Grant Application Information

DEPARTMENT: **Prosecuting Attorney's Office** DATE SUBMITTED TO W/S: **6/05/2023**

GRANT NAME: **Victim Witness Assistance** APPLICATION DEADLINE: **6/12/2023**

ISSUING AGENCY: **Office of Crime Victim Advocacy** IS THIS A RENEWAL? **Yes**

LENGTH OF GRANT: **12 Months** RENEWAL POSSIBLE? **Yes**

TOTAL AWARD: **\$62,230.00** ANNUAL AMOUNT: **\$62,230.00**

MATCH REQUIRED? **No** MATCH AMOUNT: **0.00**

DESCRIPTION OF GRANT AND PURPOSE:

To provide assistance to victims of crime with regards to the prosecution process.

EXPLAIN HOW THIS GRANT WILL BE USED FOR THE GOOD OF CLALLAM COUNTY CITIZENS:

This grant provides funding for a liaison to be available to victims of crime, which assists in holding defendants accountable for their crimes.

**DOES THE GRANT ACTIVITY FURTHER THE DEPARTMENT'S MISSION OR CORE FUNCTIONS?
HAS IT BEEN A PART OF LONG TERM DEPARTMENT OR COUNTY GOALS?**

Yes

DOES THE GRANT ACTIVITY INCREASE AN EXISTING SERVICE OR ADD A NEW SERVICE? TO WHAT DEGREE? IF THE GRANT WERE NOT AVAILABLE, WOULD THE SERVICE HAVE BEEN NECESSARY?

The grant will allow for continued service. If the grant were not available, the services might not be provided once current funds in account were depleted.

WHAT MEASUREMENTS (PERFORMANCE MEASURES) WILL BE USED TO EVALUATE THE SUCCESS OF THE ACTIVITIES PROVIDED BY THE GRANT? WILL PERFORMANCE MEASURES BE DEVELOPED?

Measurements are determined by the state and/or federal agencies that are providing the funding. There are quarterly reporting requirements that report the statistical data that is required for the funding.

DOES THE GRANT ACTIVITY CREATE A NEW SERVICE OR LEVEL OF SERVICE WHICH IS EXPECTED TO BE CONTINUED FROM LOCAL FUNDING AT THE END OF THE GRANT PERIOD?

No. The service provided through these grants funds was not available prior to the original grant that was received over 10 years ago.

IF MATCHING FUNDS ARE REQUIRED, WHERE WILL THEY COME FROM? DOES THE DEPARTMENT HAVE EXISTING RESOURCES TO COVER MATCH REQUIREMENTS? FROM WHERE?

There are no matches required of this grant.

WILL THE ACTIVITY IN THIS GRANT HAVE IMPACTS ON OTHER DEPARTMENTS? HAS THIS BEEN DISCUSSED? DO OTHER DEPARTMENTS HAVE SUFFICIENT RESOURCES TO DEAL WITH ADDITIONAL IMPACTS?

No

WILL NEW POSITIONS BE ADDED? IF SO, HOW MANY AND WHAT TYPE ARE EXPECTED? ARE ALL WAGES AND BENEFITS PAID IN THE GRANT? WHAT WILL HAPPEN TO THE POSITIONS WHEN THE GRANT PERIOD ENDS?

No. This grant is currently expected to fund nearly 70% of the salary and benefits for one of our full-time Victim Witness Coordinator positions, serving victims of the most serious cases in our felony division. We anticipate the continuance of this grant for future years, and will use a combination of grants and/or monies in the Local Crime Victim Comp fund to cover most of this position.

DOES YOUR DEPARTMENT HAVE SUFFICIENT RESOURCES TO ADMINISTER THE GRANT? PROVIDE FOR TIMELY REIMBURSEMENT AND ACTIVITY REPORTS?

Yes. Required reporting is completed by the Victim Witness Coordinator with grant oversight provided by the Office Manager. The financial aspect of the grant including reimbursement requests and deposits, as well as application for annual funding, currently lies with the Office Manager.

ARE THERE IMPACTS TO THE COUNTY IF THE GRANT IS NOT RECEIVED? WHAT ARE THEY?

We would not be able to provide assistance to the victims of crime as outlined in the Victim's Bill of Rights. Victims would need to seek advocacy services from outside agencies and would not have the direct prosecution process support that they are currently receiving.

ARE INDIRECT COSTS ALLOWABLE ON THIS GRANT? IF SO, ARE THERE LIMITATIONS? WILL THEY BE CHARGED AND ALLOCATED AS INDIRECT?

This grant will be providing direct funding for nearly 70% of the salary and benefits of the Victim Witness Coordinator serving victims of our most serious cases in the felony division.

ARE THERE OTHER ACTIVITIES (GRANT OR OTHERWISE) THAT ARE BUDGETED FOR THIS YEAR THAT WILL NOT BE COMPLETED IF THIS GRANT IS APPROVED?

No

WHAT BUDGET CHANGES ARE NECESSARY? INCLUDE REVENUES AND EXPENDITURES.

None. The revenues and expenditures are already in the budget for 2023. The 2023-2024 Victim Witness Assistance Grant will be built into the 2024 county budget when that process begins.

OTHER COMMENTS

This has been an on-going grant that covers the state's fiscal year of July 1st - June 30th.

The Victim Witness project will be supported with funding from both Washington State General funds and Federal Victims of Crime Act funds (VOCA). All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by Washington State or US Department of Justice.

The Office of Crime Victims Advocacy reserves the right to reduce, modify, or deny applications.

This project is supported by Victims of Crime Act Grants awarded by the Office for Victims of Crime, U.S. Department of Justice. Points of view in this document are those of the author, and do not necessarily represent the official position or policies of the U.S. Department of Justice.

Purpose

The purpose of the Victim/Witness Assistance Grant Program is to provide information and support for victims and witnesses of crime. This application details the process to procure funding from the Washington State VOCA Formula Grant and general state funds to provide Victim/Witness Assistance services for individuals who have experienced or been affected by harm (crime).

VOCA State Plan

Washington State's VOCA State Plan provides guidance on how VOCA funds are distributed. To develop this plan, OCVA established a group to conduct a statewide planning process. The process included multiple opportunities for input from crime victims, victim service providers, law enforcement, the courts, and other interested parties. The input yielded substantial consensus on key unmet needs of victims of crime and major challenges confronting service providers. The VOCA State Plan, first developed for 2015-2019, has been extended through 2023 based on stakeholder feedback and support. This application is responsive to a portion of the "Victim Witness assistance (system-based)" section of the VOCA State Plan.

VOCA Rule

A copy of the complete Rule is attached as **Addendum A - VOCA Rule - 28 CFR Part 94** to this application and is available at: <https://www.federalregister.gov/documents/2016/07/08/2016-16085/victims-of-crime-act-victim-assistance-program>

Eligibility

Eligible applicants must be a County prosecutor-based, victim-witness assistance program that provides and can demonstrate a history of providing effective services to crime victims, have other sources of financial support, have the organizational capacity to provide the proposed services and be prepared to use these funds to provide services to victims of crime in Washington State.

Eligible grant activities which can be supported with this grant funding include services focused on providing support and information for victims, survivors and witnesses such as advocacy on behalf of victims, crisis intervention, notification of criminal justice events (case status, arrest, court proceedings, case disposition, release, etc.), information on victims' rights, victim impact statement assistance, assistance with restitution (includes assistance in requesting and when collection efforts are not successful), referral to community based victim assistance programs, information about and assistance completing the Crime Victim's Compensation (CVC) application, emergency financial assistance (EFA) (payment for items such as food and/or clothing, changing windows or locks, taxis, etc.)

Non-Eligible Services, Costs and Expenses which cannot be supported with this funding include, but are not limited to:

- any services that are related to or for the purpose of assisting with the prosecution of an offender
- issuing subpoenas
- reimbursing per diem costs related to a victim/survivor testifying
- taking notes in an interview to assist with information gathering for the prosecutor
- active investigation and prosecution of criminal activities
- capital expenses
- direct compensation for crime victims
- education and/or job training expenses
- food/beverages for trainings, meetings and conferences
- fundraising activities
- lobbying and administrative advocacy
- most medical costs

- VOCA funds cannot pay for nursing home care (emergency short-term nursing home shelter as described in the VOCA Final Rule is allowable), home health-care costs, inpatient treatment costs, hospital care, and other types of emergency and non-emergency medical and/or dental treatment
- perpetrator/offender rehabilitation and counseling
- prevention education activities
- property loss that is not connected to the immediate health and safety of the client
- research and studies, including project evaluation
- restorative justice
- vehicle purchases

Please review the VOCA Rule (Addendum A) for additional restrictions.

Living Wage

OCVA strongly encourages all applicants to pay their employees a living wage. For more information on living wages in your county please visit the following website [National Low Income Housing Coalition](#).

VOCA Volunteer Requirement

Federal VOCA funding requires that each grantee must utilize at least one volunteer directly supporting your direct service and/or service outreach activities in order to fulfill federal funding requirements.

If you anticipate difficulty in meeting the volunteer requirement, please complete Attachment B: Volunteer Requirement Waiver Form.

Determination of Suitability to Interact with Participating Minors/Background Checks

All Grantees providing direct services to victims of crime must do criminal history background checks (as stated in RCW 43.43.832, 43.43.834 and under Federal funding rules) for all employees, volunteers and other persons who may have access to children, people with developmental disabilities or vulnerable adults. Determination of suitability is required, in advance and the documentation in the organization files, for individuals who may interact with participating minors. This [Victim Witness Staff Certification Form](#) is to be completed for new staff charging to the grant. A search of required public sex offender and child abuse websites and criminal history registries and similar repositories of criminal history records must be completed at least every five years to determine suitability to interact with minors. Please resubmit a copy of the form with this application for staff previously verified.

Funding Level, Distribution, Period of Performance

OCVA estimates that approximately \$2,651,727 will be available for this funding opportunity through June 30, 2024. This is about the same as the available funds in State Fiscal Year 2023 (SFY23) and should allow us to keep funding consistent for State Fiscal Year 2024 (SFY24). There is a current legislative budget request that may impact the amount of funding available for this grant program. In the event that budget request passes, OCVA reserves the right to increase these grant amounts.

The amount of funds available per agency is listed in **Attachment A - VW Assistance FY 24 Allocations**. Funding allocations per county were determined in consultation and partnership with Washington Association of Prosecuting Attorneys (WAPA) in response to recommendations from WAPA's membership. OCVA will fund projects resulting from this application for 12 months, July 1, 2023 through June 30, 2024. Round budget numbers to the nearest dollar in your application.

Equal Employment Opportunity Program

Funding for the Victim Witness Grant Program is subject to the Equal Employment Opportunity Program requirements. If you have questions regarding the Equal Employment Opportunity Program requirements, please visit the DOJ Office for Civil Rights website at www.ojp.gov/about/ocr/eeop for more information.

EEOP Certification Form

Your grant document will include the Certification Form for Compliance with the Equal Employment Opportunity Program Requirements.

VOCA Match Requirement

Each grantee is responsible to provide a 20% match for the VOCA portion of grant funds they receive. There is no match requirement for tribes. **The VOCA Match Requirement is proactively waived for SFY 2024** as grants will be initiated during the Federal Pandemic Period.

Non-Supplanting of State and Local Funds

Federal funds must be used to supplement existing funds for program activities and may not replace (supplant) nonfederal funds that they have appropriated for the same purpose. These grant funds must be used to expand or enhance a current program or service. Violation of the non-supplantation requirement can result in a range of penalties, including suspension of future funds under this grant, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Position Descriptions for Staff

Position descriptions are required to be submitted for any staff being paid with VOCA funds and for any and all volunteers whose time is being used as match or to meet the volunteer requirement. If more than one grant funded staff member has the same job position, only one position description needs to be submitted. To ensure that position descriptions only include eligible activities, please be sure to either redact or revise any activities that support, or "appear" to support, the investigation or prosecution of an offender. If staff on the grant perform activities that do support the investigation or prosecution of offenders such as assisting with issuing subpoenas, grantees must note on the job description that such activities will not be billed to the grant.

Example: If language is included that may infer the support of investigations or prosecution of offenders such as "...assist with interviews", such language must be redacted or revised to show that the activity is support for the victim during interviews, not support for the case or prosecution.

DocuSign for Grants

The Department now uses DocuSign to obtain grant signatures. When ready, your Victim Witness Grant will be sent to you for review and signature using this automated digital system.
