ARTICLE II. ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS

The Subrecipient shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 22HSGP Program, including, but not limited to, all criteria, restrictions, and requirements of *"The Department of Homeland Security (DHS) Notice of Funding Opportunity (NOFO) Fiscal Year 2022 Homeland Security Grant Program"* (hereafter "the NOFO") document, the *FEMA Preparedness Grants Manual* document, Version 3, published May 2022 (hereafter "the Manual"), the DHS Award Letter for the Grant, and the federal regulations commonly applicable to DHS/FEMA grants, all of which are incorporated herein by reference. The *DHS Award Letter* is incorporated in this Agreement as Attachment C.

The Subrecipient acknowledges that since this Agreement involves federal award funding, the period of performance may begin prior to the availability of appropriated federal funds. The Subrecipient agrees that it will not hold the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:

The following requirements apply to all DHS/FEMA Preparedness Grants administered by the Department.

1. SUBAWARDS & CONTRACTS BY SUBRECIPIENTS

- a. The Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 22HSGP funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.331.
- b. If the Subrecipient also becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient, the Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 22HSGP funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.330.
 - i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of 22HSGP funds, including, but not limited to, those contained in 2 CFR 200.
 - ii. The Subrecipient shall require its subrecipient(s) to comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to

the 22HSGP Program, including, but not limited to, all criteria, restrictions, and requirements of the NOFO , the Manual, the DHS Award Letter for the Grant in Attachment C, and the federal regulations commonly applicable to DHS/FEMA grants.

- iii. The Subrecipient shall be responsible to the Department for ensuring that all 22HSGP federal award funds provided to its subrecipients are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment C of this Agreement.

2. BUDGET, REIMBURSEMENT, AND TIMELINE

- a. Within the total Grant Agreement Amount, travel, subcontracts, salaries, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis upon completion unless otherwise provided in this Agreement.
- b. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.
- c. If the Subrecipient chooses to include indirect costs within the Budget (Attachment E), additional documentation is required based on the applicable situation. As described in 2 CFR 200.414 and Appendix VII to 2 CFR 200:
 - i. If the Subrecipient receives direct funding from any Federal agency(ies), documentation of the rate must be submitted to the Department Key Personnel per the following:
 - A. More than \$35 million, the approved indirect cost rate agreement negotiated with its federal cognizant agency.
 - B. Less than \$35 million, the indirect cost proposal developed in accordance with Appendix VII of 2 CFR 200 requirements.
 - ii. If the Subrecipient does not receive direct federal funds (i.e., only receives funds as a subrecipient), the Subrecipient must either elect to charge a de minimis rate of ten percent (10%) or 10% of modified total direct costs or choose to negotiate a higher rate with the Department. If the latter is preferred, the Subrecipient must contact Department Key Personnel for approval steps.
- d. For travel costs, the Subrecipient shall comply with 2 CFR 200.475 and should consult their internal policies, state rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, and federal maximum rates set forth at <https://www.gsa.gov>, and follow the most restrictive. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without prior written approval by Department Key Personnel.
- e. Reimbursement requests will include a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the Department) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to Reimbursements@mil.wa.gov no later than the due dates listed within the Timeline (Attachment F).

Reimbursement request totals should be commensurate to the time spent processing by the Subrecipient and the Department.
- f. Receipts and/or backup documentation for any approved items that are authorized under this Agreement must be maintained by the Subrecipient consistent with record retention requirements of this Agreement and be made available upon request by the Department, and federal, state, and local auditors.
- g. The Subrecipient must request **prior** written approval from Department Key Personnel to waive or extend a due date in the Timeline (Attachment F). For waived or extended reimbursement due dates, all allowable costs should be submitted on the next scheduled reimbursement due date contained in the Timeline. Waiving or missing deadlines serves as an indicator for assessing an agency's level of risk of noncompliance with the regulations, requirements, and the terms and conditions of the Agreement and may increase required monitoring activities. Any request for a

waiver or extension of a due date in the Timeline will be treated as a request for Amendment of the Agreement. This request must be submitted to the Department Key Personnel sufficiently in advance of the due date to provide adequate time for Department review and consideration and may be granted or denied within the Department's sole discretion.

- h. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the Department within forty-five (45) days after the Grant Agreement End Date, except as otherwise authorized by either (1) written amendment of this Agreement or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's subproject(s).
- i. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the Subrecipient, its contractor, or any non-federal entity to which the Subrecipient makes a subaward and is invoiced by the vendor.
- j. Failure to submit timely, accurate, and complete reports and reimbursement requests as required by this Agreement (including, but not limited to, those reports in the Timeline [Attachment F]) will prohibit the Subrecipient from being reimbursed until such reports are submitted and the Department has had reasonable time to conduct its review.
- k. Final reimbursement requests will not be approved for payment until the Subrecipient is current with all reporting requirements contained in this Agreement.
- l. For SHSP and UASI Subrecipients, a written amendment will be required if the Subrecipient expects cumulative transfers among subproject totals, as identified in the Budget (Attachment E), to exceed ten percent (10%) of the Grant Agreement Amount. If a Subrecipient has only one subproject, cumulative transfers among solution areas within the subproject that exceed ten percent (10%) of the Grant Agreement Amount shall require an amendment to this Agreement.
- m. For OPSG Subrecipients, any deviations from the approved, direct budget categories will require additional federal approvals and a written amendment.
- n. Subrecipients shall only use federal award funds under this Agreement to supplement existing funds and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The Subrecipient may be required to demonstrate and document that the reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

3. REPORTING

- a. With each reimbursement request, the Subrecipient shall report how the expenditures, for which reimbursement is sought, relate to the Work Plan (Attachments D-1, D-2, D-3) activities in the format provided by the Department.
- b. With the final reimbursement request, the Subrecipient shall submit to the Department Key Personnel a final report describing all completed activities under this Agreement.
- c. The Subrecipient shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the *Department an Audit Certification/FFATA* Form. This form is required to be completed once per calendar year, per Subrecipient, and not per agreement. The Department's Contracts Office will request the Subrecipient submit an updated form at the beginning of each calendar year in which the Subrecipient has an active agreement.

4. EQUIPMENT AND SUPPLY MANAGEMENT

- a. The Subrecipient and any non-federal entity to which the Subrecipient makes a subaward shall comply with 2 CFR 200.317 through 200.327 when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
 - i. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by the Subrecipient, or a recognized non-

federal entity to which the Subrecipient has made a subaward, for which a contract, subrecipient grant agreement, or other means of legal transfer of ownership is in place.

- ii. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in the Subrecipient's inventory system.
- iii. Inventory system records shall include:
 - A. Description of the property;
 - B. Manufacturer's serial number, model number, or other identification number;
 - C. Funding source for the property, including the Federal Award Identification Number (FAIN) (Face Sheet, Box 11);
 - D. Assistance Listings Number (Face Sheet, Box 13);
 - E. Who holds the title;
 - F. Acquisition date;
 - G. Cost of the property and the percentage of federal participation in the cost;
 - H. Location, use and condition of the property at the date the information was reported;
 - I. Disposition data including the date of disposal and sale price of the property.
- iv. The Subrecipient shall take a physical inventory of the equipment, and supplies as applicable, and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Subrecipient to determine the cause of the difference. The Subrecipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
- v. The Subrecipient shall be responsible for any and all operational and maintenance expenses and for the safe operation of the equipment and supplies including all questions of liability. The Subrecipient shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well-maintained and kept in good operating condition.
- vi. The Subrecipient shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated, and a report generated and sent to the Department's Key Personnel.
- vii. The Subrecipient must obtain and maintain all necessary certifications and licenses for the equipment.
- viii. If the Subrecipient is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return. For disposition, if upon termination or at the Grant Agreement End Date, when original or replacement supplies or equipment acquired under a federal award are no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Subrecipient must comply with the following procedures:
 - A. For Supplies: If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the Subrecipient must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment.
 - B. For Equipment:
 - 1) Items with a current per-unit fair-market value of five thousand dollars (\$5,000) or less may be retained, sold, transferred, or otherwise disposed of with no further obligation to the federal awarding agency.

- 2) Items with a current per-unit fair-market value in excess of five thousand dollars (\$5,000) may be retained or sold. The Subrecipient shall compensate the federal awarding agency in accordance with the requirements of 2 CFR 200.313 (e) (2).
- ix. Records for equipment shall be retained by the Subrecipient for a period of six (6) years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six- (6-) year period, the records shall be retained by the Subrecipient until all litigation, claims, or audit findings involving the records have been resolved.
 - b. The Subrecipient shall comply with the Department's Purchase Review Process, which is incorporated by reference and made part of this Agreement. No reimbursement will be provided unless the appropriate approval has been received.
 - c. Allowable equipment categories for the grant program are listed on the Authorized Equipment List (AEL) located on the FEMA website at <https://www.fema.gov/grants/guidance-tools/authorized-equipment-list>. It is important that the Subrecipient and any non-federal entity to which the Subrecipient makes a subaward regard the AEL as an authorized purchasing list identifying items allowed under the specific grant program; the AEL includes items that may not be categorized as equipment according to the federal, state, local, and tribal definitions of equipment. The Subrecipient is solely responsible for ensuring and documenting purchased items under this Agreement are authorized as allowed items by the AEL at time of purchase.

If the item is not identified on the AEL as allowable under the grant program, the Subrecipient must contact the Department Key Personnel for assistance in seeking FEMA approval **prior** to acquisition.
 - d. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or DHS/FEMA adopted standards to be eligible for purchase using federal award funds.
 - e. If funding is allocated to emergency communications, the Subrecipient must ensure that all projects comply with SAFECOM Guidance on Emergency Communications Grants, located at <https://www.cisa.gov/safecom/funding>, ensuring the investments are compatible, interoperable, resilient, and support national goals and objectives for improving emergency communications.
 - f. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to:
 - i. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - ii. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
 - iii. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

This prohibition regarding certain telecommunications and video surveillance services or equipment is mandated by section 889 of the *John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA)*, Pub. L. No. 115-232 (2018). Recipients and subrecipients may use DHS/FEMA grant funding to procure replacement equipment and services impacted by this prohibition, provided the costs are otherwise consistent with the requirements of the Manual and applicable NOFO.

Per subsections 889(f)(2)-(3) of the FY 2019 NDAA, and 2 CFR 200.216, covered telecommunications equipment or services means:

- i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);

- ii. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
 - iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or
 - iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- g. For OPSG Subrecipients, items budgeted as equipment in an approved Operations Order should be marked prominently with "Purchased with DHS funds for Operation Stonegarden Use" when practicable.
 - h. The Subrecipient must pass through equipment and supply management requirements that meet or exceed the requirements outlined above to any non-federal entity to which the Subrecipient makes a subaward of federal award funds under this Agreement.

5. ENVIRONMENTAL AND HISTORICAL PRESERVATION

- a. The Subrecipient shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) Program. EHP program information can be found at <https://www.fema.gov/grants/guidance-tools/environmental-historic> all of which are incorporated in and made a part of this Agreement.
- b. Projects that have historical impacts or the potential to impact the environment, **including, but not limited to**, construction of communication towers; modification or renovation of existing buildings, structures, and facilities; or new construction, including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to project initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to interior walls, and training or exercises occurring outside in areas not considered previously disturbed also require a DHS/FEMA EHP review before project initiation.
- c. The EHP review process involves the submission of a detailed project description that includes the entire scope of work, including any alternatives that may be under consideration, along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.
- d. The Subrecipient agrees that, to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process **must be completed and FEMA approval must be received by the Subrecipient before any work is started** for which reimbursement will be later requested. Expenditures for projects started before completion of the EHP review process and receipt of approval by the Subrecipient may not be reimbursed.

6. PROCUREMENT

- a. The Subrecipient shall comply with all procurement requirements of 2 CFR 200.317 through 200.327 and as specified in the General Terms and Conditions (Attachment B, A.10).
- b. For all sole source contracts expected to exceed \$250,000, the Subrecipient must submit to the Department for pre-procurement review and approval the procurement documents, such as requests for proposals, invitations for bids and independent cost estimates. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for reviewing and approving sole source justifications of any non-federal entity to which the Subrecipient makes a subaward.

7. SUBRECIPIENT MONITORING

- a. The Department will monitor the activities of the Subrecipient from award to closeout. The goal of the Department's monitoring activities will be to ensure that agencies receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as 2 CFR Part 200 Subpart F.
- b. To document compliance with 2 CFR Part 200 Subpart F requirements, the Subrecipient shall complete and return to the Department an Audit Certification/FFATA form. This form is required to be completed once per calendar year, per Subrecipient, and not per agreement. The Department's Contracts Office will request the Subrecipient submit an updated form at the beginning of each calendar year in which the Subrecipient has an active agreement.
- c. Monitoring activities may include, but are not limited to:
 - i. Review of financial and performance reports;
 - ii. Monitoring and documenting the completion of Agreement deliverables;
 - iii. Documentation of phone calls, meetings (e.g., agendas, sign-in sheets, meeting minutes), e-mails, and correspondence;
 - iv. Review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement Work Plan (Attachments D-1, D-2, D-3), Budget (Attachment E), and federal requirements;
 - v. Observation and documentation of Agreement-related activities, such as exercises, training, events, and equipment demonstrations; and
 - vi. On-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.
- d. The Subrecipient is required to meet or exceed the monitoring activities, as outlined above, for any non-federal entity to which the Subrecipient makes a subaward as a pass-through entity under this Agreement.
- e. Compliance will be monitored throughout the performance period to assess risk. Concerns will be addressed through a corrective action plan.

8. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)

The Subrecipient must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services, selecting language services, and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <https://www.lep.gov>.

9. NIMS COMPLIANCE

- a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and vocabulary for

multiple agencies or jurisdictions to work together to build, sustain, and deliver the core capabilities needed to achieve a secure and resilient nation.

- b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response. NIMS empowers the components of the National Preparedness System, a requirement of Presidential Policy Directive 8, to guide activities within the public and private sector and describes the planning, organizational activities, equipping, training, and exercising needed to build and sustain the core capabilities in support of the National Preparedness Goal.
- c. In order to receive federal preparedness funding from the Department, the Subrecipient must achieve, or be actively working to achieve, all of the NIMS Implementation Objectives located at <https://www.fema.gov/emergency-managers/nims/implementation-training>.

B. HSGP SPECIFIC REQUIREMENTS

1. The Subrecipient must use HSGP funds only to perform tasks as described in the Work Plan (Attachments D-1, D-2, D-3), as approved by the Department, and in compliance with this Agreement.
 - a. SHSP-funded projects must assist state, local, tribal, and territorial efforts to build, sustain, and deliver the capabilities necessary to prevent, prepare for, protect against, and respond to acts of terrorism.
 - b. UASI-funded projects must assist high-threat, high-density Urban Area efforts to build, sustain, and deliver the capabilities necessary to prevent, prepare for, protect against, and respond to acts of terrorism.
 - c. OPSG-funded projects must support enhanced cooperation and coordination among Customs and Border Protection, United States Border Patrol, and federal, state, local, tribal, and territorial law enforcement agencies to support joint efforts to secure the United States' borders along routes of ingress/egress to and from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders. State, local, tribal, and territorial law enforcement agencies utilize their inherent law enforcement authorities to support the border security mission and do not receive any additional authority as a result of participation in OPSG.
 - d. State agencies, including law enforcement, must comply with RCW 43.17.425 and may not use agency funds (including this grant), facilities, property, equipment, or personnel, to investigate, enforce, cooperate with, or assist in the investigation or enforcement of any federal registration or surveillance programs or any other laws, rules, or policies that target Washington residents solely on the basis of race, religion, immigration, or citizenship status, or national or ethnic origin, except as provided in RCW 43.17.425 (3).
2. The Budget (Attachment E) may include the following caps and thresholds:
 - a. If funds are allotted for Management and Administration (M&A), such expenditures must be related to administration of the grant. The maximum percentage of the Grant Agreement Amount that may be used for M&A costs when allocated under this Agreement shall not exceed five percent (5%) but may be less.
 - b. At least thirty percent (30%) of the combined HSGP award allocated under SHSP and UASI must be dedicated to law enforcement terrorism prevention activities (LETPA). To meet this requirement, the Subrecipient has agreed, at a minimum, to meet the LETPA percentage indicated in the Budget. **If the Subrecipient anticipates spending less than the indicated amount, a budget amendment is required.**
 - c. The maximum percentage of the Grant Agreement Amount that may be used for personnel expenses under this Agreement is identified in the Budget. If the Subrecipient anticipates spending more on personnel costs, **an amendment is required**. Additional approval steps may also be required before the personnel percentage can be increased.
3. If funding is allocated to a Fusion Center investment, the Subrecipient must ensure all Fusion Center analytical personnel demonstrate qualifications that meet or exceed competencies identified in the Common Competencies for state, local, and tribal intelligence analysts, which outlines the minimum

categories of training needed for intelligence analysts. All training to ensure baseline proficiency in intelligence analysis and production must be completed within six (6) months of hiring unless the analyst has previously served as an intelligence analyst for a minimum of two (2) years. Proof of satisfaction of this requirement must be accessible to the Department Key Personnel as applicable.

4. If funding is allocated to non-DHS FEMA training, the Subrecipient must request **prior** written approval from the Department Key Personnel before attending the training. The Department will coordinate approval with the State Training Point of Contact. Pursuant to DHS/FEMA Grant Programs Directorate Information Bulletin No. 432, Review and Approval Requirements for Training Courses Funded Through Preparedness Grants, https://www.fema.gov/sites/default/files/2020-04/Training_Course_Review_and_Approval_IB_Final_7_19_18.pdf, the training must fall within the FEMA mission scope and be in alignment with the Subrecipient's Emergency Operations Plan. This requirement only applies to training courses and does not include attendance at conferences. Furthermore, additional federal approvals are required for courses that relate to Countering Violent Extremism prior to attendance.
5. For SHSP and UASI, Subrecipients are required to complete the annual Nationwide Cybersecurity Review (NCSR) <https://www.cisecurity.org/ms-isac/services/ncsr> to benchmark and measure progress of improvement in their cybersecurity posture.
6. Except for an elevated National Terrorism Advisory System alert, **prior** written approval is required before SHSP and UASI funds may be used for operational overtime. Requests must be submitted to the Department Key Personnel in advance of the expenditure to ensure all additional approval steps can be met.
7. SHSP Subrecipients shall participate in the State's annual Stakeholder Preparedness Review (SPR), the State's Threat and Hazard Identification and Risk Assessment (THIRA), core capabilities assessments, and data calls. Non-participation may result in withholding of funding under future grant years.
8. UASI Subrecipients shall participate in the annual UASI SPR and THIRA process
9. Subrecipients should document their preparedness priorities and use them to deploy a schedule of preparedness events in a multi-year Integrated Preparedness Plan (IPP). Subrecipients are encouraged to participate in the State's annual Integrated Preparedness Planning Workshop (IPPW) or may conduct their own local/regional IPPW. Information related to IPPs and Integrated Preparedness Planning Workshops (IPPWs) can be found on the HSEEP website at <https://www.fema.gov/HSEEP> and <https://preptoolkit.fema.gov/>.

C. DHS TERMS AND CONDITIONS

As a subrecipient of 22HSGP funding, the Subrecipient shall comply with all applicable DHS terms and conditions of the 22HSGP Award Letter and its incorporated documents, which are incorporated in and made a part of this Agreement as Attachment C.

**Washington Military Department
GENERAL TERMS AND CONDITIONS
Department of Homeland Security (DHS)/
Federal Emergency Management Agency (FEMA)
Grants**

A.1 DEFINITIONS

As used throughout this Agreement, the terms will have the same meaning as defined in 2 CFR 200 Subpart A (which is incorporated herein by reference), except as otherwise set forth below:

- a. **"Agreement"** means this Grant Agreement.
- b. **"Department"** means the Washington Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department. The Department is a recipient of a federal award directly from a federal awarding agency and is the pass-through entity making a subaward to a Subrecipient under this Agreement.
- c. **"Investment"** means the grant application submitted by the Subrecipient describing the project(s) for which federal funding is sought and provided under this Agreement. Such grant application is hereby incorporated into this Agreement by reference.
- d. **"Monitoring Activities"** means all administrative, financial, or other review activities that are conducted to ensure compliance with all state and federal laws, rules, regulations, authorities and policies.
- e. **"Stakeholders Preparedness Report (SPR)"** The SPR is an annual three-step self-assessment of a community's capability levels based on the capability targets identified in the THIRA.
- f. **"Subrecipient"** when capitalized is primarily used throughout this Agreement in reference to the non-federal entity identified on the Face Sheet of this Agreement that has received a subaward from the Department. However, the definition of "Subrecipient" is the same as in 2 CFR 200.1 for all other purposes.
- g. **"Threat and Hazard Identification and Risk Assessment (THIRA)"** The THIRA is a three-step risk assessment. The THIRA helps communities understand their risks and determine the level of capability they need in order to address those risks. The outputs from this process lay the foundation for determining a community's capability gaps during the SPR process.

A.2 ADVANCE PAYMENTS PROHIBITED

The Department shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. Subrecipient shall not invoice the Department in advance of delivery and invoicing of such goods or services.

A.3 AMENDMENTS AND MODIFICATIONS

The Subrecipient or the Department may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the Department and the Subrecipient. No other understandings or agreements, written or oral, shall be binding on the parties.

The Agreement performance period shall only be extended by (1) written notification of DHS/FEMA approval of the Award performance period, followed up with a mutually agreed written amendment, or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's project(s).

A.4 AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, 42 U.S.C. 12101 ET SEQ. AND ITS IMPLEMENTING REGULATIONS ALSO REFERRED TO AS THE "ADA" 28 CFR Part 35.

The Subrecipient must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

A.5 ASSURANCES

The Department and Subrecipient agree that all activity pursuant to this Agreement will be in accordance with all the applicable current federal, state and local laws, rules, and regulations.

A.6 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY

As federal funds are a basis for this Agreement, the Subrecipient certifies that the Subrecipient is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Agreement by any federal department or agency.

The Subrecipient shall complete, sign, and return a *Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion* form located at <http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms>. Any such form completed by the Subrecipient for this Agreement shall be incorporated into this Agreement by reference.

Further, the Subrecipient agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Subrecipient certifies that it will ensure that potential contractors or subrecipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g., grant or cooperative agreement) that are expected to equal or exceed \$25,000, and subawards to Subrecipients for any amount. With respect to covered transactions, the Subrecipient may comply with this provision by obtaining a certification statement from the potential contractor or subrecipient or by checking the System for Award Management (<https://sam.gov/SAM/>) maintained by the federal government. The Subrecipient also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries' "Debarred Contractor List" (<https://secure.lni.wa.gov/debarandstrike/ContractorDebarList.aspx>). The Subrecipient also agrees not to enter into any agreements or contracts for the purchase of goods and services with any party on the Department of Enterprise Services' "Debarred Vendor List" (<http://www.des.wa.gov/services/ContractingPurchasing/Business/Pages/Vendor-Debarment.aspx>).

A.7 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

As required by 44 CFR Part 18, the Subrecipient hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subrecipient to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, grant, loan, or cooperative agreement, the Subrecipient will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Subrecipient will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352.

A.8 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES

The Subrecipient and all its contractors and subrecipients shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Service (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-5), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW

39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58), State Building Code (RCW 19.27), Energy Related Building Standards (RCW 19.27A), Provisions in Buildings for Aged and Handicapped Persons (RCW 70.92), and safety and health regulations.

In the event of noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy by the Subrecipient, its contractors or subrecipients, the Department may rescind, cancel, or terminate the Agreement in whole or in part in its sole discretion. The Subrecipient is responsible for all costs or liability arising from its failure, and that of its contractors and subrecipients, to comply with applicable laws, regulations, executive orders, OMB Circulars or policies.

A.9 CONFLICT OF INTEREST

No officer or employee of the Department; no member, officer, or employee of the Subrecipient or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of the Subrecipient who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.

The Subrecipient shall incorporate, or cause to incorporate, in all such contracts or subawards, a provision prohibiting such interest pursuant to this provision.

A.10 CONTRACTING & PROCUREMENT

a. The Subrecipient shall use a competitive procurement process in the procurement and award of any contracts with contractors or subcontractors that are entered into under the original agreement award. The procurement process followed shall be in accordance with 2 CFR Part 200.318, General procurement standards, through 200.327, Contract provisions.

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the Subrecipient under this Agreement must include the following provisions, as applicable:

- 1) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- 2) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-federal entity including the manner by which it will be affected and the basis for settlement.
- 3) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "*Equal Employment Opportunity*" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "*Amending Executive Order 11246 Relating to Equal Employment Opportunity*," and implementing regulations at 41 CFR part 60, "*Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor*."
- 4) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "*Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction*"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as

supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency.

- 5) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 6) Rights to Inventions Made Under a Contract or Agreement. If the federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Subrecipient must comply with the requirements of 37 CFR Part 401, "*Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements*," and any implementing regulations issued by the awarding agency.
- 7) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- 8) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "*Debarment and Suspension*." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- 9) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award.
- 10) Procurement of recovered materials – As required by 2 CFR 200.323, a non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only

items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

- 11) Notice of federal awarding agency requirements and regulations pertaining to reporting.
 - 12) Federal awarding agency requirements and regulations pertaining to copyrights and rights in data.
 - 13) Access by the Department, the Subrecipient, the federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.
 - 14) Retention of all required records for six years after the Subrecipient has made final payments and all other pending matters are closed.
 - 15) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).
 - 16) Pursuant to Executive Order 13858 "*Strengthening Buy-American Preferences for Infrastructure Projects*," and as appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States, as required in 2 CFR Part 200.322, in every contract, subcontract, purchase order, or sub-award that is chargeable against federal financial assistance awards.
 - 17) Per 2 C.F.R. § 200.216, prohibitions regarding certain telecommunications and video surveillance services or equipment are mandated by *section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA)*, Pub. L. No. 115-232 (2018).
- b. The Department reserves the right to review the Subrecipient's procurement plans and documents and require the Subrecipient to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.317 through 200.327. The Subrecipient must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Subrecipient and Department to make a determination on eligibility of project costs.
- c. All contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference.

A.11 DISCLOSURE

The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Subrecipient's responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the Department or as required to comply with the state Public Records Act, other law or court order.

A.12 DISPUTES

Except as otherwise provided in this Agreement, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution board to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The board shall consist of a representative appointed by the Department, a representative appointed by the Subrecipient and a third party mutually agreed upon by both parties. The determination of the dispute resolution board shall be final and binding on the parties hereto. Each party shall bear the cost for its member of the dispute resolution board and its attorney fees and costs and share equally the cost of the third board member.

A.13 LEGAL RELATIONS

It is understood and agreed that this Agreement is solely for the benefit of the parties to the Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.

To the extent allowed by law, the Subrecipient, its successors or assigns, will protect, save and hold harmless the Department, the state of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subrecipient, its subcontractors, subrecipients, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Agreement.

To the extent allowed by law, the Subrecipient further agrees to defend the Department and the state of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys' fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the Department, and (2) the Subrecipient, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subrecipient, or the Subrecipient's agents or employees.

Insofar as the funding source, FEMA, is an agency of the Federal government, the following shall apply:

44 CFR 206.9 Non-liability. The Federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Federal government in carrying out the provisions of the Stafford Act.

A.14 LIMITATION OF AUTHORITY – AUTHORIZED SIGNATURE

The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department's Authorized Signature representative and the Authorized Signature representative of the Subrecipient or Alternate for the Subrecipient, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both parties' Authorized Signature representatives, except as provided for time extensions in Article A.3.

Further, only the Authorized Signature representative or Alternate for the Subrecipient shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.15 LOSS OR REDUCTION OF FUNDING

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the Department may unilaterally reduce the work plan and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Subrecipient an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

A.16 NONASSIGNABILITY

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Subrecipient.

A.17 NONDISCRIMINATION

During the performance of this agreement, the Subrecipient shall comply with all federal and state nondiscrimination statutes and regulations. These requirements include, but are not limited to:

- a. Nondiscrimination in Employment: The Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, sexual orientation, religion, national origin, creed, marital status, age, Vietnam era or disabled veterans status, or the presence of any sensory,

mental, or physical handicap. This requirement does not apply, however, to a religious corporation, association, educational institution or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution or society of its activities.

- b. The Subrecipient shall take action to ensure that employees are employed and treated during employment without discrimination because of their race, color, sex, sexual orientation religion, national origin, creed, marital status, age, Vietnam era or disabled veteran status, or the presence of any sensory, mental, or physical handicap. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment selection for training, including apprenticeships and volunteers.

A.18 NOTICES

The Subrecipient shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and regulations and shall maintain a record of this compliance.

A.19 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT (OSHA/WISHA)

The Subrecipient represents and warrants that its workplace does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subrecipient's performance under this Agreement. To the extent allowed by law, the Subrecipient further agrees to indemnify and hold harmless the Department and its employees and agents from all liability, damages and costs of any nature, including, but not limited to, costs of suits and attorneys' fees assessed against the Department, as a result of the failure of the Subrecipient to so comply.

A.20 OWNERSHIP OF PROJECT/CAPITAL FACILITIES

The Department makes no claim to any capital facilities or real property improved or constructed with funds under this Agreement, and by this subaward of funds does not and will not acquire any ownership interest or title to such property of the Subrecipient. The Subrecipient shall assume all liabilities and responsibilities arising from the ownership and operation of the project and agrees to indemnify and hold the Department, the state of Washington, and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.21 POLITICAL ACTIVITY

No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

A.22 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

The assistance provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Agreement provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.23 PUBLICITY

The Subrecipient agrees to submit to the Department prior to issuance all advertising and publicity matters relating to this Agreement wherein the Department's name is mentioned, or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Subrecipient agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department. The Subrecipient may copyright original work it develops in the course of or under this Agreement; however, pursuant to 2 CFR Part 200.315, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Agreement shall include an acknowledgement of FEMA's financial support, by the Assistance Listings Number (formerly CFDA Number), and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.24 RECAPTURE PROVISION

In the event the Subrecipient fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the Agreement, the Department reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right

of recapture shall exist for the life of the project following Agreement termination. Repayment by the Subrecipient of funds under this recapture provision shall occur within 30 days of demand. In the event the Department is required to institute legal proceedings to enforce the recapture provision, the Department shall be entitled to its costs and expenses thereof, including attorney fees from the Subrecipient.

A.25 RECORDS

- a. The Subrecipient agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Subrecipient's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").
- b. The Subrecipient's records related to this Agreement and the projects funded may be inspected and audited by the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Subrecipient with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.
- c. The records shall be made available by the Subrecipient for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subrecipient's normal working day.
- d. The Subrecipient shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) years must be followed.

A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the Department undertakes to assist the Subrecipient with the project/statement of work/work plan (project) by providing federal award funds pursuant to this Agreement, the project itself remains the sole responsibility of the Subrecipient. The Department undertakes no responsibility to the Subrecipient, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subrecipient, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subrecipient shall ensure that all applicable federal, state, and local permits and clearances are obtained, including, but not limited to, FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws, regulations, and executive orders.

The Subrecipient shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subrecipient in connection with the project. The Subrecipient shall not look to the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including, but not limited to, cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.28 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

The Subrecipient shall comply with and include the following audit requirements in any subawards.

Non-federal entities, as Subrecipients of a federal award, that expend **\$750,000** or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than **\$750,000** a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity"

means a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient.

Subrecipients that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The Subrecipient has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200.425.

The Subrecipient shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any subcontractors also maintain auditable records. The Subrecipient is responsible for any audit exceptions incurred by its own organization or that of its subcontractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Subrecipient must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Subrecipient all disallowed costs resulting from the audit.

After the single audit has been completed, and if it includes any audit findings, the Subrecipient must send a full copy of the audit and its Corrective Action Plan to the Department at the following address no later than nine (9) months after the end of the Subrecipient's fiscal year(s):

**Contracts Office
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

OR

Contracts.Office@mil.wa.gov

The Department retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient's failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.29 SUBRECIPIENT NOT EMPLOYEE

The Subrecipient, and/or employees or agents performing under this Agreement, are not employees or agents of the Department in any manner whatsoever. The Subrecipient will not be presented as nor claim to be an officer or employee of the Department or of the State of Washington by reason hereof, nor will the Subrecipient make any claim, demand, or application to or for any right, privilege or benefit applicable to an officer or employee of the Department or of the State of Washington, including, but not limited to, Workers' Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW; OFM Reg. 4.3.1.1.8.

It is understood that if the Subrecipient is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the State of Washington in their own right.

If the Subrecipient is an individual currently employed by a Washington State agency, the Department shall obtain proper approval from the employing agency or institution before entering into this contract. A statement of "no conflict of interest" shall be submitted to the Department.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the Subrecipient shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and

expenses of any other kind for the Subrecipient or its staff required by statute or regulation that are applicable to Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the Subrecipient may terminate this Agreement by providing written notice of such termination to the Department Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the Department, in its sole discretion and in the best interests of the state of Washington, may terminate this Agreement in whole or in part ten (10) business days after emailing notice to the Subrecipient. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR LOSS OF FUNDING

The Department may unilaterally terminate or suspend all or part of this Grant Agreement, or may reduce its scope of work and budget, if there is a reduction in funds by the source of those funds, and if such funds are the basis for this Grant Agreement. The Department will email the Subrecipient ten (10) business days prior to termination.

A.33 TERMINATION OR SUSPENSION FOR CAUSE

In the event the Department, in its sole discretion, determines the Subrecipient has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subrecipient unable to perform any aspect of the Agreement, or has violated any of the covenants, agreements or stipulations of this Agreement, the Department has the right to immediately suspend or terminate this Agreement in whole or in part.

The Department may notify the Subrecipient in writing of the need to take corrective action and provide a period of time in which to cure. The Department is not required to allow the Subrecipient an opportunity to cure if it is not feasible as determined solely within the Department's discretion. Any time allowed for cure shall not diminish or eliminate the Subrecipient's liability for damages or otherwise affect any other remedies available to the Department. If the Department allows the Subrecipient an opportunity to cure, the Department shall notify the Subrecipient in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the Department, or if such corrective action is deemed by the Department to be insufficient, the Agreement may be terminated in whole or in part.

The Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Subrecipient, if allowed, or pending a decision by the Department to terminate the Agreement in whole or in part.

In the event of termination, the Subrecipient shall be liable for all damages as authorized by law, including, but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Subrecipient: (1) was not in default or material breach, or (2) failure to perform was outside of the Subrecipient's control, fault or negligence, the termination shall be deemed to be a termination for convenience.

A.34 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the Department terminates this Agreement, the Subrecipient shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the Department may require

the Subrecipient to deliver to the Department any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the Department shall pay to the Subrecipient as an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the Department prior to the effective date of Agreement termination, the amount agreed upon by the Subrecipient and the Department for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the Department, (iii) other work, services and/or equipment or supplies which are accepted by the Department, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the Department shall determine the extent of the liability of the Department. The Department shall have no other obligation to the Subrecipient for termination. The Department may withhold from any amounts due the Subrecipient such sum as the Department determines to be necessary to protect the Department against potential loss or liability.

The rights and remedies of the Department provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the Department in writing, the Subrecipient shall:

- a. Stop work under the Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or contracts for materials, services, supplies, equipment and/or facilities in relation to this Agreement except as may be necessary for completion of such portion of the work under the Agreement as is not terminated;
- c. Assign to the Department, in the manner, at the times, and to the extent directed by the Department, all of the rights, title, and interest of the Subrecipient under the orders and contracts so terminated, in which case the Department has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and contracts, with the approval or ratification of the Department to the extent the Department may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Department and deliver in the manner, at the times, and to the extent directed by the Department any property which, if the Agreement had been completed, would have been required to be furnished to the Department;
- f. Complete performance of such part of the work as shall not have been terminated by the Department in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the Department may require, for the protection and preservation of the property related to this Agreement which is in the possession of the Subrecipient and in which the Department has or may acquire an interest.

A.35 MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

In accordance with the legislative findings and policies set forth in Chapter 39.19 RCW, the State of Washington encourages participation in all its contracts by MWBE firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). To the extent possible, the Subrecipient will solicit and encourage minority-owned and women-owned business enterprises who are certified by the OMWBE under the state of Washington certification program to apply and compete for work under this contract. Voluntary numerical MWBE participation goals have been established, and are indicated herein: Minority Business Enterprises: (MBE's): 10% and Woman's Business Enterprises (WBE's): 6%.

A.36 VENUE

This Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by, the laws of the state of Washington. Venue of any suit between the parties arising out of this Agreement shall be the Superior Court of Thurston County, Washington. The Subrecipient, by execution of this Agreement, acknowledges the jurisdiction of the courts of the state of Washington.

A.37 WAIVERS

No conditions or provisions of this Agreement can be waived unless approved in advance by the Department in writing. The Department's failure to insist upon strict performance of any provision of the Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Agreement.

See also Office of Management and Budget (OMB), Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

Recipients and subrecipients of federal financial assistance programs for infrastructure are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless:

- (1) all iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
- (2) all manufactured products used in the project are produced in the United States--this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and
- (3) all construction materials are manufactured in the United States--this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project, but are not an integral part of the structure or permanently affixed to the infrastructure project.

Waivers

When necessary, recipients may apply for, and the agency may grant, a waiver from these requirements.

(a) When the federal agency has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that:

- (1) applying the domestic content procurement preference would be inconsistent with the public interest;
- (2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or
- (3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the OMB Made in America Office.

There may be instances where an award qualifies, in whole or in part, for an existing waiver described. For awards by the Federal Emergency Management Agency (FEMA), existing waivers are available and the waiver process is described at ["Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov](#). For awards by other DHS components, please contact the applicable DHS FAO.

To see whether a particular DHS federal financial assistance program is considered an infrastructure program and thus required to include a Buy America preference, please either contact the applicable DHS FAO, or for FEMA awards, please see [Programs and Definitions: Build America, Buy America Act | FEMA.gov](#).

Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved.

WORK PLAN

**FFY22 Homeland Security Grant Program (HSGP)
Operation Stonegarden (OPSG)**

OPSG supports enhanced cooperation and coordination among Customs and Border Protection (CBP), United States Border Patrol (USBP), and federal, state, local, tribal, and territorial law enforcement agencies to improve overall border security. OPSG provides funding to support joint efforts to secure the United States' borders along routes of ingress/egress to and from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders. SLTT law enforcement agencies utilize their own law enforcement authorities to support the border security mission and do not receive any additional authority as a result of participation in OPSG.

Per the Manual, responsibilities of the Subrecipient include:

- Conduct operations on an as-needed basis throughout the length of the grant performance period;
- Integrate law enforcement partners from contiguous counties and towns into their tactical operations to expand the layer of security beyond existing areas;
- Ensure all required reports, including reports from friendly forces, are submitted to Border Patrol and the State Administrative Agency (SAA), when applicable, in the proper format and within established timeframes;
- Ensure applicable OPSG derived data and applicable intelligence is shared with the designated fusion center in the state or high-risk urban areas;
- Request instruction and information from the SAA, when applicable, and/or Border Patrol and other Federal law enforcement agencies regarding techniques, methods, and trends used by transnational criminal organizations in the area;
- Provide the SAA and Border Patrol a single point of contact that maintains subject-matter expertise in OPSG who can coordinate, collect, and report operational activities within the established reporting procedures; and

Notwithstanding any provision of this Grant to the contrary, at any time during the grant period, COMMERCE may analyze grant expenditures as a proportion of the grant budget. If COMMERCE determines, in its sole discretion, that the grant funding is underutilized, COMMERCE, in its sole discretion, may unilaterally modify the Grant to reduce the balance of the grant budget. Funds de-obligated by COMMERCE as a result of a budget reduction may be made available to other grantees for the provision of eligible program activities.

12. INSURANCE

Each party certifies that it is self-insured under the State's or local government self-insurance liability program, and shall be responsible for losses for which it is found liable.

During the performance of this Grant, the Grantee shall comply with all federal, state, and local nondiscrimination laws, regulations and policies. In the event of the Grantee's non-compliance or refusal to comply with any nondiscrimination law, regulation or policy, this Grant may be rescinded, canceled or terminated in whole or in part, and the Grantee may be declared ineligible for further Grants. The Grantee shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

14. NON-SUPPLANTING

The Grantee agrees that Grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this Grant. Violation of the non-supplanting requirement can result in a range of penalties, including suspension of future funds under this Grant, recoupment of monies provided under this Grant, and civil and/or criminal penalties.

15. POTENTIAL FRAUD, WASTE, ABUSE AND SIMILAR MISCONDUCT

The Grantee agrees to promptly refer to the Department of Justice Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, or other person has, in connection with funds under this award – (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by – (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Divisions, 950 Pennsylvania Avenue, N.W. 17. REPORTING

Grantees must collect and maintain data that measure the performance and effectiveness of work done under this grant.

If providing direct services or outreach, the Grantee shall submit data quarterly in the InfoNet data collection system, relative to the provision of SFY 2024 Victim/Witness Assistance Grant services. The Grantee shall submit non-personally identifying demographic, service and compliance data required by state funding sources in the InfoNet data collection system. The Grantee shall maintain documentation and records that support the data reported in InfoNet.

The Grantee shall establish and maintain written procedures for the security of InfoNet use at its site. Procedures shall include:

- Only authorized staff are provided access to the InfoNet data and files;
- Staff are informed of the need for security and confidentiality of data and files maintained in or available through the InfoNet system; and

Additional narrative reports may be required. See the Application for Funding and/or Reporting Instructions provided for further details.

18. REQUIREMENT OF REMEDIES FOR NON-COMPLIANCE AND MATERIALLY FALSE STATEMENTS

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award.

The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or - unenforceable, such provision shall be deemed severable from this award.

19. SERVICES TO LIMITED-ENGLISH-PROFICIENT (LEP) PERSONS

To ensure compliance with Title VI and the Safe Streets Act, Grantees are required to take reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including interpretation and translation services, where necessary. Grantees are encouraged to consider the need for language services for LEP persons served or encountered both in developing their programs and budgets and in conducting their programs and activities. Reasonable costs associated with providing meaningful access for LEP individuals are considered allowable program costs. Additional assistance regarding LEP obligations and information may be found at www.lep.gov.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

The recipient must submit a Subgrant Award Report (SAR) to OVC for each subrecipient of the VOCA victim assistance funds, within ninety (90) days of awarding funds to the subrecipient. Recipients must submit this information through the automated system.

In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

16. SURVIVAL

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

17. TERMINATION FOR CAUSE

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

18. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days' written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

19. TERMINATION PROCEDURES

Upon termination of this contract, COMMERCE, in addition to any other rights provided in this contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the Contractor shall:

- A. Stop work under the contract on the date, and to the extent specified, in the notice;
- B. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
- C. Assign to COMMERCE, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- D. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Authorized Representative to the extent the Authorized Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- E. Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the Authorized Representative any property which, if the contract had been completed, would have been required to be furnished to COMMERCE;
- F. Complete performance of such part of the work as shall not have been terminated by the Authorized Representative; and
- G. Take such action as may be necessary, or as the Authorized Representative may direct, for the protection and preservation of the property related to this contract, which is in the possession of the Contractor and in which COMMERCE has or may acquire an interest.

20. TREATMENT OF ASSETS

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the Contractor, for the cost of which the Contractor is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in COMMERCE upon delivery of such property by the Contractor. Title to other property, the cost of which is reimbursable to the Contractor under this contract, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the Contractor shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this contract.
- B. The Contractor shall be responsible for any loss or damage to property of COMMERCE that results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management

practices.

- C. If any COMMERCE property is lost, destroyed or damaged, the Contractor shall immediately notify COMMERCE and shall take all reasonable steps to protect the property from further damage.
- D. The Contractor shall surrender to COMMERCE all property of COMMERCE prior to settlement upon completion, termination or cancellation of this contract.
- E. All reference to the Contractor under this clause shall also include Contractor's employees, agents or Subcontractors.

21. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by Authorized Representative of COMMERCE.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

8. Restrictions on "Lobbying" and Policy Development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

9. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712

10. Notification of Findings of Discrimination or Non-Compliance

In the event a state or federal court or a state or federal administrative agency makes a finding of discrimination after a due process hearing on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, age, or disability against the recipient, or a program partner or participant receiving contract funds, the recipient will forward a copy of the finding

to the U.S. Department of Justice, Office of Justice Programs, Office of Civil Rights (OCR), and the Department of Commerce (COMMERCE).

The recipient, and any subrecipient ("subgrantee") at any tier, shall include a statement clearly stating whether or not the finding is related to any contract activity supported with a contract in which U.S. Department of Justice funds are involved, and identify all open contracts utilizing U.S. Department of Justice funding by contract number and program title.

11. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

12. FFATA reporting: Subawards and executive compensation

As applicable. The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

COMMERCE submits FFATA information on behalf of all Grantees.

As the duly Authorized Representative of the Grantee, I hereby certify that the Grantee (and any subgrantees) will comply with the above regulations, as applicable

Request for Volunteer Requirement Waiver

Current VOCA program guidelines requires that grant recipients must use volunteers as a condition of receiving funds unless the state administrator determines there is a compelling reason to waive this requirement. A "compelling reason" may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort.

If an applicant requests a waiver of the volunteer requirement, the section below must be completed providing a compelling reason why the use of volunteers is not feasible for the agency.

I am requesting a waiver for the use of volunteers for my VOCA project/program:

Yes ☒ No ☐

If you are requesting a volunteer waiver, provide detailed explanation for your request in the following section. Waivers may only be requested in the following situations:

1. In the case of statutory or contractual provisions that prohibits the use of volunteers. (Attach a copy of the applicable statute or contract.)
2. In the case of a lack of volunteers. If you list this as a reason for the waiver request, you must document the efforts made to recruit volunteers.

Our agency is requesting a waiver for the following reason/s:

The volunteer requirement would place an undue burden on our program due to:

- *Lack of staff time to screen, interview, and train volunteers.
- *Lack of staff time to supervise volunteers.
- *Limited volunteer opportunities within the Clallam County Prosecuting Attorney's Office due to:
 - *High caseloads,
 - *Limited staff time to guide and supervise volunteers,
 - *Costs due to on-line systems of cases that would require offices to secure a workspace and purchase a license and computer for volunteers.

Subgrant Award Report (SAR)

Complete the information below, this will be used by OCVA to complete the federal Subgrant Award Report (SAR) which collects basic information on subgrant recipients and program activities that will be implemented with VOCA plus match funds.

CHANGES TO SCOPE OF WORK

Task Number: 2

Task Cost: \$2,170,000.00

Task Title: Land Acquisition

Task Description:

The site of the proposed reservoir was selected during a feasibility study funded by a Salmon Recovery Funding Board (SRFB) grant (2013). It is owned by the Washington Department of Natural Resources (DNR). DNR has expressed a willingness to transfer two parcels to Clallam County for this project and included the property on the 2017-2019 Trust Land Transfer (TLT) list submitted to the legislature (see attached DNR letter). The proposed reservoir property encompasses two parcels:

*319-Acre Parcel West of River Road in Sequim WA Parcel 043036-210000

*77-Acre Parcel East of River Road in Sequim WA Parcel 043036-130000

Since the acquisition funding is from SRA as opposed to the Capital Budget, the land transaction is referred to as a Direct Transfer, between DNR and Clallam County.

Public Benefits: These parcels are sought for Direct Transfer from DNR to Clallam County because they are well suited to provide a number of public benefits. Project supporters initially identified the parcels as an ideal location for an off-channel water storage reservoir (western parcel) which will store water in the winter and spring for use by agriculture in the late summer time (in lieu of the river) when stream flows are critically low and threaten endangered salmonids. The proposed 1,600 AF reservoir sustainably enhances late summer stream flows by 20-30 cubic feet per second increasing low flows by up to 50%.

If approved for TLT, the parcels will become a public park owned, operated, and maintained by Clallam County. When complete, the park will be the largest County park in the Sequim area and its proximity to the City of Sequim will make it a popular recreation destination. In addition to creating a new public park with river access, and the creation of a storage reservoir which will improve salmon habitat, the proposed project has several other important benefits.

The site of the proposed reservoir will allow opportunities for aquifer recharge. Stored water from the reservoir site will be diverted to nearby shallow aquifer recharge facilities. Aquifer recharge will be timed to benefit low flows in the Dungeness River as well as the small independent streams on the eastside of the Dungeness River. Flooding will also be decreased by intercepting storm water and directing it into the reservoir via irrigation lines, then releasing the stored water for irrigation when river flow is low.

The proposed cost estimate has been reviewed and provided by DNR staff. Included in these task costs are appraisal and other associated real estate transaction costs.

Task Goal Statement:

This project provides Clallam County with the funding to proceed with the Direct Land Transfer of the two designated parcels. The western parcel would serve as the site of the future 88 acres, 1,600 AF reservoir which serves for streamflow restoration, stormwater storage, aquifer recharge and public recreation with, establishment of a new county park on both parcels.

Task Expected Outcome:

Completed appraisal of the property. Pre-approval for land acquisition granted from Ecology in accordance with Acquisition Manual 3 (WA Recreation and Conservation Office). With Direct Transfer approval, Clallam County secures the two designated parcels for planned construction of the Dungeness Off-Channel Reservoir.

Recipient Task Coordinator: Carol Creasey, Clallam County

Deliverables

Number	Description	Due Date
2.1	Coordinate with Department of Natural Resources (DNR). Clallam County will work with DNR to proceed with all necessary steps to facilitate Direct Land Transfer (DLT). The entire DLT process is anticipated to take 18 months.	
2.2	Clallam County will coordinate with DNR to secure and begin an appraisal of the two parcels proposed for Trust Land Transfer. This appraisal is estimated to take 6 months.	06/30/2023
2.3	Clallam Count will finalize DLT agreement with DNR.	12/31/2023
2.4	DLT agreement is complete and land is now owned by Clallam County.	06/30/2024

CHANGES TO SCOPE OF WORK

Task Number: 3 Task Cost: \$1,295,300.00

Task Title: Detailed Design

Task Description:

The Dungeness reservoir project partners contracted the development of a conceptual project proposal and design with engineering consultant ANCHOR QEA in 2016. The document provided Preliminary Design Analysis, Design Development and Geotechnical Analysis.

The Highland Irrigation District lateral, flowing south to north and bisecting the proposed reservoir site parcel, conveys water to the Eureka main canal, Independent main canal, and other laterals north of the proposed reservoir location. Detailed design would provide specifications of the connection between the reservoir and existing irrigation infrastructure downstream of the reservoir.

Preliminary design drawings and an opinion of probable project cost are conceptual and have been adjusted with updated information.

Elements of the proposed reservoir include:

- *A 1,600 AF storage reservoir with a maximum water surface area of approximately 88 acres
- *An embankment with 3 horizontal to 1 vertical (3H:1V) interior side slopes, 2.5H:1V exterior side slopes, and a maximum height of approximately 30 feet, with reservoir depth of approximately 20 feet
- *Excavation and placement of more than 700,000 cubic yards of material
- *A sediment settling/retention basin upstream of the proposed reservoir
- *A 30-inch-diameter inlet pipeline from the HID main canal
- *A reinforced concrete structure at the pipe inlet and at the discharge to the reservoir
- *A reinforced concrete, low-level outlet structure with an automated gate
- *A 30-inch-diameter, low-level outlet pipeline designed to deliver water to the HID lateral
- *A reinforced concrete overflow spillway structure
- *Reinforced concrete energy dissipating structures at the low-level outlet and spillway outlet
- *A piped connection from the HID main canal at Happy Valley Road to the reservoir for peak stormwater conveyance and control

Development of detailed design will be required prior to project construction. Additional design development activities that will be completed prior to construction include:

- *Topographic survey of the proposed storage site
- *Additional geotechnical investigation, including completion of additional borings, seismic study, additional laboratory analysis of soils to determine final design requirements for embankment side-slopes, dimensions, materials, and configuration
- *Wetland and other environmental surveys
- *Cultural resources surveys
- *Detailed evaluation of reservoir inflows, outflows, operational controls, Highland diversion and main canal capacity
- *Evaluation/identification of conveyance system upgrades downstream of reservoir to effectively connect and serve irrigators from the reservoir
- *Additional analysis to further evaluate peak stormwater flows and develop design requirements for stormwater conveyance, sediment retention, and control facilities

- *Coordination with regulatory agencies, including permitting agencies and the Washington Department of Ecology's (Ecology's) Dam Safety Office to verify permit and design requirements
- *Development of detailed drawings and technical specifications
- *Refinement of the opinion of probable construction costs to reflect the detailed design
- *Additional design to address any potential negative impacts to water quality and aquatic species

These elements represent a preliminary/conceptual design and other information developed in design process will inform final design.

Task Goal Statement:

The goal of this task is the issuance of an RFP for engineering and final construction-ready design, the selection of an engineering design firm, and the production of construction-ready design which maximizes the potential storage for irrigation source substitution in late summer as well as managed aquifer recharge year-round.

Task Expected Outcome:

30% Design from which to pursue permits.

90% Design which is ready to submit for bids for reservoir construction.

Recipient Task Coordinator: Carol Creasey, Clallam County

Deliverables

Number	Description	Due Date
3.1	Clallam County will issue an RFP for final design of the Dungeness Off-Channel Reservoir project. This deliverable is estimated to take 2 months to select design firm.	03/30/2020
3.2	Engineering Design firm is selected and contract is executed to provide final design.	05/30/2020
3.3	30% Design is provided by engineering design firm within 6 months of contracting, which will be significant design to begin permit applications.	03/31/2022
3.4	Final Design with detailed drawings is provided by engineering design firm within 1 year of contracting.	

CHANGES TO SCOPE OF WORK
