Part-time or extra help employees whose hours are set at less than 40 shall not be eligible for overtime until the total work hours exceed 40.

35.3 Overtime Rate

Unless otherwise specified in a labor agreement, the rate of compensation for overtime worked shall be 1-1/2 times the employee's regular rate of pay including any shift differential, standby pay, incentive pay or any pay added to the rate as established in the pay plan.

35.5 Compensatory Time

Employees may accrue compensatory time in lieu of overtime payments, with the approval of the supervisor. Unless otherwise specified by labor agreement, employees may not accrue time in excess of 40 hours. Compensatory time will be accrued at the rate of 1-1/2 hours for each hour of authorized overtime worked. The employee and the supervisor are encouraged to schedule use of compensatory time by mutual agreement. The County may purchase back the entire compensatory time balance of any employee, or a portion thereof, at any time with written notice to the employee. The employee may convert compensatory time to overtime by written request.

35.6 Time-off Plan for Non-Represented FLSA Exempt Employees

Non-Represented employees exempt under the FLSA are salaried and exempt from overtime. Such employees may flex time off within a month with Department Head approval. In a calendar month employee hours of work and hours of paid leave shall total not less than the regularly scheduled hours of work for the month.

- a. Non-Represented employees who are exempt under FLSA shall be entitled to earn hour for hour time off commencing with the sixth (6th) hour **worked** beyond their regularly assigned workweek of 37.5 or 40. An annual maximum of two (2) weeks may be earned and either accumulated or used. Such hours must be used as time off prior to the end of the calendar year and shall not be eligible for cash payment or used for the purpose of extending benefits beyond the last active at work day. Flex time (where the employee still works their full 37.5 or 40 hours per week, but on a flexible schedule) off is authorized under this provision. Such flexible schedule is termed an alternative workweek. Except in the case of an emergency that requires immediate action, hours in excess of the fifth (5th) hour require pre-approval by the Department Head.

35.7 Overtime Hours not to Affect Benefits

Overtime Hours shall not be credited toward any employee benefit accruals or have any affect on probation, step, or other accrual dates.

35.8 Emergency/Disaster Operations

All FLSA exempt employees performing emergency/disaster duties when working full-time under any activation level designated by the County Commissioners for which the State approves the County for public disaster assistance will be compensated as follows:

- a. Employees will be paid at straight time the sum of their regular hourly rate for those hours worked in excess of 40 in a workweek as a result of full-time work in support of a significant emergency, declared disaster, or Emergency Management Assistance Compact (EMAC) or other Mutual Aid activations/deployments as determined by the County Administrator or designee. During federally declared disasters overtime compensation will be limited to cash payments.
- b. For those hours worked during the activation, one dollar (\$1) is added to an employee's regular rate in lieu of any other forms of additional compensation including, but not limited to, callback, standby, shift differential, split shift differential, assignment pay, and/or schedule change.
- c. Unless otherwise noted in writing, employees will retain the assigned workweek while supporting emergency/disaster operations. However, employees' assigned work hours may be different from their regularly assigned work hours.
- d. These provisions are limited to qualifying work performed in the Clallam County Emergency Operations Center, in a Joint Field Office, and work in direct support of EMAC or other Mutual Aid activations/deployments.

.37 VEHICLE ALLOWANCE

A monthly vehicle allowance is provided to certain County Officials. The vehicle allowance is intended to partially reimburse the County Official for travel as part of official business within Clallam County. Travel outside Clallam County shall be reimbursed in accordance with the County's travel reimbursement policy. When traveling outside the County, County Officials who receive vehicle allowance shall deduct the mileage traveled within the County from their total mileage. Unless otherwise provided by contract, the monthly vehicle allowance amount shall be set annually as part of the budget adoption process.

Unless provided a County vehicle in accordance with the County's vehicle policy, the following Elected Officials shall receive monthly vehicle allowance: Assessor, Auditor, Commissioners, Director of the Department of Community Development, Prosecuting Attorney, and Treasurer.

Vehicle allowance will be authorized, in writing, by this policy, employment contract, or Personnel Action Form, approved by the Administrator.

.40 COMPENSATION FOR STAND-BY AND ON CALL STATUS

Time spent in stand-by status is considered compensable hours. Time spent in On-Call status is not considered compensable hours, except that any time spent actually working is paid.

.42 COMPENSATION FOR HIGHER CLASSIFICATION WORK

Except for on-the-job training purposes, whenever an employee is assigned to perform the entire job function of a higher classification for a period of two weeks, the employee may be paid at the higher range for a minimum increase of 5 percent (two steps on the 9-step scale). Performance of such duties on an occasional basis, for short periods, or for training purposes is not subject to pay increase. Out of class pay will not be paid while an employee is on any form of leave unless approved by the Director.

.43 COMPENSATION FOR LEAD WORKER

An employee who is assigned lead worker responsibilities shall be paid a minimum increase of 5 percent (two steps on the 9-step scale) for all hours active at work. Lead worker pay shall not be paid while an employee is on any form of leave, unless approved by the Director.

.44 COMPENSATION UPON TERMINATION

Upon an employee's separation from County employment, the employee will receive the following compensation at the time of the next regularly scheduled payroll:

- a. Wages for all hours that have not been paid
- b. Any holiday pay due
- c. Accrued vacation up to the maximum accrual allowed
- d. Accrued sick leave at the following percentages:
 - 100 percent if death occurs while employed or employee is totally disabled in the line of duty
 - 10 percent if separated other than termination for cause
 - 20 percent upon retirement
 - None if terminated for cause
- e. Any applicable severance pay

Note: Upon retirement PERS 1 employees hired after 1 January 1996 shall be paid for a maximum of 240 hours combined vacation and sick leave unless otherwise provided by contract.

.45 BENEFIT CASH OUT UPON TRANSITION FROM EMPLOYEE TO ELECTED OFFICIAL

Upon election to a County office an employee may choose to cash accrued vacation and/or sick leave benefit as if separated other than termination for cause. In such event payout shall be calculated at the last rate of pay for the last position held prior to election to office.

In the event an election is made not to cash out vacation and/or sick leave, such accruals may be frozen at the earned rate and be eligible for cash out at the time the person ends employment with the County.

.50 PAYROLL

~~NOTE: Section 50.1 and 50.2 below were implemented as of May 2006. The impacts of the pay date change have been fully bargained with the all of County's unions. The Human Resources Director is specifically authorized to make official notices about payroll practices to unions, employees, and Jr. Taxing Districts.~~

In addition, the County has reserved the right in the future to compensate all non-exempt FLSA employees based upon the hourly rate. Currently the County utilizes a compensation formula of annual salary divided by 24 half-months.

50.1 Time Sheets

The County utilizes an electronic sheet to record daily time activity for all employees and County Officials. It is the responsibility of each employee to accurately record all hours worked and leave used prior to the end of each daily shift. Exceptions to this practice shall only be acceptable when extenuating circumstances beyond the employee's control prevent record keeping for a given day. In such event, it is the employee's responsibility to accurately document the prior day's time at the start of the next shift. Time sheets must be completed and submitted to the timekeeper by the end of the shift on the last working day of the month.

The County payroll system will not process countywide payroll until every employee's time has been processed. Therefore, employees and their supervisors will be held accountable for any failure to timely submit accurate time records. When failure to do so occurs, the County Auditor will authorize input of assumed data in order to process payroll. Such assumed data will be subject to correction based upon accurate information received in the subsequent payroll period. When this inconvenience is caused by an employee or supervisor, appropriate discipline will be recommended.

Falsification of time records shall be grounds for immediate discipline, up to and including discharge.

50.2 Pay Periods/Payday

~~Beginning November 1, 2014 and annually thereafter d~~During open enrollment, employees ~~who currently have monthly payroll~~ will have the opportunity to choose between monthly or semimonthly payroll to be effective for 12 months starting January 1 of the following year. ~~For those choosing semimonthly payroll, Semimonthly~~ pay periods are the 1st through the 15th and the 16th to the last day of each calendar month and employees are paid on the 10th and the 25th of each month for the preceding half month. For exempt/salaried employees one-half of their monthly salary will be paid each semimonthly period.

~~For those choosing a monthly payroll, the~~ The monthly pay period begins the 1st day of the month and ends the last day of each month and employees are paid on the 10th of each month for the preceding month. If no written choice is made by the deadline, the default is semimonthly payroll.

If a payday falls on a weekend or courthouse holiday, ~~paychecks~~ will be available deposited on the last ~~workday banking day~~ before the normal payday. ~~Paychecks are normally distributed by supervisors and are available before close of business hours.~~

50.3 Garnishment of Wages/Liens

The County is required by law to accept legal garnishments or liens attached to employee wages. Garnishments and liens require the County to withhold a portion of the employee's disposable earnings for the satisfaction of a debt, and remit the withheld amount to the court or the Internal Revenue Service. If a garnishment or lien is received by the County, the employee will be so notified by Payroll, and may be encouraged to seek the advice of a professional financial counselor.

Wage garnishments and liens place an administrative expense and burden on the County. ~~Multiple garnishments or liens may indicate that the employee has disregarded his or her obligation to pay debts on a timely basis and has shifted the responsibility to the County.~~ For every transaction processed, the County will charge the maximum statutory fees allowable. ~~Receipt of three or more salary garnishments on an employee's wages within 12 consecutive months for three or more separate debts may result in disciplinary action, including discharge.~~

50.4 Direct Deposit of Paychecks

The County utilizes direct deposit of paychecks for the convenience of employees. ~~Effective July 1, 2011, all~~ employees shall utilize direct deposit. Employees can access information about payroll deductions, benefits, and leave accruals through the online employee self-service center.

Employees may direct the deposit of their paycheck into two bank accounts of their choice. The Direct Deposit Enrollment Form and other required documentation must be completed and submitted to the Human Resources Department to authorize direct deposit.

50.5 Payroll Deductions

The County will withhold from an employee's paycheck those deductions required by law, authorized benefits, union dues, and purposes approved by the Administrator.

.60 RELOCATION EXPENSES

Exceptional circumstances may warrant ~~consideration of~~ reimbursing a new employee for certain reasonable costs and expenses directly related to relocation. In all such cases, approval must be obtained from the Administrator before extending any offer to reimburse the employee for relocation expenses. Relocation reimbursements or estimates should be considered in conjunction with determining appropriate salary offers, as they are in effect a part of the new employee's first year earnings, and should be consistent with the employee's salary level.

60.1 Eligibility

Reimbursement for relocation expenses will only be considered for candidates for full-time positions in those instances where substantial recruiting efforts have not identified a sufficient number of qualified applicants living within a reasonable commuting distance of the County. Prior to receiving such reimbursement, individuals must agree that, if they voluntarily separate from the County within two years of the effective date of their appointment, they will repay any monies received for relocation expenses.

60.2 Taxability of Relocation Expenses

The Internal Revenue Service currently requires that each employee report as regular income all amounts received from or paid by his/her employer for the expense of moving from one residence to another. All applicable taxes are the sole responsibility of the employee, and will not be reimbursed by the County.

.100 CONSOLIDATED CLASSIFICATION/POSITION LIST

The County's consolidated list of classifications and positions is available on the County's internet site at www.clallam.net/employment.

REASON FOR BUDGET ACTION:

The cost of fuel, both diesel and unleaded, has risen an average of 65% from when the 2022 budget was created. The increase was looked at in the Spring of 2022, with the hopes that by the end of summer the costs would have dropped, which hasn't been the case. With chip sealing activities happening while the costs were still very high, this has created a deficit in the budget for fuel. The original budget of \$339k was created based on price per gallon in 2021 (example: July 2021 - \$3.12 per gallon) vs the reality of 2022 (example: July 2022 - \$5.15 per gallon).

RE: Back Country Horsemen of Washington (BCHW)—Peninsula Recreation Trails Program

Dear RCO Funding Decision Makers,

Clallam County would like to express our enthusiastic support of the Back Country Horsemen of Washington (BCHW)—Peninsula Chapter, in their work to support recreation on lands managed for trail and recreation use on the North Olympic Peninsula. The BCHW-Peninsula Chapter service area covers nearly 600-miles of trails, and includes over 70-miles (and growing) of the Olympic Discovery Trail in Clallam County managed by the County and other jurisdictional partners and also other trails in several County Parks.

Clallam County and other jurisdictional managers rely heavily on volunteers to help maintain the Olympic Discovery Trail. The BCHW-Peninsula Chapter thru adopt-a-trail agreements, work parties under the direction of BCHW, and participation in work parties associated with our County volunteer trail crew assists with clearing windfall and hazard trees, brushing, improving trail tread, maintaining/repairing bridges, and other trail maintenance. These efforts greatly contribute to providing for a safe and high-quality experience for trail users and recreationists.

Clallam County supports the BCHW-Peninsula Chapter request for grant funding under the Recreation Trails Program. This funding is important to support Clallam County and other local, state and federal trail managers in the maintenance and improvements to the extensive trail network enjoyed by residents and visitors to our Olympic Peninsula communities.

Sincerely,

BOARD OF CLALLAM COUNTY COMMISSIONERS
