

Hearing Examiner Agenda for September 3, 2026

1:00 p.m. SHR2017-00011

Presented by Donella Clark, Principal Planner
Owner/Applicant is Jamestown S'Klallam Tribe

As per the conditions of approval, this is a review of a shoreline substantial development permit (SSDP) and shoreline conditional use permit (SCUP) that allows phased development of the commercial farming of pacific oysters on up to 34 acres of tidelands at the northwest corner of Inner Dungeness Bay, just south of the Dungeness Spit.
