Board convened in open session at 1:27 p.m. and CMO noted no action will be taken.

BOCC will discuss and plan next steps at work session on Monday, August 30, 2021.

Meeting concluded at 1:28 p.m. and continued to executive session at 1:30 p.m. to discuss The Civil Survival Project v. State of Washington, et al., King County Superior Court Case No. 21-2-03266-1.

EXECUTIVE SESSION

The Board convened in open session at 1:30 p.m. to discuss The Civil Survival Project v. State of Washington, et al., King County Superior Court Case No. 21-2-03266-1. Present were Commissioners Ozias, Johnson and Peach, Human Resources Director/Administrator Sill, Chief Financial Officer Lane, Prosecuting Attorney Nichols, Chief Civil Deputy Prosecuting Attorney Stanley, Deputy Prosecuting Attorney Boughton.

This is a Blake-related class action currently against the State, King County, and Snohomish County that is being expanded to individually name all 39 counties. The suit is currently pending in King County Superior Court before Judge Michael Scott.

Plaintiffs essentially assert two claims, both of which seek refunds of the money they paid toward LFOs imposed on their judgments of conviction for simple drug possession. Their first claim is for unjust enrichment / restitution / money had and received. Their second claim is rescission, which seeks to unwind the plea agreements between the plaintiffs and the State. The amended complaint expands their relief to request that the court in a civil lawsuit somehow vacate a prior criminal conviction. Plaintiffs also allude to unspecified collateral damages, but have included no cause of action directly addressed to these claimed damages. Plaintiffs have a broad view that Blake covers all drug possession convictions back to the 1950s.

Clallam Board of County Commissioners (BOCC),

You were presented correspondence at your worksession on August 9, 2021 from the Department of Interior. I believe this correspondence requires action of the BOCC as the legislative body for the County. I have not been able to ascertain the intentions of the BOCC from individual conversations with commissioners and therefore make the request for a need of the BOCC to take action on this submission by the Federal government that will affect local and State jurisdiction in this county. The BOCC is tasked to represent the citizens of this county and take action in the best interest of all said citizens.

These jurisdictional transfers have historically created conflicts with the planning and land use regulations of the county. This is likely a transfer that will have significant impacts to the planning by the county and the State in regards to everything from protection of agriculture interest in the county's Conservation Futures program to corridor transportation activities and interest. These transfers also contribute to loss of land base for taxing purposes; shouldn't the Federal government at least be obligated to offset this burden on the remaining tax base, and beyond a poorly appropriated program as the Federal Payment In Lieu of Taxes if that is even an option? I stated "likely" because I haven't even learned from the individual commissioners where the property is located, what the zoning is along with all of the other aspects brought up in the correspondence; there is no attachment A made available either. My concern is this submission has not been open and transparent for any action, if any action is being taken by the county beyond just reviewing the letter; at least to a point it is public in any assessment and discussion by the BOCC.

I ask the board as a whole to take action in a public manner.

BOCC,

All three commissioners respond to my request by saying in essence "No interest" in responding to the letter. But you failed to do your job to even do the assessment of the points brought up in the letter, the whole letter and not just the Discovery Trail. How did you represent my concerns and interest as a citizen today? That is the question I now hold you accountable to respond to.

ATTACHMENT 3 - BUSINESS ASSOCIATE AGREEMENT

This BUSINESS ASSOCIATE AGREEMENT is made between **Clallam County Juvenile & Family Services** (Business Associate) and the Washington State Health Care Authority (HCA). This agreement does not expire or automatically terminate except as stated in Section 5.

This Agreement relates to **K5533** between the Business Associate and HCA unless otherwise agreed. Business Associate is or may be a "Business Associate" of HCA as defined in the HIPAA Rules. If there is a conflict between the provisions of this Agreement and provisions of other contracts, this Agreement controls; otherwise, the provisions in this Agreement do not replace any provisions of any other contracts. If the other Contract is terminated, this Agreement nonetheless continues in effect.

This Business Associate Agreement supersedes any existing Business Associate Agreement the Business Associate may have with HCA. It also supersedes any "business associate" section in an underlying Contract.

1. DEFINITIONS

Access attempts - Information systems are the frequent target of probes, scans, "pings," and other activities that may or may not indicate threats, whose sources may be difficult or impossible to identify, and whose motives are unknown, and which do not result in access or risk to any information system or PHI. Those activities are "access attempts."

Day - means business days observed by Washington State government unless otherwise specified.

Catch-all definitions - The following terms used in this Agreement have the same meaning as those terms in the HIPAA Rules: Breach, Business Associate, Data Aggregation, Designated Record Set, Disclosure, Health Care Operations, Individual, Minimum Necessary, Notice of Privacy Practices, Secretary, Security Incident, Unsecured Protected Health Information (PHI), and Use.

Clients or Individuals - "Clients" or "individuals" are people who have health or other coverage or benefits from or through HCA. They include Medicaid clients, Public Employees Benefits Board subscribers and enrollees, and others.

Contract or Underlying Contract - "Contract" or "underlying contract" means all agreements between Business Associate and HCA under which Business Associate is a "business associate" as defined in the Security or Privacy Rules. The terms apply whether there is one such agreement or more than one, and if there is more than one the terms include them all even though a singular form is used except as otherwise specified. The terms include agreements now in effect and agreements that become effective after the effective date of this Agreement.

Effective Date - "Effective Date" means the date of the signature with the latest date affixed to the Agreement.

HIPAA Rules; Security, Breach Notification, and Privacy Rules - "HIPAA Rules" means the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Part 160 and Part 164, as now in effect and as modified from time to time. In part 164 of title 45 CFR, the "Security Rule" is subpart C (beginning with §164.302), the "Breach Notification Rule" is subpart D (beginning with § 164.400), and the "Privacy Rule" is subpart E (beginning with § 164.500).

Protected Health Information or PHI - "Protected Health Information" has the same meaning as in the HIPAA Rules except that in this Agreement the term includes only information created

by Business Associate or any of its contractors, or received from or on behalf of HCA, and relating to Clients. "PHI" means Protected Health Information.

2. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE

i. Limits

Business Associate will not use or disclose PHI other than as permitted or required by the Contract or this Agreement or as required by law. Except as otherwise limited in this Agreement, Business Associate may use or disclose PHI on behalf of, or as necessary for purposes of the underlying contract, if such use or disclosure of PHI would not violate the Privacy Rule if done by a Covered Entity and is the minimum necessary.

ii. Safeguards

Business Associate will use appropriate safeguards, and will comply with the Security Rule with respect to electronic PHI, to prevent use or disclosure of PHI other than as provided for by the Contract or this Agreement. Business Associate will store and transfer PHI in encrypted form.

iii. Reporting Security Incidents

Business Associate will report security incidents that materially interfere with an information system used in connection with PHI. Business Associate will report those security incidents to HCA within five (5) days of their discovery by Business Associate. If such an incident is also a Breach or may be a Breach, subsection 3 applies instead of this provision.

Access Attempts shall be recorded in Business Associate's system logs. Access Attempts are not categorically considered unauthorized Use or Disclosure, but Access Attempts do fall under the definition of Security Incident and Business Associate is required to report them to HCA.

Since Business Associate's reporting and HCA's review of all records of Access Attempts would be materially burdensome to both parties without necessarily reducing risks to information systems or PHI, the parties agree that Business Associate will review logs and other records of Access Attempts, will investigate events where it is not clear whether or not an apparent Access Attempt was successful, and determine whether an Access Attempt:

- a. Was in fact a "successful" unauthorized Access to, or unauthorized Use, Disclosure, modification, or destruction of PHI subject to this Agreement, or
- b. Resulted in material interference with Business Associate's information system used with respect to PHI subject to this Agreement, or
- c. Caused an unauthorized Use or Disclosure.

Subject to Business Associate's performance as described herein. This provision shall serve as Business Associate's notice to HCA that Access Attempts will occur and are anticipated to continue occurring with respect to Business Associate's information systems. HCA acknowledges this notification, and Business Associate is not required to provide further notification of Access Attempts unless they are successful as described in this Section 2 in which case Business Associate will report them in accordance with this Section 2.

3. **BREACH NOTIFICATION**

"Breach" is defined in the Breach Notification Rule. The time when a Breach is considered to have been discovered is explained in that Rule. HCA, or its designee, is responsible for determining whether an unauthorized Use or Disclosure constitutes a Breach under the Breach Notification Rule, RCW 42.56.590 or RCW 19.255.010, or other law or rule, and for any notification under the Breach Notification Rule, RCW 42.56.590 or RCW 19.255.010, or other law or rule.

Business Associate will notify HCA of any unauthorized use or disclosure and any other possible Breach within five (5) business days of discovery. If Business Associate does not have full details at that time, it will report what information it has, and provide full details within fifteen business (15) days after discovery. The initial report may be oral. Business Associate will give a written report to HCA, however, as soon as possible. To the extent possible, these reports must include the following:

- i. The identification of each individual whose PHI has been or may have been accessed, acquired, or disclosed;
- ii. The nature of the unauthorized Use or Disclosure, including a brief description of what happened, the date of the event(s), and the date of discovery;
- iii. A description of the types of PHI involved;
- iv. The investigative and remedial actions the Business Associate or its subcontractor took or will take to prevent and mitigate harmful effects, and protect against recurrence;
- v. Any details necessary for a determination of the potential harm to Individuals whose PHI is believed to have been Used or Disclosed and the steps such Individuals should take to protect themselves; and
- vi. Such other information as HCA may reasonably request.

If Business Associate determines that it has or may have an independent notification obligation under any state breach notification laws, Business Associate will promptly notify HCA. In any event, Business Associate will notify HCA of its intent to give any notification under a state breach notification law no fewer than ten (10) business days before giving such notification.

If Business Associate or any subcontractor or agent of Business Associate actually makes or causes, or fails to prevent, a use or disclosure constituting a Breach within the meaning of the Breach Notification Rule, and if notification of that use or disclosure must (in the judgment of HCA) be made under the Breach Notification Rule, or RCW 42.56.590 or RCW 19.255.010, or other law or rule, then:

3. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (nonappropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the contracting organization) certifies, to the best of his or her knowledge and belief, that:

- VII. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- VIII. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. (If needed, Standard Form-LLL, "Disclosure of Lobbying Activities," its instructions, and continuation sheet are included at the end of this application form.)
- IX. The undersigned shall require that the language of this certification be included in the award documents for all subcontracts at all tiers (including subcontracts, subcontracts, and contracts under grants, loans and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

4. CERTIFICATION REGARDING PROGRAM FRAUD CIVIL REMEDIES ACT (PFCRA)

The undersigned (authorized official signing for the contracting organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the contracting organization will comply with the Public Health Service terms and conditions of award if a contract is awarded.

5. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children's services provided in private residence, portions of facilities used for inpatient drug or alcohol

treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing the certification, the undersigned certifies that the contracting organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The contracting organization agrees that it will require that the language of this certification be included in any subcontracts which contain provisions for children's services and that all sub-recipients shall certify accordingly.

The Public Health Services strongly encourages all recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

**6. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS
INSTRUCTIONS FOR CERTIFICATION**

- I. By signing and submitting this proposal, the prospective contractor is providing the certification set out below.
- II. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective contractor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective contractor to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- III. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective contractor knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.
- IV. The prospective contractor shall provide immediate written notice to the department or agency to whom this contract is submitted if at any time the prospective contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- V. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the person to whom this contract is submitted for assistance in obtaining a copy of those regulations.
- VI. The prospective contractor agrees by submitting this contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by HCA.
- VII. The prospective contractor further agrees by submitting this contract that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered Transaction," provided by HHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- VIII. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).

- IX. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- X. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, HCA may terminate this transaction for cause or default.

**7. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

Have not within a three-year period preceding this contract been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

 - d. Have not within a three-year period preceding this contract had one or more public transactions (Federal, State or local) terminated for cause or default.
- II. Where the prospective contractor is unable to certify to any of the statements in this certification, such prospective contractor shall attach an explanation to this proposal.

- 3. Task Force Mission—The Governance Board shall determine the Task Force Mission and set the priorities for work to be accomplished, as measured by:**
 - A primary focus on cooperative, investigative work to identify, interdict, dismantle, and prosecute mid- to upper-level criminal organizations engaged in illicit gang, gun, and drug activities.
- 4. JAG Task Force Peer Review Participation—Task Force Governance Boards shall assure that JAG Grant compliance is achieved, as measured by:**
 - Task Force will agree to an audit of its performance, a minimum of once per biennium, as described in COMMERCE's Byrne JAG Task Force Peer Review Program Guide; and to participate in a follow-up of the Peer Review within the following year.

Scope of Work

- Task Force will participate in support of the Peer Review process by allowing assigned staff to volunteer as members of Peer Review Teams during audits in other jurisdictions.
5. **Peer Review, Grant Compliance Monitoring, and State and Federal Audit Results—Task Force management and staff will review COMMERCE’s Policies and Procedures and Task Force internal rules and policies, as well as requirements and policies of the Contract fiscal agent to assure JAG Grant compliance, as measured by:**

Budget

GENERAL:

The total budget awarded under this Agreement shall be the amount specified in Block 5 of this Agreement's Face Sheet.

The total Federal funds awarded under this Agreement shall be the amount specified in Block 9 of this Agreement's Face Sheet.

Allocation of funds between categories of expense shall be:

<u>Category of Expense</u>	<u>Amount</u>
Salaries	\$ 61,817
Benefits	\$ 28,005
Overtime	\$ 1,000
Goods & Services	\$ 64,771
Indirect	\$ 20,603
Total	\$176,196

The Contractor may vary from the approved distribution of funds by shifting up to ten percent (10%) of the total awarded funds between categories of expense. This authority to shift funds is limited by the following: grant funds may not be shifted into zero budgeted categories of expense except Benefits, and any shifts made may not constitute a significant change to the Scope of Work (Attachment A).

PERFORMANCE BASED INCENTIVES AND CONSEQUENCES:

1. Delay and Disallowance of Reimbursement Requests Due to Late Performance Reporting

Past due performance reports will result in withholding of requested reimbursements until the reports are received. Should a report be received after the due date, but not in sufficient time for enclosure in the corresponding federal quarterly report, the report will be rejected and no payment will be authorized for the missed quarter. For the first three quarters of this award, missed data and the corresponding expenditures may be submitted during the following quarter. However, lack of timely submission of the fourth quarter's activity report will result in loss of all funds not previously reimbursed; and if disbursement of funds to reimburse expenditures incurred during the unreported quarter has been made, repayment shall be required.

2. Delay and Disallowance of Reimbursement Requests Due to Non-Compliance with Federal Pre-Requisites to Receive Funding

During any period in which the Contractor is non-compliant with essential federal pre-requisites to receive federal funds, all expenditures will be disallowed. Eligibility of expenditures for reimbursement will resume on the date that the Contractor is deemed to be fully compliant with the essential federal pre-requisites as specified below:

- DUNS (Data Universal Numbering System) number is registered in the Central Contract Registry portion of Grants.Gov (www.grants.gov), and the registration is current.
- An Equal Employment Opportunity Plan The Contractor has been prepared and signed into effect within the last two years, and a copy has been forwarded to COMMERCE, and if appropriate to the Office of Civil Rights, U.S. Department of Justice.
- Center of Task Force Leadership and Integrity Training through the www.ctfli.org website has been completed by all personnel dedicated to the task force not later than 120 days of being dedicated to the task force, but in any case within two years of the effective date of this Agreement. Dedicated personnel includes personnel assigned as investigative personnel, acting in supervisory and/or executive management, administrative, analytical or prosecutorial support of the task force,

Budget

- Failure to respond to audit, monitoring or evaluation findings by the specified response date.
- **Reduction in the Quarterly Reimbursable Funds Due to Non-Compliance with the Task Force Staffing and Participation Model:**

Reporting staffing and/or "local" agency participation below that specified by the Task Force Model on any Periodic Activity Report (quarterly activity report) shall cause the maximum amount that may be reimbursed for that quarter to be reduced in accordance with the Task Force Model summarized below.

Compliance Level	% of Base Allocation	Dedicated Personnel		Participating 'Local' Agencies^{*4,5}
Full Compliance	100%	4.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		3 Agencies
Low 'Local' Agency Participation	88%	4.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		2 Agencies
Low 'Local' Personnel Dedication	75%	3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		3 Agencies
Low in both 'Local' Agency Participation and 'Local' Personnel Dedication	63%	3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}		2 Agencies
Too Low – Not Eligible for Funding	0%	Any level below: 3.0 Law Enforcement ^{*1} 1.0 Prosecutor ^{*2} .5 Support Staff ^{*3}	or	1 Agency

^{*1} Staffing standard for commissioned law enforcement personnel is four 100% dedicated officers

^{*2} Staffing standard for Prosecutors/Deputy Prosecutors is one 100% dedicated prosecutor, or demonstration that no task force generated case is declined due to staffing – any staffing below this level is considered "Low Local Personnel Dedication"

^{*3} Staffing standard for task force administrative/support staff is one half-time individual – any staffing below this is considered "Low Local Personnel Dedication"

^{*4} Washington State Patrol may count as a 'Local' agency for those task forces considered as 'Rural' or 'Urban' in the "Counties Like Us" reporting grouping

Federal agency assigned personnel may count as 'Local' provided they report first to the task force's management structure and that they have standing authority to participate in any case selected for investigation by the task force.

^{*5} Aggregated cash contributions from jurisdictions not large enough to fully dedicate individual officers, but which are sufficient to support 90% of the full cost of a dedicated officer, may count as participation by a 'Local' Agency for each officer so supported

For this purpose the maximum amount which may be reimbursed for one quarter is one-fourth of the total award (as specified in Block 5 of this Agreement's Face Sheet) reduced in accordance with the above table. The Non-compliance penalty is lost to the Contractor during the balance of this Agreement's duration.

In the event that the Contractor has already been reimbursed beyond the reimbursable amount authorized for the quarter as calculated above, the corresponding expenditure is disallowed. Any funds so disallowed may be applied against authorized expenditures of the next quarter, if the quarter for which the disallowance is made is not the last calendar quarter of this Agreement. Should any funds be disallowed for the last calendar quarter of this Agreement, disallowed funds must be returned to COMMERCE.

Budget

COMMERCE reserves the right to waive this reduction/disallowance in event the reported non-compliance is considered a brief and minor anomaly not materially affecting task force operations or safety. Such a waiver is at the sole discretion of COMMERCE.
